#1-H OCTOBER 12, 2010

Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Commissioners:

**APPROVE THE AMENDED SECTION 8 PROGRAM ADMINISTRATIVE PLAN FOR
THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

This letter recommends approval of the Housing Authority's amended Administrative Plan for Fiscal Year 2010-2011. The Administrative Plan contains the policies and procedures that govern the Housing Authority's administration of the Section 8 program.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the amended Administrative Plan for Fiscal Year 2010-2011, as required by the U.S. Department of Housing and Urban Development (HUD), to update the Housing Authority's policies.
2. Find that the amended Administrative Plan is not subject to the provisions of the California Environmental Quality Act (CEQA) because it will not have the potential for causing a significant effect on the environment.

PURPOSE AND JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to adopt several proposed revisions to the Section 8 Program Administrative Plan.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. Operating funds for the Section 8 Program are allocated through a separate budgetary process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Title 24 of the Code of Federal Regulations, part 982.54, mandates that public housing authorities adopt a written Administrative Plan that establishes policies for the administration of the Section 8 program in accordance with HUD requirements. The Administrative Plan must state Housing Authority policy on matters for which the Housing Authority has discretion to establish policy. The Administrative Plan and any revisions must be formally adopted by your Board. The Administrative Plan was last approved by your Board on June 23, 2010.

The Housing Authority is proposing three policy changes to its Administrative Plan.

First, a participant's anniversary date determines when their annual reexamination is due every year. HUD allows housing authorities to decide how to determine anniversary dates. Under the current Administrative Plan, when a participant moves, the Housing Authority processes a new Housing Assistance Payments (HAP) contract as an annual reexamination, which requires the anniversary date to change. Under HUD's former rules, this process was the most efficient to reduce staff workload.

Recent HUD rule changes have made it more efficient to process HAP contracts separately from the annual reexamination and not change the anniversary date. Therefore, under the amended Administrative Plan, the Housing Authority will no longer change the anniversary date when a participant moves and a new HAP contract is processed.

Second, under the current Administrative Plan the Housing Authority requires all participants and owners to extend their lease for 12 months at the anniversary of their lease and contract. The policy was implemented to stabilize the number of participant moves. However, the current policy did not deter move requests and the Housing Authority continues to receive an overwhelming number of requests to move.

Under the amended Administrative Plan, the Housing Authority will no longer require a 12-month lease extension each year.

Third, under the current Administrative Plan the Housing Authority allows owners to repay overpaid Housing Assistance payments under a repayment agreement for a maximum of 12 months.

Under the amended Administrative Plan, owners will be permitted repayment agreements that are no longer than two months. After that, the Housing Authority may

pursue collection on the debt. However, an owner may submit a written appeal to the Executive Director for a repayment agreement that exceeds two months.

On September 22, 2010, the Housing Commission recommended approval of the proposed policy changes. Upon approval by your Board, the amended Administrative Plan will be effective November 1, 2010.

ENVIRONMENTAL DOCUMENTATION

Adoption of this amended Annual Plan is exempt from the provisions of the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3), because it involves administrative activities that will not have a physical impact on or result in any physical changes to the environment. This action is also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT PROGRAMS

There is no significant impact to the Section 8 Program.

Respectfully submitted,

CHAPTER 1: POLICIES AND OBJECTIVES

1.1 INTRODUCTION

The Los Angeles County Community Development Commission (CDC) was created in 1982 by the County's Board of Supervisors. The CDC aims to build better lives and better neighborhoods, by providing services to improve the quality of life in low- and moderate-income neighborhoods. The CDC manages programs in public and assisted housing, community development, economic development, and housing development and preservation.

The Housing Authority of the County of Los Angeles (Housing Authority) was created in 1938 to manage and develop affordable housing. Since 1938, the Housing Authority has administered federally funded public housing, rental assistance programs, and services and special programs for residents of public and assisted housing.

In an effort to streamline Los Angeles County's housing and community development programs and services, the County Board of Supervisors combined the Housing Authority with the CDC in 1982. The Housing Authority is comprised of two divisions of the CDC. The Housing Management Division manages public housing and related programs and services. The Assisted Housing Division administers rental assistance programs.

1.2 PURPOSE OF THE PLAN **[24 CFR §982.54(a) – §982.54(c)]**

The purpose of the Administrative Plan is to clearly outline the policies and procedures that govern the Housing Authority's administration of rental assistance programs. The plan includes program requirements established by the U.S. Department of Housing and Urban Development (HUD), as well as the discretionary policies established by the Housing Authority.

The policies and procedures in this Administrative Plan comply with applicable local, State, and HUD and other Federal regulations, relevant memos, notices and guidelines, including fair housing and equal opportunity requirements. If applicable regulatory changes conflict with this plan, regulations will have precedence.

The Housing Authority adheres to the Administrative Plan in administering all rental assistance programs. The original plan and any changes must be approved by the Board of Commissioners of the agency (the Los Angeles County Board of Supervisors), and a copy of the plan must be provided to HUD.

As much as possible, revisions and additions are published to coincide with published changes in the Housing Authority's Agency Plan. Interim changes, including Board mandates and administrative updates reflecting changes in law or regulatory requirements, will be made effective by memo from the Executive Director or designee.

1.3 LOCAL OBJECTIVES **[24 CFR §982.1(a)]**

The Housing Authority's rental assistance programs are designed to achieve three major objectives:

1. To provide improved living conditions and decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level;
2. To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments; and
3. To promote freedom of housing choice and spatial deconcentration of lower income and minority families.

Additionally, the Housing Authority has adopted the following mission statement:

- To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

1.4 JURISDICTION **[24 CFR §982.51 and 24 CFR §982.4(b)]**

HUD has authorized the Housing Authority to administer rental assistance programs within the corporate boundaries of Los Angeles County. The Housing Authority's jurisdiction includes:

1. The unincorporated areas of the County, and
2. Participating cities within the County. Participating small cities are defined as cities in the Los Angeles County area that have authorized the Housing Authority to administer rental assistance programs within their city limits.

1.5 RENTAL ASSISTANCE PROGRAMS

Section 8 of the Housing and Community Development Act of 1974 established the "Section 8 Program," the first permanent Federal program for rental assistance. The program authorized a basic certificate program, as well as targeted subprograms. As rental assistance programs developed, Congress authorized additional Section 8 programs, including a voucher program in 1987.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) required housing authorities to convert their certificates into vouchers and establish the Housing Choice Voucher Program as the primary rental assistance program. As a result of this conversion, the Housing Choice Voucher Program now encompasses all Housing Authority rental assistance except for existing certificates under the previously offered Moderate Rehabilitation Program.

- **Moderate Rehabilitation Program:** A certificate-based rental assistance program incorporating financial options for owners doing moderate levels of rehab and upkeep to affordable housing rental units. Administration involves

closing or extending expiring contracts. Chapter 20 (Moderate Rehabilitation Program) covers the details of this program.

- **Section 8 Pre-Pay/Preservation Program**: A voucher-based rental assistance program that enables existing participants, living in units in which owners have prepaid a HUD-insured mortgage loan, to remain in affordable housing. Chapter 19 (Pre-Pay/Preservation Program) covers the details of this program.
- **Project-Based Voucher Program**: The Housing Authority will utilize Project-Based vouchers to prevent the displacement of families and preserve affordable rents in the case of an unforeseen event.
- **Housing Choice Voucher Program**: The major rental assistance program administered by the Housing Authority.
 - **Note**: Unless otherwise noted, the procedures in this Administrative Plan are for the general Housing Choice Voucher Program.

As required by HUD regulations, the Housing Authority administers the Family Self-Sufficiency Program as a special program option for participants in the Housing Choice Voucher Program. See Chapter 18 (Special Programs) for details.

1.5.1 Set-Aside, Targeted and Special Programs

The Housing Authority may use the Housing Choice Voucher Program budget to fund set-aside programs, which are detailed in Chapter 18 (Special Programs). All set-aside programs are subject to the availability of funding. The Executive Director has the discretion to approve allocations beyond the existing program size for all set-aside programs.

- **Housing Choice Voucher Homeless Program**: This program targets families throughout Los Angeles County. All eligible families are referred to the Housing Authority by pre-selected service providers.
- **Housing Choice Voucher Long-Term Family Self-Sufficiency Homeless Program**: This program targets homeless families who are eligible for CalWORKs and are employed or have an offer of employment (either subsidized or unsubsidized).
- **Housing Choice Voucher Family Unification Set-Aside Program**: This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing.

Periodically, the Housing Authority applies for special funding from HUD to administer vouchers to targeted populations, within the Housing Choice Voucher Program. The Housing Authority administers vouchers through the following targeted programs:

- **Housing Choice Voucher Welfare to Work Program**: This program provides assistance to families who are eligible for CalWORKs benefits, are in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services

(DPSS) and are in need of housing in order to obtain or retain employment. See Chapter 18 (Special Programs) for details.

- **Housing Choice Voucher Mainstream Program**: This program assists very-low income, disabled families who need rental assistance. As authorized by HUD regulations, the Housing Authority administers this program independently and does not rely on joint ventures with community partners. Eligible families are identified from the regular housing choice voucher waiting list and are admitted on a first come, first served basis.

Families admitted into a targeted program must meet all regular admission requirements with the exception of the residency requirement. Since the Housing Authority is required to work closely with other County departments that provide services through all of Los Angeles County, families residing outside of the Housing Authority's jurisdiction are allowed to participate in targeted programs. However, families may be required to move within the Housing Authority's jurisdiction for at least one year.

The Housing Authority also receives non-Housing Choice Voucher Program funding to administer the following special programs. See Chapter 18 (Special Programs) for details:

- **Shelter Plus Care Program**
- **Housing Opportunities for Persons with AIDS (HOPWA) Program**

1.6 FAIR HOUSING AND EQUAL OPPORTUNITY POLICY **[24 CFR §982.53]**

It is the policy of the Housing Authority to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing fair housing and equal opportunity in housing and employment.

The Housing Authority shall not deny any family or individual the opportunity to apply for or receive assistance under its rental assistance programs on the basis of race, color, sex, religion, creed, national or ethnic origin, age, family status, handicap or disability.

The Housing Authority will provide Federal, State, and local information to voucher holders during the family briefing session regarding discrimination, and the recourse available to them if they are victims of discrimination. Applicants and other voucher holders will be informed that they may file a fair housing complaint using the toll-free hotline at 1-800-669-9777 and that persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 1-800-887-8339. All fair housing information and discrimination complaint forms will be included in the voucher holder's briefing packet.

Except as otherwise provided in 24 CFR §8.21(c)(1), §8.24(a), §8.25 and §8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Authority's facilities are inaccessible to or unusable by persons with disabilities.

1.7 OPERATING RESERVES

The Board of Commissioners shall establish the permitted uses of earned administrative fees at the time of the Annual Consolidated Operating Budget approval. The approval shall consist of the use of administrative fees for the Housing Choice Voucher Program (Section 8) administration.

The Board of Commissioners must approve the expenditure of Section 8 operating reserves in excess of \$50,000. The Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$49,999. The Assistant Executive Director may authorize allowable use of Section 8 operating reserve funds not in excess of \$30,000.

1.8 SERVICE POLICY **[24 CFR §8.24]**

This policy is applicable to all situations described in this Administrative Plan when a family initiates contact with the Housing Authority, when the Housing Authority initiates contact with a family including when a family applies, and when the Housing Authority schedules or reschedules any kind of appointments.

It is the policy of the Housing Authority to be service-directed in the administration of its rental assistance programs, and to exercise and demonstrate a high level of professionalism while providing housing services to all families.

The Housing Authority's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services.

1.8.1 Providing Greater Accessibility to Persons with Disabilities

The Housing Authority provides reasonable accommodations to persons with disabilities. The following is a non-exhaustive list of reasonable accommodations that may be available to a disabled person:

1. Providing office facilities which meet the requirements of Federal, State and local law with regard to accommodations for persons with disabilities;
2. Providing notice to applicants and participants that they may request reasonable accommodation of the Housing Authority if a family member is a person with a disability;
3. Allowing the assistance of mechanical or electronic devices by applicants and participants as may be needed to facilitate communication at appointments;
4. Providing assistance in completing forms and other documents which are required by program regulations;
5. Encouraging families to seek assistance from outside agencies in the completion of forms and documents required by the program;

6. Providing reasonable extensions of time for the completion of program requirements to the extent not prohibited by HUD regulations;
7. Providing extensions to the amount of time a family has to search for a unit with their voucher (see section 8.7.3);
8. Conducting in-home visits (or, where appropriate, telephone interviews) for persons who are unable to travel to Housing Authority offices due to medical conditions;
9. Maintaining Telecommunication Devices for the Deaf (TDD) phone services and publicizing their availability;
10. Providing an American Sign Language interpreter at the request of clients with a hearing impairment;
11. Providing documents in Braille, upon request;
12. Providing program documents in large font sizes upon request and/or an appropriate meeting or conference room to accommodate a service animal for persons with visual impairments;
13. Requesting HUD approval of an exception to the Fair Market Rent (FMR) or the Voucher Payment Standard, at the family's request, if a family contains a member with a disability and has a verifiable need to rent an accessible or otherwise appropriate specific unit in a specific area, but only if the unit meets the rent reasonableness requirements of the program;
14. Allow advocates to provide information as needed, but only with the permission of the person with the disability.

The following is a list of actions Housing Authority will take to affirmatively further fair housing for disabled persons. The Housing Authority is not limited only to those actions listed below to affirmatively further fair housing and may take other actions when deemed necessary and reasonable:

1. Actively and consistently examining the Housing Authority's programs, and proposed programs to identify any impediments to fair housing choice within the programs;
2. Resolving impediments to fair housing choice in a reasonable and timely fashion given resources available;
3. Soliciting information on the accessibility of owners' units to persons with disabilities and providing information on amenities the unit may provide persons with disabilities;
4. Providing a free internet-based housing search that lists available, accessible units;
5. Soliciting the assistance of outside agencies to provide services to persons with disabilities and to assist persons with disabilities in meeting the requirements of the Section 8 and other assisted housing programs;

6. Actively working with the County and participating cities to implement any initiatives to affirmatively further fair housing where involvement by the Housing Authority is necessary;
7. Providing to its Section 8 landlords information concerning their legal obligations to permit “reasonable modifications” to a rental unit at the participant’s expense if the family has a member with a disability and if the modification is necessary for the person with a disability to fully enjoy the unit;
8. Requiring all outside agencies who have agreements or contracts with the Housing Authority to abide by Federal, State and local laws and ordinances which require accommodation for persons with disabilities and not to reject any applicant or participant on the basis of a disability;
9. Providing training to all employees on how to accommodate applicants and participants with disabilities.

The Housing Authority will maintain documentation of all efforts to affirmatively further fair housing.

1.8.2 Requests for Reasonable Accommodation **[24 CFR §8.28]**

The Housing Authority is required to make reasonable adjustments to rules, policies, practices and procedures of its programs, in order to enable a disabled applicant or participant to have an equal opportunity to use and enjoy their unit, including common areas, and to comply with program obligations.

The Housing Authority approves reasonable accommodation requests on a case-by-case basis, upon determination that:

- The requested accommodation is reasonable (i.e., it does not result in a fundamental alteration in the nature of the program or an undue financial and administrative burden), and
- There is an identifiable relationship between the requested accommodation and the individual’s disability.

Requests for reasonable accommodation do not have to be made in writing, however it is preferred if the request is in writing to ensure the request is understood by all parties. Most requests for accommodation are verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability (see Chapter 7 for Verification of Reasonable Accommodations). Families requesting a reasonable accommodation will be notified in writing of the decision.

1.8.3 Persons with an Obvious and/or Visible Disability

Most reasonable accommodation requests are considered in accordance with the policies found in section 7.10.10. However, in accordance with the Joint Statement of the Department of Housing and Urban Development and the Department of Justice regarding Reasonable Accommodations under the Fair Housing Act, dated May 17, 2004 an Assistant Manager, Manager, Director or

the ADA/504 Coordinator in the Assisted Housing Division may approve a family member's self-certification of a need for a reasonable accommodation but only if:

- 1) The individual has an obvious and/or visible disability (such as an individual who regularly uses a wheelchair or an individual with a hearing or visual impairment);
- 2) The accommodation requested is clearly related to the individual's disability (for example, a hearing-impaired person requests a sign language interpreter).

If the supervisor cannot determine whether there is a clear relationship (nexus) between the obvious disability and the need for an accommodation, the relationship (nexus) and need for the accommodation must be verified by a health care or service provider.

Supervisory staff must document the file with facts and reasoning to support acceptance of the family member's self-certification. The supervisor's approval of the self-certification takes the place of a third party verification of need for the accommodation.

1.8.4 General Guidelines for Exception Rents in Excess of the Regular Housing Authority Payment Standard.

Under no circumstances may a family initially rent a unit if the family share will exceed the affordability limits stipulated by HUD. A family may rent a unit with a lower payment standard amount while its request for an exception rent or payment standard is pending so long as the family share does not exceed the affordability limitation. If approval for an exception payment standard is provided after the start date of the HAP Contract, the payment standard is revised effective the first of the month following the date of the final written approval.

1.8.5 Exceptions Payment Standard (110% of the FMR or Less):

These exceptions may be granted only by a Manager or the Director of the Assisted Housing Division.

The rent for the unit must be reasonable. The family must have at least one member who qualifies as a person with a disability for the purpose of reasonable accommodation. The unit must in some specific way accommodate the disability, such as the unit's physical amenities (grab-bars, ramps, special features for the blind), structure (elevator building, ground floor unit), location (near a medical facility, place of treatment, school providing special education, close location to bus lines or other facilities) or because of other circumstances or needs attested to by the health care or service provider.

The need for the accommodation must be verified in accordance with section 7.10.10 of this Plan.

1.8.6 Exceptions in Excess of 110% of the FMR

All requests for exceptions to the payment standard which exceed 110 % of the Fair Market Rent must be reviewed and approved by the Director. The HUD Los Angeles Field Office must authorize all such exceptions in writing.

Approval of exception payment standards may occur only if the family share will exceed 40% of the family's Adjusted Monthly Income (AMI), and the resulting exception payment standard will be premised on the family continuing to pay 40% of AMI as the family share. The exception payment standards remain in effect until and unless a higher exception payment standard is warranted, requested and subsequently approved.

Requests above 120% of the FMR will require a HUD Headquarters waiver of 24 CFR 982.505 (d).

1.8.7 Payment Standard Exceptions During the Contract Term

During the term of a HAP Contract, the Housing Authority may provide an exception to the payment standard to allow the unit to remain affordable to the family so long as the unit provides an accommodation for the disability. The exception cannot be retroactive and cannot take effect until after the date of the Housing Authority's (or HUD's) written approval.

1.8.8 Denials & Terminations - Discretion to Consider Circumstances

In determining whether to deny admission or terminate assistance because of action or failure to act by members of the family, the Housing Authority may consider mitigating circumstances relating to the disability of a family member and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

If the family includes a person with a disability, the Housing Authority's decision concerning termination or denial is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

1.8.9 Re-verifying the Need for Reasonable Accommodations

Once the need for a reasonable accommodation has been verified, staff does not re-verify the need for reasonable accommodation except when there is another change in circumstances.

Examples:

- A live-in aide leaves the household,
- A disabled person leaves the household,
- A family member listed as disabled can no longer verify s/he is disabled,
- At inspection no medical equipment is observed in an additional room granted as an accommodation to store or use the equipment,

- The health care or service provider approving a need for a live-in aide or other reasonable accommodation has indicated that the need or the disability will be of short duration,
- The family member loses his/her disabled status, for example when a person on State disability returns to work.

1.8.10 Resolving Complaints Regarding Reasonable Accommodation

Complaints or issues regarding the provision of reasonable accommodation for a person with a disability which are not resolved by the case manager are referred to the Assisted Housing Division ADA/Section 504 Coordinator who provides a preliminary review, conducts investigations, and resolves complaints and issues determinations.

1.9 LIMITED ENGLISH PROFICIENCY

In accordance with Executive Order 13166, the Housing Authority will provide meaningful access to its programs and activities by persons with Limited English Proficiency (LEP) and undertake reasonable efforts to provide or arrange free language assistance for LEP beneficiaries or potential beneficiaries of the Housing Choice Voucher program and all other programs administered by the Assisted Housing Division.

1.10 MEANINGFUL ACCESS; FOUR-FACTOR ANALYSIS

Meaningful access is free language assistance in accordance with federal guidelines. The Housing Authority will annually assess and update the following four-factor analysis:

1. The number or proportion of LEP persons eligible to be served or likely to be served by the Housing Authority.
2. The frequency with which with LEP persons using a particular language come into contact with the Housing Authority.
3. The nature and importance of the Housing Authority program, activity or service to the person's life.
4. The Housing Authority's resources and the cost of providing meaningful access.

1.11 LANGUAGE ASSISTANCE

A person who does not speak English as their primary language AND who has a limited ability to read, write, speak or understand English may be a Limited English Proficient (LEP) person and may be entitled to language assistance with respect to the programs and activities of the Housing Authority.

Language assistance includes interpretation, which means oral or spoken transfer of a message from one language into another language; and/or translation, which means the written transfer of a message from one language

into another language. The Housing Authority will determine when interpretation and/or translation services are needed and are reasonable based upon the four-factor analysis.

Housing Authority staff will take reasonable steps to provide language assistance to LEP applicants and participants who have difficulty communicating in English. The Housing Authority will provide the language assistance in the LEP individual's preferred language upon request.

The Housing Authority will periodically assess the necessity for language assistance based on the frequency of requests for interpreters and/or translation, as well as the literacy skills of applicants and participants.

1.12 TRANSLATION OF DOCUMENTS

The Housing Authority will consider the following factors in determining whether a document requires translation:

- a. The document meets the threshold of a "vital document". Per the HUD guidance, "vital documents" are those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically.
- b. The costs and benefits of translating documents for potential LEP groups, the barriers to meaningful translation or interpretation of technical housing information, the likelihood of frequent changes in documents, the existence of multiple dialects within a single language group, the literacy rate in an LEP group and other relevant factors. The Housing Authority will undertake this examination when an eligible LEP group constitutes 5 percent of an eligible group of beneficiaries or potential beneficiaries (for example, 5 percent of households receiving Section 8 assistance) or 1,000 persons, whichever is less.

In consideration of the above, the Housing Authority will begin to identify all vital documents that need to be translated. The Housing Authority will then translate a portion of those documents identified every year as financially feasible.

As opportunities arise, the Housing Authority may work with other local public housing authorities (PHAs) to share the costs of translating common documents.

As HUD continues to translate standard housing documents in multiple languages, the Housing Authority will replace its translated versions with the official HUD versions.

The Housing Authority will consider technological aids such as Internet-based translation services, which may provide helpful, although perhaps not authoritative, translations of written materials.

1.12.1 Audiovisual Materials

The Housing Authority will make reasonable efforts to produce multiple translations of audiovisual materials it may use to inform or educate applicants,

participants and other client groups. For example, the Housing Authority provides interpreters at Resident Advisory Board meetings.

1.12.2 Formal Interpreters

To provide meaningful access for LEP applicants and participants, the Housing Authority will provide qualified interpreters, including agency bilingual staff and outside vendors, on an as-needed basis. At important stages that require one-on-one contact, written translation and verbal interpretation services will be provided, consistent with the four-factor analysis.

The Housing Authority may require an interpreter to certify that he/she understood the matter communicated and rendered a competent interpretation.

Qualified interpreters shall be used at the following:

- a. Voucher issuance briefings;
- b. Informal hearings for termination of assistance;

A Housing Authority staff interpreter may not be a subordinate to the person making the decision.

The Housing Authority maintains a list of qualified, bilingual employees who have applied for, and tested for proficiency in languages used by clients. Those employees receive additional compensation for demonstrating non-English language proficiency and can provide limited assistance to Housing Authority staff and LEP clients as part of their regular job duties.

1.12.3 Informal Interpreters

Informal interpreters may include the family members, friends, legal guardians, service representatives or advocates of the LEP individual. Housing Authority staff will determine whether it is appropriate to rely on informal interpreters, depending upon the circumstances and subject matter of the communication. However, in many circumstances, informal interpreters, especially children, may not be an appropriate option to provide accurate interpretations. There may be issues of confidentiality, competency or conflict of interest.

A LEP person may use an informal interpreter of his/her own choosing and at his/her expense, either in place of or as a supplement to the free language assistance offered by the Housing Authority. If possible, the Housing Authority will accommodate a LEP individual's request to use an informal interpreter in place of a formal interpreter.

If a LEP individual prefers an informal interpreter, after the Housing Authority has offered free interpreter services, the informal interpreter may interpret. In these cases, the LEP individual and interpreter may be asked to sign a waiver refusing interpreter services.

If a LEP individual wants to use his/her own informal interpreter, the Housing Authority reserves the right to also have a formal interpreter present.

1.12.4 Outside Resources

Outside resources may include community volunteers or Housing Choice Voucher participants.

Outside resources may be used for interpreting services at public or informal meetings or events if a timely request has been made.

The Housing Authority will establish and maintain relationships with organizations that assist specific cultural and ethnic groups living in Los Angeles County. To help their clients obtain or keep housing assistance through the Housing Authority, these organizations may provide qualified interpreters for LEP persons.

1.13 MONITORING

The Housing Authority will review and revise this LEP policy annually. The review will include:

- a. Reports from the Housing Authority's software system on the number of LEP clients, to the extent that the software and staff data entry can provide such information. Such reports may be supplemented by staff observations.
- b. A determination as to whether 5 percent or 1,000 persons from Housing Authority-administered programs or the waiting list speak a specific language, which triggers consideration of document translation needs as described above.
- c. Analysis of staff requests for contract interpreters: number of requests, languages requested, costs, etc.

1.14 LEP PLAN DISTRIBUTION AND TRAINING

The LEP Plan will be:

1. Distributed to all Housing Authority staff.
2. Available at the Housing Authority's Administrative Office.
3. Posted on the Housing Authority's website at www.hacola.org.
4. Explained in orientation and training sessions for supervisors and other staff who need to communicate with LEP clients.

1.15 FAMILY OUTREACH

Each time the Housing Authority enters into an Annual Contributions Contract (ACC) with HUD for new Section 8 existing units, it will be publicized in accordance with the specification in the criteria of the Equal Opportunity Housing

Plan. The Housing Authority's waiting list will remain open on a continuous basis for the foreseeable future.

The Housing Authority will communicate the status of housing availability to other service providers in the community; advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

Information regarding the program directed at prospective applicants/tenants will be disseminated in accordance with Equal Opportunity Housing Plan and HUD guidelines for fair housing.

1.16 OWNER OUTREACH **[24 CFR §982.54(d)(5)]**

The Housing Authority encourages owners of decent, safe and sanitary housing units to lease to families participating in its rental assistance programs. The Housing Authority maintains and regularly updates a list of interested landlords and available units for its rental assistance programs. When listings from owners are received, they are compiled by Housing Authority staff and made available through the phone hotline, by mail, or by Internet at www.hacola.org.

Ongoing marketing efforts to recruit suburban owners for participation include, but are not limited to:

1. Brochures for owners;
2. Realty Board presentations;
3. Apartment Owner Association presentations;
4. Community Center presentations; and
5. Presentation to organizations serving the disabled and other similar organizations.

The Housing Authority periodically evaluates the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted. Special outreach efforts will be used in order to encourage participation of those groups who would not normally apply or participate.

1.17 PRIVACY RIGHTS **[24 CFR §5.212]**

Applicants and participants, including all adults in each household, are required to sign the HUD-9886 Form (Authorization for the Release of Information). This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

A statement of the Housing Authority's policy on release of information to prospective landlords will be included in the briefing packet that is provided to the family.

The Housing Authority's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files are stored in a secure location that is only to be accessed by authorized staff.

Housing Authority staff will not discuss family information contained in files unless there is a business or legal reason to do so. Inappropriate discussion of family information or improper disclosure of family information will result in disciplinary action.

1.18 MONITORING PROGRAM PERFORMANCE
[24 CFR §985]

In order to ensure quality control, supervisory staff will review the following functions:

1. 10 percent of all work completed by their staff, and
2. 100 percent of work completed by new staff for a minimum of 30 calendar days.

The Housing Authority's Quality Assurance Unit conducts audits of:

1. 5 percent of annual re-examinations/interim re-examinations, and
2. Minimum Housing Quality Standards (HQS) quality control inspections as dictated by Section 8 Management Assessment Program (SEMAP) Indicator #5.

The Housing Authority's Program Enforcement/Investigations Unit uses credit checks, and other similar tools to ensure program integrity, on a case-by-case basis.

CHAPTER 2: ADMISSION ELIGIBILITY FACTORS AND APPLICANT REQUIREMENTS

2.1 INTRODUCTION [24 CFR §982.54(d)]

This chapter defines the criteria used by the Housing Authority to determine program eligibility, and the requirements that families and family members must meet in order to receive assistance under the program. This chapter also clarifies the circumstances that may lead to a denial of admission, and the process for notifying families if they are denied admission.

Family members being added to households that are currently receiving assistance are considered new applicants and are subject to the Housing Authority's admission and eligibility requirements.

The intent of these policies is to maintain consistency and objectivity in evaluating the eligibility of families who apply for the programs. The criteria listed in this chapter are the only factors used to review eligibility, to minimize the possibility of bias or discrimination. Selection shall be made without regard to race, color, creed, religion, sex, national origin, familial status, source of income, or disability/handicap.

2.2 ELIGIBILITY FACTORS AND REQUIREMENTS [24 CFR §982.201 and 24 CFR §982.552]

In accordance with HUD regulations, the Housing Authority has established the following eligibility criteria, which are detailed throughout this chapter. To be eligible for admission, an applicant family must:

1. Meet the definition of a "family;"
2. Be within the appropriate income limits;
3. Be a citizen, or a non-citizen with eligible immigration status [24 CFR §5.508]; and
4. Furnish and verify valid Social Security numbers for all family members [24 CFR §5.216].

The Housing Authority will also deny admission as follows:

1. If applicant fails to meet specified criteria regarding drug abuse and other criminal activity;
2. If applicant fails to submit required consent forms, or any other Housing Authority-required information to verify family eligibility, composition, or income (including birth certificates and valid state identification);
3. If applicant is in violation of other criteria listed in Section 2.8 of this chapter;
4. If the applicant is a member, officer or employee of the Housing Authority who formulates policy or influences decisions with respect to federally

funded rental assistance programs or a public official or a member of the local governing body or member of Congress; or

5. If applicant is a student enrolled in an institution of higher learning and meets all the criteria listed in Section 2.5 of this chapter.

The Housing Authority's procedures regarding notification and informal reviews for applicants who are denied assistance can be found at the end of this chapter.

2.3 FAMILY COMPOSITION **[24 CFR §982.201(c)]**

The applicant must qualify as a family. The Housing Authority defines a family as a single person or a group of persons as follows.

1. **An elderly family:** A family whose head, co-head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.
2. **A disabled family:** A family whose head, co-head, spouse, or sole member is a person with disabilities. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.
3. **The remaining member of a tenant family:** The remaining member of a tenant family will be reassigned another bedroom size voucher, provided there is funding available.

The remaining member of a tenant family does not include a live-in aide of the former family whose service was necessary to care for the well being of an elderly, disabled or handicapped head of household, co-head, or spouse and whose income was not included for eligibility purposes.

4. **A group of persons:** Two or more persons sharing residency, who are not categorized as an elderly or disabled family, whose income and resources are available to meet family needs. There must be a relation by blood, marriage or operation of law, or the group must provide evidence of a significant relationship determined to be stable by the Housing Authority.

The following is to be considered as relation by blood: mother, father, children, sibling, cousin, niece, nephew, aunt, uncle, grandfather and grandmother. A group of two could also be a single person who is pregnant or in the process of adopting or securing legal custody of any individual under the age of 18.

5. **A single person:** A person who lives alone, or intends to live alone, who is not categorized as elderly, disabled, or the remaining member of a tenant family.

A child who is temporarily away from home due to placement in foster care is considered a member of the family.

2.3.1 Stable Relationship

When the applicant group is not related by blood, marriage, or operation of law, the Housing Authority will require that the applicant group provide evidence of a stable relationship.

The Housing Authority defines a stable relationship as:

1. A relationship that has been in existence for a minimum of 6 months, and
2. The parties provide financial support for each other.

Acceptable documentation of a stable relationship includes lease agreements indicating that the parties have lived together for at least 6 months, utility bills, other joint bills and/or bank account(s) (need to provide for a 6-month period), and, on a case-by-case basis, letters from a social service provider or religious organization confirming the relationship.

2.3.2 Head of Household **[24 CFR §5.504]**

The head of household is considered to be the adult member of the household who is designated by the family or the Housing Authority as head, is wholly or partly responsible for paying the rent, to sign program-related documents, and has the legal capacity to enter into a lease under State/local law. However, since rental assistance is provided to the entire family, it is expected that every family member will uphold the Housing Authority's rules and regulations. Emancipated minors who qualify under State law will be recognized as head of household.

2.3.3 Spouse of Head

Spouse means the husband or wife of the head of household. The marriage partner who, in order to dissolve the relationship would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

2.3.4 Co-Head

A co-head is an individual in the household who is equally responsible for the lease with the head of household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

2.3.5 Live-In Aides **[24 CFR §982.316 and 24 CFR §5.403]**

A family may include a live-in aide if the live-in aide meets the following stipulations. The live-in aide:

1. Is determined by the Housing Authority to be essential to the care and well being of an elderly person or a person with a disability;
2. Is not obligated for the support of the person(s);
3. Would not be living in the unit except to provide care for the person(s); and

4. Must submit a signed Criminal Background Consent Form.

Note: Occasional, intermittent, multiple or rotating care givers do not meet the definition of a live-in aide. Live-in aides must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards. Therefore, regardless of whether these caregivers spend the night, an additional bedroom should not be approved.

A live-in aide is different from a family member in the following:

1. An aide's income will not be used to determine eligibility of family;
2. An aide is not subject to citizenship/eligible immigrant requirements;
3. An aide is not considered a remaining member of the tenant family, which means that they are not entitled to retain the voucher if the eligible family member(s) voluntarily leave the program, are terminated from the program, or have a voucher that expires.

Relatives are not automatically excluded from being live-in aides, but they must meet all the stipulations in the live-in aide definition described above to qualify for the income exclusion as a live-in aide.

A relative who does not qualify for income exclusion as a live-in aide may qualify for other exclusions, including if a family receives income from a state agency to offset the cost of services and equipment needed to keep a developmentally disabled family member at home. For a complete list of income exclusions, refer to Section 6.4 (Income Inclusions and Exclusions).

A live-in aide may only reside in the unit with the approval of the Housing Authority. The Housing Authority will require written verification from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, and/or disabled. The verification must include the hours of care that will be provided.

The live-in aide will be subject to a criminal background check and must meet the same standard as an applicant. Please see Section 2.8 (Screening for Drug Abuse and Other Criminal Activity) for more information.

With authorization from the assisted family, the landlord and the Housing Authority, a live-in aide may have a family member live in the assisted unit as long as it does not create overcrowding in the unit. The Housing Authority will not increase the family's subsidy to accommodate the family of a live-in aide.

2.3.6 Split Households Before Voucher Issuance

When a family breakup occurs while a family is on the waiting list due to divorce or legal separation, it is the responsibility of the two families to decide which will take the placement on the waiting list. If no decision or court determination is made, the Housing Authority will make the decision, taking into consideration the following:

1. Which family member applied as head of household;

2. Which family member retains the children or any disabled or elderly members;
3. Any restrictions that were in place at the time the family applied;
4. Role of domestic violence or any other infraction; and
5. Recommendation of social service agencies or qualified professionals.

2.3.7 Multiple Families in the Same Household

When families consisting of two families living together, (such as a mother and father, and a daughter with her own husband or children), apply together as a family, they will be treated as one-family unit.

2.3.8 Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51 percent of the time will be considered members of that household. If both parents on the waiting list are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

Where court orders exist and provide guidance on custody issues, the Housing Authority will follow the directives outline in the court documents.

2.4 INCOME LIMITATIONS **[24 CFR §982.201(b) and 24 CFR §5.603(b)]**

In order to be eligible for assistance, an applicant must be:

1. An extremely low-income family (a family whose gross annual income does not exceed 30 percent of the HUD-established median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area); **or**
2. A very low-income family (a family whose gross annual income does not exceed 50 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area).
3. A low-income family (a family whose gross annual income does not exceed 80 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area) who meets at least one of the following criteria:
 - i. Is “continuously assisted” (meaning the applicant has been receiving assistance under a program covered by the 1937 Housing Act, i.e. public housing); or
 - ii. Is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing; or
 - iii. Qualifies for assistance as a non-purchasing family residing in a HOPE 1 or HOPE 2 project; or

- iv. Qualifies for assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 24 CFR §248.101.

As required by HUD regulations, 75 percent of all new admissions will be required to meet the definition of an extremely low-income family. To achieve the required balance, it may be necessary to skip over an otherwise eligible family. If this occurs, families that have been skipped over will retain the time and date of application and will be admitted as soon as an appropriate opening becomes available.

Families whose annual incomes exceed the income limit will be denied admission and offered an informal review.

2.4.1 Income Limits for Other Programs

Periodically, HUD has provided funding to the Housing Authority for projects involving preservation opt-outs and/or the expiration of a project based Section 8 contract. HUD provides the income limits applicable to those projects through specific regulation. The Housing Authority will follow HUD directives in determining admissions for such programs.

2.5 ELIGIBILITY OF STUDENTS **[24 CFR §5.612]**

The student rule applies to all individuals enrolled as a full or part-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential, except for a student who is living with his/her parents who are applying for or receiving section 8 assistance.

No assistance shall be provided to any individual that meets the following criteria:

- Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
- Is under 24 years of age;
- Is not a veteran of the United States military;
- Is unmarried;
- Does not have a dependent child;
- Is not a person with disabilities, as such term is defined in section 3(b)(3)(F) of the United States Housing Act of 1937 and was not receiving assistance under such section 8 as of November 30, 2005; and
- Is not otherwise individually eligible (determined independent from his or her parents. See section 1.13 Terminology), or has parents, who individually or jointly, are not eligible on the basis of income to receive assistance.

Unless the student is determined independent from his or her parents, the eligibility of a student seeking assistance will be based on both the

student and the parents being determined income eligible for assistance or whether the student's parents, individually or jointly, are income eligible for assistance. Both the student's income and the parents' income must be separately assessed for income eligibility.

2.6 CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS
[24 CFR §982.201(a) and §982.203(b)(4) and §5.508]

Eligibility for assistance is contingent upon a family's submission of evidence of citizenship or eligible immigration status. In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Each family member, regardless of age, must submit a signed declaration of U.S. citizenship or eligible immigration status. The Housing Authority may request verification of the declaration according to verification guidelines detailed in Chapter 7.

The citizenship/eligible immigration status of each member of the family is considered individually before the family's status is defined.

This requirement does not apply to foster children or live-in aides.

2.6.1 Mixed Families
[24 CFR §5.504]

An applicant family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. A family that includes eligible and ineligible individuals is called a "mixed family." Mixed family applicants will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination.

2.6.2 No Eligible Members
[24 CFR §982.552(b)(4)]

The Housing Authority is required to deny admission if no member of the family is a U.S. citizen or eligible immigrant. Families will be provided the opportunity to appeal the decision in an informal review.

2.7 SOCIAL SECURITY NUMBER REQUIREMENTS
[24 CFR §5.216(a)]

Applicant families are required to provide verification of Social Security numbers for all family members prior to admission.. This requirement also applies to persons joining the family after the admission to the program. Individuals who were 62 years of age as of January 31, 2010 and who were determined eligible for the program on or before that date are exempt from this requirement. Individuals not contending eligible immigration status are also exempt from this requirement.

If the family is unable to comply with this requirement, they may retain their position on the waiting list. Families who refuse to furnish verification of Social Security numbers will be denied admission to the program.

2.8 SCREENING FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY **[24 CFR §982.552 – §982.553]**

This section describes the guidelines the Housing Authority has established for screening applicants for drug abuse and other criminal activity. The section includes HUD-required screening standards, as well as discretionary standards allowed by HUD. The Housing Authority will deny program admission if there is reasonable cause to believe that an applicant family has engaged in activity prohibited by these guidelines.

These guidelines apply to applicant families, and any new members being added to the household of a family currently participating in a rental assistance program administered by the Housing Authority. The Housing Authority also screens families transferring into its jurisdiction from other housing authorities, as authorized at 24 CFR §982.355(c)(9) and §982.355(c)(10).

2.8.1 Drug Abuse and Criminal History Screening Standards **[24 CFR §982.552(i) and §982.553(a)]**

The Housing Authority will prohibit program admission to households if any household member is found to have engaged in activities listed in this screening standards section. Applicants convicted of an act listed in this section are ineligible to receive assistance. However, the Housing Authority will consider the household eligible for rental assistance if the household member who committed the criminal act will not be a part of the assisted household; as long as all other admission requirements are met. The family may be required to submit written certification that the ineligible family member(s) will not reside in the household.

1. Applicant(s) previously evicted from federally assisted housing for drug-related criminal activity.

The Housing Authority is required to deny admission to the applicant or any household member evicted from public housing, Indian housing, Section 23, or any federally assisted housing program because of a drug-related criminal activity for a 3-year period beginning on the date of such eviction. However, the Housing Authority may waive the 3-year probation period if the person who committed the drug-related crime has successfully completed an approved supervised drug rehabilitation program after the date of the eviction or if the circumstances leading to the eviction no longer exist (i.e. the individual responsible for the original eviction is imprisoned or is deceased).

2. Applicant(s) convicted for the manufacture of methamphetamine on the premises of federally assisted housing.

The Housing Authority is required to deny admission if the applicant or any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

3. Applicant(s) currently engaging in the illegal use of a drug.

The Housing Authority is required to deny admission to an applicant or any household member who the Housing Authority determines is currently engaging in illegal use of a drug.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of illegal use of a drug by the applicant or any household member and that this pattern may threaten the health, safety, or right to peaceful enjoyment of the premises by others, regardless of whether the household member has been arrested or convicted.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in illegal drug use and have successfully completed a supervised drug rehabilitation program.

4. Applicant(s) subject to a lifetime sex offender registration requirement.

The Housing Authority is required to deny admission if the applicant or any household member is subject to lifetime registration as a sex offender under a state registration program, regardless of longevity of conviction or completion of any rehabilitative program.

5. Applicant(s) with a pattern of alcohol abuse.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of abuse of alcohol by the applicant or any household member and this pattern may threaten the health, safety, or peaceful enjoyment of the premises.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in the abuse of alcohol and has successfully completed a supervised alcohol rehabilitation program.

6. Applicant(s) currently engaging in, or who have engaged in criminal activities.

The Housing Authority shall deny admission if the applicant or any household member has been convicted for **any** of the following activities, for a period of 3 years following the date of conviction or end of incarceration (which ever is later), with no further arrest or convictions other than minor traffic violations:

1. Drug-related criminal activity;
2. Violent criminal activity (convicted perpetrators only);
3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; and
4. Other criminal activity which may threaten the health or safety of the owner or Housing Authority staff, contractor or subcontractors or vendors.

The Housing Authority may waive the 3-year period for drug-related criminal activity if the person provides sufficient evidence that they are no longer engaging in the illegal use of a controlled substance and have successfully completed a supervised drug rehabilitation program.

7. Applicant(s) engaging in fraud or bribery associated with any federal housing program.

The Housing Authority shall deny admission if the applicant or any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program. The Housing Authority may make an exception in determining admission if the family member(s) who participated or were culpable for the action do not reside in the assisted unit.

8. Applicant(s) have not completed parole or probation.

The Housing Authority shall deny admission if the applicant or any household member has not completed parole or probation, including summary probation.

2.8.2 Criminal Background Checks

[24 CFR §982.552 – §982.553, §5.903 – §5.905]

The Housing Authority requests a criminal background check for all applicant household members (including live-in aides) 18 years of age and older. The criminal background check is used as a factor in screening applicants for criminal activities that would prohibit admission to the Housing Authority's Section 8 rental assistance programs.

All adult members of an applicant household must submit a signed Criminal Background Consent Form [24 CFR §5.903(b)], authorizing the release of criminal conviction records from law enforcement agencies. Failure to sign the consent form will result in the denial of assistance.

A criminal conviction alone may or may not result in the denial of assistance. Factors such as disclosure, completion of a drug or alcohol rehabilitative treatment program, type and longevity of the conviction may also be taken into consideration.

The Housing Authority is additionally authorized by HUD to obtain access to sex offender registration information, in order to prevent program admission to any household member (including live-in aides and minors) subject to a lifetime sex offender registration under a State sex offender registration program.

2.8.3 Requests for Criminal Records by Owners of Covered Housing for the Purposes of Screening

[24 CFR §5.903(d)]

Owners of covered housing may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of screening applicants. The Housing Authority will charge a fee in order to cover costs associated with the review of criminal records. These costs could include fees charged to the

Housing Authority by the law enforcement agency and the Housing Authority's own related staff and administrative cost.

Owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for prohibiting admission of drug criminals in accordance with HUD regulations (§ 5.854 of 24 CFR Parts 5 et al.), and for prohibiting admission of other criminals (§ 5.855 of 24 CFR Parts 5 et al.).

Once the Housing Authority obtains criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for applicant screening. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria. If the owner's criteria conflicts with HUD regulations, the regulations will have precedence.

It is important to note that the Housing Authority will not disclose the applicant's criminal conviction record or the content of that record to the owner.

2.8.4 Request for Criminal Records by Section 8 Project-Based Owners for the Purposes of Lease Enforcement or Eviction

Section 8 project-based owners may request that the public housing agency in the location of the project obtain criminal conviction records of a household member on behalf of the owner for the purpose of lease enforcement or eviction. The owner's request must include the following:

1. A copy of the consent form, signed by the household member, and
2. The owner's standards for lease enforcement and evicting due to criminal activity by members of a household.

2.8.5 Confidentiality of Criminal Records [24 CFR §5.903(g)]

Criminal records received by the Housing Authority are maintained confidentially, not misused, nor improperly disseminated and kept locked during non-business hours. All criminal records will be destroyed no later than 30 calendar days after a final determination is made.

2.8.6 Disclosure of Criminal Records to Family

The applicant or family member requesting to be added to the household will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the

record at an informal review. Participants may contest such records at an informal hearing [24 CFR §982.553(d)].

2.8.7 Explanations and Terms **[24 CFR §5.100]**

The following terms are used to determine eligibility when an applicant or a family member is added to an already assisted household and is undergoing a criminal background check.

- **“Covered housing”** includes public housing, project-based assistance under Section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under Section 8.
- **“Drug”** means a controlled substance as defined in Section 102 of the Controlled Substance Act (21 U.S.C. 802).
- **“Drug-related criminal activity”** means the illegal manufacture, dispensation, distribution, sale, use or possession of illegal drugs, with the intent to manufacture, dispense, distribute, sell or use the drug.
- **“Pattern”** is defined as the use of a controlled substance or alcohol if there is more than one incident during the previous 12 months. “Incident” includes but is not limited to arrests, convictions, no contest pleas, fines, and city ordinance violations.
- **“Premises”** is the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.
- **“Sufficient evidence”** may include all or a number of personal certification along with supporting documentation from the following sources 1) probation officer; 2) landlord; 3) neighbors; 4) social service workers; 5) review of verified criminal records.
- **“Violent criminal activity”** means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. Violent criminal activity also includes activity within the family, such as during domestic disputes.

2.9 OTHER CRITERIA FOR ADMISSION **[24 CFR §982.552(c)]**

The Housing Authority is authorized to apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.

1. The family, or any household member, must not have violated any family obligations during a previous participation in a federally assisted housing program. The Housing Authority will review situations, on a case-by-case basis, for violations that are more than 5 years old.
2. The family, or any household member, must not have engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years had been evicted from a federally assisted housing program.

3. The family, or any household member, must not be a past participant of any Section 8 or public housing program who has failed to satisfy liability for rent, damages or other amounts to the Housing Authority or another public housing agency, including amounts paid under a HAP contract to an owner for rent, damages, or other amounts owed by the family under the lease.
 - On a case-by-case basis, the Housing Authority may provide the applicant the opportunity to repay any such debt in full as a condition of admissions. The Housing Authority will not enter into a repayment agreement for this purpose.
4. No family household member may have engaged in or threaten abusive or violent behavior toward Housing Authority personnel.
 - **“Abusive or violent behavior”** includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for denial of admission.
 - **“Threatening”** refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for denial.
5. The family, or any household member, must not supply false, inaccurate or incomplete information on any application for federal housing programs, including public housing and Section 8. The family may be denied for a period not to exceed 2 years from the date of such a determination by the Housing Authority that information which was provided was false, inaccurate or incomplete, provided that no further cause for denial exists [24 CFR §982.552(c)(2)(i)].

2.10 SUITABILITY OF FAMILY **[24 CFR §982.307(a)(2)]**

The Housing Authority may take into consideration any admission criteria listed in this chapter in order to screen applicants for program eligibility; however, it is the owner’s responsibility to screen applicants for family behavior and suitability for tenancy.

The Housing Authority will assist and advise applicants on how to file a compliant if they have been discriminated against by an owner.

2.11 DENYING ADMISSION TO INELIGIBLE FAMILIES **[24 CFR §982.201(f)(1) AND §982.552(A)(2)]**

Denial of assistance for an applicant family may include denying placement on the waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; and refusing to process or provide assistance under portability procedures.

Families from the waiting list who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review if they do not agree with the decision. This policy also applies to incoming families from other housing authorities that have not yet received assistance in the Housing Authority's jurisdiction. Please refer to Chapter 16 for more information on the informal review process.

CHAPTER 3: ADMINISTRATION OF THE WAITING LIST

3.1 INTRODUCTION **[24 CFR §982.54(d)(1)]**

This chapter describes the policies and procedures that govern the initial application, placement and denial of placement on the Housing Authority's waiting list. It is the Housing Authority's objective to ensure that the families are placed on the waiting list in the proper order so that an offer of assistance is not delayed to any family, or made to any family prematurely.

By maintaining an accurate waiting list, the Housing Authority will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

3.2 HOW TO REGISTER

Interested persons may apply online at www.hacola.org, or by calling the Housing Authority at (562) 347-4663 or (800) 731-4663.

3.2.1 Preliminary Registration Waiting List **[24 CFR §982.204(b)]**

All families wishing to receive rental assistance through a Housing Authority rental assistance program are initially placed on the Preliminary Registration Waiting List. This is essentially an interest list. Families are placed on the Preliminary Registration Waiting List according to the Housing Authority's local preferences and then by date and time of registration. Preliminary information regarding the family's address, income, family composition, and disability status is collected. However, this information is not verified until the family is placed on the Active Waiting List. Applicants receive a confirmation letter that their name has been placed on the Preliminary Registration Waiting List.

3.2.2 Active Waiting List

When the Housing Authority determines that there is sufficient funding to issue additional vouchers, a pool of potential new applicants is drawn from the Preliminary Registration Waiting List. Families move onto the Active Waiting List according to the Housing Authority's admission policies. Once a family has been placed on the Active Waiting List, they will be asked to complete an application and provide all the necessary income and eligibility forms. At this point, all information will be confirmed through a third-party. Families must meet all admissions requirements to be issued a voucher.

3.2.3 Change in Circumstances **[24 CFR §982.204(b)]**

Applicants are required to notify the Housing Authority in writing, within 30 calendar days, when their circumstances change, including any change of address, income or family composition.

3.3 APPLYING FOR SPECIAL PROGRAMS AND NON-HOUSING CHOICE VOUCHER PROGRAMS

To see a list of special programs, other non-Housing Choice Voucher Programs and the eligibility process, please refer to Chapter 18 (Special Programs).

3.4 SPECIAL ADMISSIONS

Applicants admitted under special admissions, rather than from the waiting list, are identified by codes in the automated system and are not maintained on separate lists.

Applicants who are admitted under targeted funding which are not identified as a Special Admission are identified by codes in the automated system and are not maintained on separate waiting lists.

3.4.1 Exceptions for Special Admissions [24 CFR §982.203]

If HUD awards the Housing Authority program funding that is targeted for specifically named families, the Housing Authority will admit these families under a special admission procedure. Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. They are not counted in the limit on non-Federal preference admissions. The Housing Authority maintains separate records of these admissions. The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells forecloses or demolishes the project;
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

3.4.2 Criminal Background Checks

Program applicants for all voluntary set-aside programs will require criminal background checks. Applicants for the Shelter Plus Care program will not be required to undergo criminal background checks. For more specific information on the applicant screening standards used by the Housing Authority when reviewing criminal records, please refer to Section 2.8 (Screening for Drug Abuse and Other Criminal Activity).

3.4.3 Opening the Waiting List
[24 CFR §982.206(a)]

When the Housing Authority opens its waiting list, it will give public notice by advertising in one or more of the following newspapers, minority publications, and media entities.

- Los Angeles Times
- La Opinion
- The Daily News
- International Daily News
- L.A. Sentinel
- Long Beach Press Telegram
- Eastern Group Publications
- The Wave
- The Daily Breeze

The Housing Authority's public notice will contain:

- The dates, times, and locations where families may apply;
- The programs for which applications will be taken;
- A brief description of the program(s);
- A statement that public housing residents must submit a separate application if they want to apply to a rental assistance program;
- Any limitations on who may apply; and
- The Fair Housing Logo.

The notice will provide potential applicants with information that includes the Housing Authority's telephone number, website address, location address, information on eligibility requirements, and the availability of local preferences, if applicable. The notice will be made in an accessible format to persons with disabilities if requested.

Additional time for submission of an application after the stated deadline will be given as a reasonable accommodation at the request of a person with a disability.

3.4.4 Criteria Defining Who May Apply
[24 CFR §982.206(b)(1)]

Upon opening the waiting list, the Housing Authority will disclose the criteria defining what families may apply for assistance under a public notice.

3.4.5 Closing the Waiting List
[24 CFR §982.206(c)]

When the Housing Authority closes the waiting list, the same advertising methods described above will be used.

Notification of impending closure will be provided to the public for a minimum of 30 calendar days.

3.5 TIME OF SELECTION
[24 CFR §982.204(d)]

When funding is available, families will be selected from the waiting list based on the Housing Authority's admission policies.

If the Housing Authority ever has insufficient funds to subsidize the unit size of the family at the top of the waiting list, the Housing Authority will not admit any other applicant until funding is available for the first applicant.

However, families may be skipped over to meet HUD-mandated income targeting requirements [24 CFR §982.201(b)]. See Section 2.4 (Income Limitations) for details.

3.6 CROSS-LISTING OF PUBLIC HOUSING AND SECTION 8 WAITING LISTS
[24 CFR §982.205(a)]

The Housing Authority does not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the Housing Authority must offer to place the family on the Section 8 waiting list. If the public housing waiting list is open at the time an applicant applies for Section 8 rental assistance, the Housing Authority must offer to place the family on the public housing waiting list.

3.7 REMOVING APPLICANTS FROM THE WAITING LIST AND PURGING
[24 CFR §982.204(c) and §982.201(f)(1)]

The Housing Authority is authorized to remove names of applicants who do not respond to requests for information or updates. An applicant who fails to respond to a Housing Authority mailing within the time frame indicated will be removed from the waiting list. An extension may be granted as a reasonable accommodation if requested by a person with a disability.

If a letter is returned by the Post Office, the applicant will be removed without further notice. The envelope and letter will be maintained in the file.

This policy applies to purging, in which a request for current information and confirmation of continued interest is mailed to all applicants, to ensure that the waiting list is current and accurate.

Notices will be made available in accessible format upon the request of a person with a disability.

Applicants who are removed from the waiting list for failure to respond are not entitled to reinstatement on the waiting list, unless:

- The Housing Authority verifies a family/health/work emergency, or
- The applicant failed to respond because of a family member's disability, or
- The applicant can provide verification or attest they were homeless at the time of the mailing.

Periodically, applicants will call to check their status on the waiting list and learn that they have been cancelled because mail was returned undeliverable. In extenuating circumstances, such as those listed above, the applicant may be reinstated. However, the applicant must be able to provide documentation of the circumstances. Such requests will be reviewed and decided on a case-by-case basis by the Applications and Eligibility Unit Supervisor.

3.8 APPLICATION POOL

The waiting list will be maintained in accordance with the following guidelines:

1. The application will be a permanent file;
2. Applications equal in preference will be maintained by date and time; and
3. All applicants must meet eligibility requirements outlined in Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

CHAPTER 4: ADMISSION PROCESS

4.1 INTRODUCTION

The policies outlined in this chapter are intended to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply. The primary purpose of the intake function is to gather information about the family so that an accurate, fair, and timely decision relative to the family's eligibility may be made. As such, applicants are placed on the waiting list in accordance with this plan.

4.2 APPLICATION PROCEDURES **[24 CFR §982.204(c)]**

Once the applicant is transferred from the Preliminary Registration Waiting List to the Active Waiting List, an application will be mailed to the applicant. The application is due back within 15 calendar days from the date it was mailed. If the application is returned undeliverable, the applicant will be cancelled from the waiting list (see section 3.7 for examples of exceptions to this rule).

Once an application is returned, the information provided by the applicant will be used to determine if the applicant is eligible for the program and any admissions preferences claimed..

If an applicant is ineligible based on the information provided on the application, or because they fail to return the documents by the due date, the applicant will be provided written notice of the reason for their disqualification and of their right to appeal the decision by requesting an informal review.

The application may capture the following information:

- Name of adult members and age of all members;
- Sex and relationship of all members;
- Street address and phone number;
- Mailing address;
- Amount(s) and source(s) of income received by household members;
- Information regarding disabilities relating to program requirements;
- Information related to qualification for preference(s);
- Social Security numbers;
- Race/ethnicity;
- Citizenship/eligible immigration status;
- Convictions for drug-related or violent criminal activity;
- Request for specific reasonable accommodation(s) needed to fully utilize program and services;
- Previous address;

- Current and previous landlords' names and addresses;
- Emergency contact person and address; and
- Program integrity questions regarding previous participation in HUD programs.

Applicants are required to inform the Housing Authority in writing within 30 calendar days of effective date of any changes in family composition, income, and address, as well as any changes in their preference status. Applicants must also comply with requests from the Housing Authority to update information. However, exceptions to this requirement may be found in section 3.8.

4.2.1 Interview Sessions/Mailings

The Housing Authority may use both mailing and interview sessions to obtain income, asset and family composition information from applicants.

4.2.2 Request for Information via Mail

During times of high activity, the Housing Authority will mail income and asset forms or an application to applicants. Applicants will be given 15 calendar days to complete and return all required forms. If forms are not returned in a timely manner, the applicant will receive a final notice. The final notice will provide an additional 15-day grace period. If the required forms are not returned, as specified, the application will be cancelled. The Housing Authority will provide additional time as a reasonable accommodation and in special circumstances such as an illness and/or death in the family.

4.2.3 Application Interview Process

During times for regular activity (average volume), the Housing Authority utilizes a full application interview to discuss the family's circumstances in greater detail, to clarify information that has been provided by the applicant, and to ensure that the information is complete.

Applicants are given two opportunities to attend an interview session. If the applicant does not respond to the second invitation, the application is cancelled. Housing Authority will allow for a third interview appointment as a reasonable accommodation and in special circumstances such as illness. An applicant may also request that the Housing Authority assign someone to conduct the interview at the applicant's home, as a reasonable accommodation.

All applicants must complete the following requirements [24 CFR §982.551(b)(1)(iii)].

1. At minimum, the head of household must attend the interview. The Housing Authority requests that all adult members of the applicant family attend when possible. This assures that all members receive information regarding their obligations and allows the Housing Authority to obtain signatures on critical documents quicker.

2. All adult members of the applicant family must sign the HUD-9886 Form (Authorization for the Release of Information), and all supplemental forms required by Housing Authority.
3. Citizen declaration forms must be completed for all applicant family members, regardless of age.
4. All adult members of the applicant family must complete and sign a Criminal Background Consent/Acknowledgment Form.
5. Identification information for all members of the applicant family such as birth certificates, valid driver's licenses or State (Department of Motor Vehicles) ID cards, whichever is applicable based on the age of the family member, must be submitted for all members of the household regardless of age.

Information provided by the applicant will be verified, including citizenship status, full-time student status and other factors related to preferences, eligibility and rent calculation. Verifications must not be older than 60 calendar days at the time of issuance.

If they are requested, exceptions for any of the above listed items will be reviewed on a case-by-case basis. Exceptions will be granted based upon hardship. Reasonable accommodations will be made for persons with disabilities. In these cases, a designee will be allowed to provide some information, but only with permission of the person with a disability.

Under both processes, all local preferences claimed on the application while the family is on the waiting list will be verified. Preference is based on current status, so the qualifications for preference must exist at the time the preference is verified, regardless of the length of time an applicant has been on the waiting list.

4.2.4 Secondary Reviews/Credit Reports **[24 CFR §982.551(b)(1)]**

The Housing Authority may retrieve credit reports for applicants and participants on a case-by-case basis. The information contained in the credit report will be used to confirm the information provided by the family. Specifically, the credit report will be used to confirm:

- **Employment**: A credit report will list any employers that the applicant has listed in any recent credit applications. If the credit report reveals employment, for any adult household member, within the last 12 months that was not disclosed, the family will be asked to provide additional documents to clear up the discrepancy. Failure to disclose current employment may result in cancellation of the family's application.
- **Aliases**: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.
- **Current and previous addresses**: A credit report can provide a history of where the family has lived. This is particularly important because the

Housing Authority provides a residency preference. If the family has provided one address to the Housing Authority and the credit report indicates a different address, the family will be asked to provide additional proof of residency. This may include a history of utility bills, bank statements, school enrollment records for children, credit card statements or other relevant documents. Failure to provide adequate proof will result in the denial of a residency preference.

- **Credit card and loan payments**: A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in termination of the application.
- **Multiple Social Security numbers**: A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

A family will not be issued a voucher until all discrepancies between the information provided by the applicant family, and the information contained in the credit report have been cleared by the applicant family.

When discrepancies are found, the family will be contacted by telephone or by mail. In most cases, the family will be allowed a maximum of 15 calendar days to provide the additional documentation. On a case-by-case basis, as a reasonable accommodation, the family may be granted additional time. If additional time is granted, the family will receive a letter confirming the new deadline. No additional extension will be granted thereafter.

When the credit report reveals multiple discrepancies that are not easily communicated over the telephone, the Housing Authority will set up a face-to-face interview with the applicant. The Housing Authority will schedule up to two interview appointments. An additional interview may be scheduled as a reasonable accommodation. Failure to appear at the interview session will result in cancellation of the application.

Additionally, failure to provide the necessary information will result in cancellation of the application.

4.3 LOCAL PREFERENCES **[24 CFR §982.207]**

The Housing Authority will apply a system of local preferences in determining admissions for the program. All preferences will be subject to the availability of

funds and all applicants will be required to meet all eligibility requirements. In accordance with California Health and Safety Code §34322.2, the Housing Authority will give priority to families of veterans and members of the armed forces in each of the categories below. Local preferences are weighted highest to lowest, in the following order:

1. **Set-Aside, Targeted, and Special Programs** : Families who qualify for Set-Aside, Targeted, or Special Programs administered by the Housing Authority will be admitted before all other eligible applicants or applicants on the waiting list. Referral may be made by County agencies with a contract or Memorandum of Understanding in place, or by contracted CBO's up to and not to exceed the number of vouchers specified in the contract.
2. Families previously assisted by the Housing Authority whose assistance was terminated due to insufficient funding.
3. Families who live or work in the jurisdiction in the following categories that are subject to the approval by the Executive Director:
 - **Victims of Declared Disasters**: An admissions preference may be given to bona fide victims of declared disasters, whether due to natural calamity (e.g. earthquake), civil disturbance, or other causes recognized by the federal government. Victims must provide documentation to receive an admissions preference. Admissions preference may only be given within the allotted timeframe established by the federal government. If HUD provides specific funding, the Housing Authority will not exceed the allocated amount.
 - **Displacement Due to Government Actions**: Families or individuals who are certified as displaced due to the action of a federal government agency or local government agencies may be given an admissions preference.
 - **Referrals from law enforcement agencies**: The Housing Authority may distribute application forms and may issue a voucher to families or single persons that are referred by law enforcement agencies. The types of referrals that will be considered include, but are not limited to:
 - Victims of domestic violence,
 - Involuntarily displaced to avoid reprisals, or
 - Displaced due to being a victim of a hate crime.Law enforcement referrals must be made in writing, on law enforcement agency letterhead, and signed by the requesting officer and his or her immediate supervisor. Eligibility, including background checks will be confirmed for all members.
4. **Jurisdictional Preference**: Families who live and/or work in the Housing Authority's jurisdiction will be admitted before families outside of the Housing Authority's jurisdiction.

Date and Time of Registration: Families will be selected from the waiting list based on the preferences for which they qualify, and then by date and time.

4.3.1 Verification of Preferences

[24 CFR §982.207(e)]

Residency Preference: For families who are residing in the Housing Authority's jurisdiction at the time of selection from the waiting list, or have at least one adult member who works or has been hired to work in the Housing Authority's jurisdiction.

- In order to verify that an applicant is a resident, the Housing Authority will require documentation of residency as shown by the following documents: current rent receipts, leases, utility bills, employer or agency records, school records, driver's licenses, state identification or credit reports.
- In cases where an adult member of the household works or has been hired to work in the Housing Authority's jurisdiction, a statement from the employer will be required.

Veteran's Preference: Acceptable documentation regarding veteran's status will include a DD-214 (discharge documents), proof of receipt of veteran's benefits, or documentation from the Veteran's Administration.

4.3.2 Final Verification of Preferences

[24 CFR §982.207(e)]

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, the Housing Authority will obtain necessary verifications of preference at the interview and by third-party verification.

4.3.3 Preference Denial

If the Housing Authority denies a preference, the Housing Authority will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review. The applicant must request for an informal review in writing within 15 calendar days from the date of the notification. The request should also provide all information and documents supporting the applicant's request. If the preference denial is upheld as a result of the informal review, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, or for any other reason, they will be removed from the waiting list.

4.4 DENIAL OF ASSISTANCE

[24 CFR §982.204(c)(1) and §982.204(f)(1) §982.552]

If an application is denied due to failure to attend the initial and final interviews, or for failure to provide eligibility related information, the applicant family will be notified in writing and offered an opportunity to request an informal review. If the applicant misses two scheduled meetings, the Housing Authority will cancel the application and remove the applicant's name from the waiting list.

The Housing Authority may at any time deny program assistance to an applicant family because of actions or failure to act by members of the family such as any member of the family to sign and submit consent forms for obtaining information.

The Housing Authority will not deny admission of an applicant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for admission.

4.5 FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY
[24 CFR §982.301]

If the applicant family is determined to be eligible after all applicable paperwork has been reviewed, they will be invited to attend a briefing session at which time they will receive information regarding their rights and responsibilities and they will be issued a voucher. See Chapter 8 (Voucher Issuance and Briefings) for more detail information.

CHAPTER 5: SUBSIDY STANDARDS

5.1 INTRODUCTION **[24 CFR §982.402(a)]**

Program regulations require that the Housing Authority establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. Such standards must provide for a minimum commitment of subsidy while avoiding overcrowding. The standards in determining the voucher size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS).

This chapter lays out the factors used in determining the voucher size issued to a family initially and when there is a move to a new unit, as well as the Housing Authority's procedures for handling changes in family size, selection of unit size that are different from the voucher size and requests for waivers.

5.2 DETERMINATION OF VOUCHER SIZE **[24 CFR §982.402]**

Subsidy standards and determination of voucher bedroom size are based upon the number of family members who will reside in the assisted dwelling unit. All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The unit size on the voucher remains the same as long as the family composition remains the same.

As required by HUD, the Housing Authority's subsidy standards for determining voucher size shall provide for the smallest number of bedrooms needed to house a family without overcrowding. They will be applied consistently for all families of like size and composition, in a manner consistent with fair housing guidelines and HQS.

In accordance with HUD regulations, the unit size designated on the voucher should be assigned using the following Housing Authority subsidy standards, which are based on two persons per bedroom:

<u>Number of Household Members</u>	<u>Number of Bedrooms</u>
1-2	1- bedroom
3-4	2- bedroom
5-6	3- bedroom
7-8	4- bedroom
9-10	5- bedroom
11-12	6- bedroom

1. At issuance, the bedroom size assigned should not require more than two persons to occupy the same bedroom. The family may choose and live within a suitable unit in any grouping that is acceptable to the family, including using the living room for sleeping purposes.
2. Every household member is to be counted as a person in determining the family unit size [24 CFR §982.402(a)(4)-(6)]. Under this definition, household members include the unborn child of a pregnant woman; any live-in aides (approved by the Housing Authority to reside in the unit to care for a family member who is disabled or is at least 50 years of age); a full-time student who is away from the home attending school but who spends school recess in the unit, and a child who is temporarily away from the home because of placement in foster care. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

Note: An approved live-in aide is counted in determining the voucher size. Occasional, intermittent, multiple, or rotating care givers do not meet the definition of a live-in aide. A live-in aide must reside with a family permanently for the family unit size to be adjusted in accordance with the subsidy standards [24 CFR 982.402(7)].
3. An additional bedroom may be assigned if approved under a waiver by the Housing Authority (see Section 5.3 below).
4. If the family decides to move, the Housing Authority will issue a voucher based on the family's current composition.

5.2.1 Maximum Unit Occupancy

In cases where an additional person(s) joins the family and the family will continue to occupy the same rental unit, i.e. no move is involved; the Housing Authority may require the family to use the living room for sleeping purposes for no more than one person provided that the unit meets other HQS.

Changes to household composition must be made according to Housing Authority policy detailed in Section 12.5 (Changes in Family Composition).

The maximum occupancy as determined by the Housing Authority is as follows:

<u>Number of Bedrooms</u>	<u>Maximum Occupancy</u>
1- bedroom	3
2- bedroom	5
3- bedroom	7
4- bedroom	9
5- bedroom	11
6- bedroom	13

The Housing Authority will not increase the family's voucher size due to additions where the family will continue to occupy the same unit, unless the family was

residing in a unit larger than the voucher size. The appropriate voucher size will be applied no later than the annual reexamination.

The family may be required to move into a larger size dwelling unit if the Housing Authority determines that the family is overcrowded and a larger voucher will be issued to the family.

5.3 OCCUPANCY STANDARDS WAIVER **[24 CFR §982.402(b)(8)]**

The standards discussed above should apply to the vast majority of assisted families. However, in some cases, the Housing Authority may grant exceptions to the subsidy standards. Examples of possible exceptions that may be justified include but are not limited to:

1. The health of a family member.
2. A reasonable accommodation to a disability.

Requests based on health-related reasons must be verified, in writing, by a doctor or other medical professional. The request must specify the reason for the request and how providing a larger bedroom size would improve or accommodate the medical condition.

A Unit Supervisor who has not been involved in the initial determination will review the request, any prior determination and make a decision based on the specifics of the individual case (on a case-by-case basis). After the decision is made, a letter notifying the applicant or participant of the decision regarding the waiver will be sent by the reviewing supervisor.

Requests made as a reasonable accommodation will follow the reasonable accommodation policy as outlined in sections 1.8.2 and 7.11.10.

To request a larger voucher size than indicated by the subsidy standards for any other reason, the family must submit a written request within 15 calendar days of the Housing Authority's determination of bedroom size. The request must explain the need or justification for a larger bedroom size.

5.4 EXCEPTIONS FOR FOSTER CHILDREN **[24 CFR §982.402(b)(8)]**

Exceptions will be made to accommodate foster children. The Los Angeles County Department of Family and Children Services (DCFS) has very specific housing guidelines that must be met by foster families. In order to assure that foster children are able to remain with designated Section 8 foster families, the Housing Authority will utilize the guidelines published by the Los Angeles County DCFS, or specified in a court order, in situations involving foster children.

5.5 FLEXIBILITY OF UNIT SIZE ACTUALLY SELECTED **[24 CFR §982.402(d)]**

The family may select a dwelling unit with a different size than that listed on the voucher:

- Larger than the voucher size: The Housing Authority shall not prohibit a family from renting an otherwise acceptable unit because it is too large for the family, provided that the rent for the unit is comparable and the family's total rent contribution (rent to the owner plus any applicable utility costs) does not exceed 40 percent of the family's adjusted monthly income (applies only if the gross rent for the unit exceeds the payment standard).
- Smaller than the voucher size: The Housing Authority will allow families to request a waiver to rent an otherwise acceptable unit with fewer bedrooms than the voucher size, if the unit does not exceed maximum unit occupancy requirements.

5.5.1 Calculating Assistance for a Different Unit Size

To determine the family's maximum rent subsidy, the Housing Authority uses the payment standard for the voucher size or the selected unit size, whichever is lower [24 CFR §982.402(c)].

The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's voucher [24 CFR § 982.517(d)]. The Housing Authority may grant a higher utility allowance as a reasonable accommodation for a disabled family member, following the policies and procedures referenced in sections 1.8.1, 1.8.2 and 7.11.10.

CHAPTER 6: DETERMINING THE TOTAL TENANT PAYMENT AND HOUSING AUTHORITY ABSENCE POLICY

6.1 INTRODUCTION

This chapter explains how the Total Tenant Payment (TTP) is calculated at admission and during annual re-examinations. It covers Housing Authority and HUD standards used to calculate income inclusions and deductions.

This chapter also provides the Housing Authority's definition of absence of household members and explains how the presence or absence of household members can affect the TTP.

The policies outlined in this chapter address those areas, which allow the Housing Authority discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

6.2 INCOME DEFINITIONS

- **Total Tenant Payment (TTP)**: represents the minimum amount a family must contribute toward rent and utilities regardless of the unit selected. The TTP is the greater of:
 - 30 percent of monthly adjusted income;
 - 10 percent of monthly gross income; or
 - The Housing Authority's minimum rent of \$50.
- **Income**: The Housing Authority will include income from all sources, unless otherwise specifically exempted [24 CFR §5.609(c)] through program regulations, for the purposes of calculating the TTP. In accordance with this definition, income from all sources of each member of the household is counted.
- **Annual Income [24 CFR §5.609(a)]**: The gross amount of income anticipated to be received by the family during the 12 months after certification or re-examination. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.
- **Adjusted Income [24 CFR §5.611]**: The annual income minus any HUD allowable deductions.

6.3 INCOME DEDUCTIONS [24 CFR §5.611(a)]

The following deductions will be applied in the TTP calculation:

- **Dependent Allowance**: \$480 each for family members (other than the head, co-head, or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled. This allowance does not apply to foster children.
- **Elderly Family or Disabled Family Allowance**: \$400 for families whose head, co-head, or spouse is 62 or over or disabled.
- **Childcare Expenses**: Deducted for children under 13, including foster children, when childcare is necessary to allow an adult member to work, search for work, or attend school (see below for details).
- **Allowable Medical Expenses**: Deducted for unreimbursed medical expenses for members of any elderly family or disabled family.
- **Disability Assistance Expenses**: Deducted for persons with disabilities if needed to enable the individual or an adult family member to work.

6.3.1 **Childcare Expenses** **[24 CFR §5.603(b) and 24 CFR §5.611(a)]**

Childcare expenses for children under 13 years of age may be deducted from annual income if they enable an adult to work, search for work, or attend school full time.

In the case of a child attending school, only care during non-school hours can be counted as childcare expenses.

Families will be given a childcare allowance based on the following guidelines:

1. **Childcare to Work**: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.
2. **Childcare to Search for Work**: Childcare expenses cannot exceed the current amount of income received.
3. **Childcare for School**: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).
4. **Amount of Expense**: The Housing Authority will determine local average costs as a guideline. If the hourly rate materially exceeds the guideline, the Housing Authority may calculate the allowance using the guideline.

6.3.2 **Medical Expenses** **[24 CFR §5.611(a)(3)(i)]**

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

The Housing Authority will allow as medical expense the actual out-of-pocket amounts which are owed and anticipated to be paid by the family during the re-examination period. Expenses from the previous year may be analyzed to determine the amount to anticipate when other verification is not available.

Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts.

Acupressure, acupuncture and related herbal medicines, and chiropractic services will be considered allowable medical expenses.

6.4 INCOME INCLUSIONS AND EXCLUSIONS

6.4.1 Income Inclusions **[24 CFR §5.609(b)]**

The Housing Authority considers the following to be included in the family's annual income, as required by HUD:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
- (4) The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, lotteries, disability or death benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of a periodic payment (but see paragraph (13) under Income Exclusions);
- (5) Payments in lieu of earnings, such as unemployment, worker's compensation, and severance pay (but see paragraph (3) under Income Exclusions);
- (6) Welfare Assistance.
 - a. Welfare assistance received by the household.

- b. The amount of reduced welfare income that is disregarded specifically because the family engaged in fraud or failed to comply with an economic self-sufficiency or work activities requirement.
 - c. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustments by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare income to be included as income shall consist of:
 - (i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;
- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from persons not residing in the dwelling;

Regular Contributions and Gifts [24 CFR §5.609(b)(7)]

Any contribution or gift received every 3 months or more frequently will be considered a "regular" contribution or gift from the same source. This includes payments made on behalf of the family such as payments for a car, credit card bills, rent and/or utility bills and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts.

If the family's expenses exceed its known income, the Housing Authority will question the family about contributions and gifts. If the family indicated that it is able to meet the extra expenses due to gifts or contributions from persons outside the household, the amount provided will be included in the family's TTP.

Alimony and Child Support [24 CFR §5.609(b)(7)]

If the amount of child support or alimony received is less than the amount awarded by the court, the Housing Authority must use the amount awarded by the court unless the family can verify that they are not receiving the full amount. Acceptable verification in such cases may include:

1. Verification from the agency responsible for enforcement or collection, and
2. Documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

- (8) All regular pay, special pay, and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is head of the family, co-head, spouse, or other person whose dependents are residing in the unit (but see paragraph (7) under Income Exclusions).
- (9) Any financial assistance, in excess of amounts received for tuition, that an individual received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for students who are living with their parents who are applying for or receiving assistance or persons over the age of 23 with dependent children. For the purpose of determining income, loan proceeds are not considered "financial assistance".
- (10) Any part of an athletic scholarship that can be used to cover housing costs must be included in the family's income.
- (11) The gross amount of Social Security (SS) and Supplemental Security Income (SSI) benefits.

6.4.2 Income Exclusions
[24 CFR §5.609(c)]

The Housing Authority considers the following to be excluded from the family's annual income, as required by HUD:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually individuals with disabilities, unrelated to the tenant family, who are unable to live alone);

Benefits received through the Kin GAP program, a California program designed specifically for foster children who have been placed in the home of a relative are considered foster care and should be excluded.

- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses (but see paragraph (5) under Income Inclusions);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide (as defined by regulation);
- (6) Subject to paragraph (9) in Income Inclusions, the full amount of student financial assistance paid directly to the student or to the educational institution;

- (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- (8) (a) Amounts received under training programs funded by HUD;
- (b) Amounts received by a person with disabilities that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
- (c) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
- (d) A resident service stipend. This is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the owner, on a part-time basis, that enhances the quality of life in the development. This may include, but is not limited to fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time; or
- (e) Incremental earnings and benefits resulting to any family member from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program.
- (9) Temporary, nonrecurring, or sporadic income (including gifts). For example, amounts earned by temporary census employees whose terms of employment do not exceed 180 days (Notice PIH 2000-1).
- (10) Reparations payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
- (11) Earnings in excess of \$480 for each full-time student 18 years or older (excluding the head of household, co-head, and spouse);
- (12) Adoption assistance payments in excess of \$480 per adopted child;
- (13) Deferred periodic payments of supplemental security income and social security benefits that are received in a lump-sum payment or in prospective monthly payments;
- (14) Amounts received by the family in the form of refunds or rebates under state or local law for property taxes paid on the dwelling unit;
- (15) Amounts paid by a state agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; and

- (16) Amounts specifically excluded by any other federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under the 1937 Act. A notice will be published in the Federal Register and distributed to PHAs identifying the benefits that qualify for this exclusion. Updates will be distributed when necessary. The following is a list of income sources that qualify for that exclusion:
- a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b));
 - b) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058);

**6.4.3 Earned Income Disallowance
[24 CFR §5.617]**

When determining the annual income of a participant family that includes persons with disabilities, the determination must exclude an increase in annual income due to any of the following events:

1. Employment by a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment.
 - A previously unemployed person is defined as a person who in the 12 months prior to employment has earned no more than would be received

for 10 hours of work per week for 50 weeks at the established minimum wage.

2. An increase in income by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency program or other job-training program.
 - An economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families.
3. New employment or increased earnings by a family member who is a person with disabilities and who has received TANF benefits or services within the past 6 months.
 - If TANF is received in the form of monthly monetary maintenance, there is no minimum amount that must be received to be considered a participant in TANF.
 - If TANF is received in the form of one-time payments, wage subsidies and transportation assistance that add up to at least \$500 over a 6-month period, they would meet this requirement.

6.4.4 Earned Income Disallowance Exclusion Time Periods **[24 CFR §5.617(c)]**

1. **Initial 12-Month Exclusion**: During the initial 12-month exclusion period, the full amount of the increase in income due to employment or increase earnings is excluded. This exclusion extends for 12 cumulative months and the months do not have to be consecutive.
2. **Second 12-Cumulative Months**: During the second 12-month exclusion and phase-in period, the exclusion is reduced to half, or 50 percent, of the increase in income due to employment or increased earnings. This second 12-month exclusion period begins after the full 12 months of the full exclusion has been used and the months do not have to be consecutive.
3. **4-Year Lifetime Limit**: A participant has a total lifetime limit of 48 consecutive months that begins once the initial exclusion is given after the qualifying event. No exclusion should be given after the lifetime limit has been reached.

6.5 FAMILY ASSETS **[24 CFR §5.603(b)]**

6.5.1 Included Assets

- (1) Amounts in savings and checking accounts.
- (2) Stocks, bonds, savings certificates, money market funds and other investment accounts.
- (3) Equity in real property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans

secured by the assets and reasonable costs (such as broker fees) that would be incurred in selling the assets.

In the absence of an estimate of liquidation costs or verification of actual liquidation costs from a real estate agent or broker, the Housing Authority will use a standard 8% of market value to determine such costs.

- (4) The cash value of trusts that may be withdrawn by the family.
- (5) IRA, Keogh and similar retirement savings accounts, even though withdrawal would result in a penalty.
- (6) Some contributions to company retirement/pension funds.

Contributions to company retirement/pension funds are handled as follows:

1. While an individual is employed, include as assets only amounts the family can withdraw without retiring or terminating employment.
2. After retirement or termination of employment, include any amount the individual elects to receive as a lump sum.

- (7) Assets, which although owned by more than one person, allow unrestricted access by the applicant.
- (8) Lump sum receipts such as inheritances, capital gains, lottery winnings, insurance settlements, and other claims.

Lump-sum additions to family assets, such as inheritances, insurance payments (including lump-sum payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included as income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

- (9) Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
- (10) Cash value of life insurance policies.
- (11) Assets disposed of for less than fair market value during the two years preceding certification or re-certification.

The Housing Authority must count assets disposed of for less than fair market value during the 2 years preceding certification or re-examination. The Housing Authority will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy, separation or divorce are not considered to be assets disposed of for less than fair market value.

The Housing Authority's minimum threshold for counting assets disposed of for less than Fair Market Value is \$5,000. If the total value of assets disposed of within a 1-year period is less than \$5,000, they will not be considered an asset.

6.5.2 Excluded Assets

- (1) Necessary personal property, except as noted in #9 above at Section 6.5.1.
- (2) Interest in Indian trust lands.
- (3) Assets that are part of an active business or farming operation.

If a household member's main occupation is the business from his/her rental property, the rental property is considered a business asset and therefore excluded. If a household member's rental property is considered a personal asset and held as an investment, it is considered an included asset.

- (4) Assets not controlled by or accessible to the family and which provide no income for the family.
- (5) Vehicles especially equipped for the disabled.
- (6) Equity in owner-occupied cooperatives and manufactured homes in which the family lives.

6.6 CALCULATING INCOME AND FAMILY CONTRIBUTION

6.6.1 "Minimum Rent" and Minimum Family Contribution **[24 CFR §5.630(a)(2)]**

Minimum family contribution in the Housing Authority's rental assistance programs is \$50 for all new contracts, including moves.

The Housing Authority will waive the minimum rent requirement in cases where the family documents that they do not currently have any source of income such as in the case of some homeless families. In such cases, the family will be re-evaluated in 6 months. All families are required to report changes in income within 30 calendar days.

6.6.2 Minimum Income

There is no minimum income requirement. Families who report zero income may be required to complete an interim re-examination periodically, up to once a quarter, at the Housing Authority's discretion.

**6.6.3 Averaging Income
[24 CFR §982.516(b)(2) and 24 CFR §5.609(d)]**

When annual income cannot be anticipated for a full 12 months, the Housing Authority may annualize current income and conduct an interim re-examination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next 12 months, bonuses and overtime received the previous year may be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

**6.6.4 Utility Allowance and Utility Reimbursement Payments
[24 CFR §982.517]**

The utility allowance is intended to help defray the cost of utilities not included in the rent and is subtracted from TTP to establish the family's rent to the owner. The allowances are based on rates and average consumption studies, not on a family's actual consumption. The Housing Authority will review the Utility Allowance Schedule on an annual basis and revise it if needed (10 percent increase or decrease).

The approved utility allowance schedule is given to families along with the voucher. The utility allowance is based on the actual unit size selected.

Where families provide their own range and refrigerator, the Housing Authority will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a 12-month period.

If the utility allowance exceeds the family's TTP, the Housing Authority will provide a utility reimbursement payment for the family each month. The check will be made out directly to the family's head of household on record.

**6.6.5 Reduction in Welfare Assistance
[24 CFR §5.615]**

The Housing Authority will impute (count) welfare income not received by the family, if the welfare assistance was reduced specifically because of:

- Fraud;

- Failure to participate in an economic self-sufficiency programs; or
- Noncompliance with a work activities requirement.

Imputed welfare income is the amount that welfare benefits are reduced.

Imputed welfare income is not included in the family's annual income, if the family was not assisted at the time of the welfare sanction.

The Housing Authority will include in the family's annual income the amount of the imputed welfare income plus the total amount of other annual income and the family's rent will not be reduced.

However, the Housing Authority will reduce the rent if the welfare assistance reduction is a result of any of the following:

- The expiration of a lifetime time limit on receiving benefits;
- The family has complied with welfare program requirements but cannot obtain employment; or
- The family member has not complied with other welfare agency requirements.

A family's request for rent reduction shall be denied upon the Housing Authority obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. The new income would be subtracted from the imputed welfare income. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero.

6.6.6 Prior Overpayment of Social Security (SS) and Supplemental Security Income (SSI)

When there is a payment reduction due to prior overpayments, staff will use the net amount of the SS/SSI benefit to calculate annual income only for that period of time for which the reduction occurs.

6.7 PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES

6.7.1 Applicability **[24 CFR §5.520(a)]**

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. Mixed family applicants are entitled to prorated assistance. Families that become mixed after

June 19, 1995 by addition of an ineligible member are entitled to prorated assistance.

6.7.2 Prorated Assistance Calculation
[24 CFR §5.520(c)]

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible.

6.8 ABSENCE POLICY

The Housing Authority must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the Housing Authority must count the income of the spouse or the head of household if that person is temporarily absent, even if that person is not on the lease.

Income of persons permanently absent will not be counted. If the head of household or spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the household to report absences and changes in family composition. The Housing Authority will evaluate absences from the unit using this policy [24 CFR §982.551(i)].

6.8.1 Absence of Entire Family
[24 CFR §982.312]

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the Housing Authority will terminate assistance in accordance with appropriate termination procedures contained in this plan.

Families are required both to notify the Housing Authority before they move out of a unit and to give the Housing Authority information about any family absence from the unit.

Families must notify the Housing Authority if they are going to be absent from the unit for more than 30 consecutive calendar days.

If the family fails to notify the Housing Authority of an absence of longer than 30 consecutive calendar days, or if the entire family is absent from the unit for more than 60 consecutive calendar days, the unit will be considered to be vacated and the assistance will be terminated. The Housing Authority at all times shall reserve the right to exercise its judgment regarding extensions on family absence from the unit on a case-by-case basis. However, HUD regulations require the Housing Authority to terminate assistance if the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence of entire family" means that no family member is residing in the unit, and the unit has not been vacated. In order to determine if the family is absent from the unit, the Housing Authority may:

- Write letters to the family at the unit
- Telephone the family at the unit
- Interview the owner
- Interview neighbors
- Verify if utilities are in service
- Conduct an interim HQS Inspection

If the absence which resulted in termination of assistance was due to a person's disability, and the Housing Authority can verify that the person was unable to notify Housing Authority in accordance with the family's responsibilities, and if funding is available, the Housing Authority may reinstate the family as a reasonable accommodation if requested by the family.

6.8.2 Absence of Any Member
[24 CFR §982.312(a)]

Any member of the household will be considered permanently absent if s/he is away from the unit for 180 consecutive calendar days except as otherwise provided in this chapter.

6.8.3 Absence Due to Medical Reasons
[24 CFR §982.312(e)(1)]

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the Housing Authority will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will return in less than 180 calendar days, the family member will not be considered permanently absent.

If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered to be permanently absent, out of the home and removed from the family composition.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the Housing Authority's "Absence of Entire Family" policy.

6.8.4 Absence Due to Incarceration
[24 CFR §982.312(e)(1)]

If the sole member of the household is incarcerated for more than 30 calendar days, s/he will be considered permanently absent and the Housing Authority will initiate proposed termination procedures to terminate assistance.

Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 60 calendar days. Once a family member is removed from the family composition, the family must seek Housing

Authority approval prior to allowing the family member to re-join the assisted household. Failure to adhere to this policy can result in termination of assistance.

The Housing Authority will determine if the reason for any family member's incarceration is for drug-related or violent criminal activity and, if appropriate, will pursue termination of assistance for the family if deemed appropriate.

6.8.5 Foster Care and Absences of Children
[24 CFR §982.551(h)(4)]

If the family includes a child or children temporarily absent from the home due to placement in foster care, the Housing Authority will request information from the appropriate agency to determine when the child/children will be returned to the home.

If the time period is to be greater than 180 calendar days from the date of removal of the child/children, the voucher size may be temporarily reduced. If children are removed from the home permanently, the voucher size will be permanently reduced in accordance with the Housing Authority's subsidy standards.

6.8.6 Absence of Adult
[24 CFR §982.312(e)]

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the Housing Authority will treat that adult as a visitor for up to the first 180 calendar days.

If during or by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the voucher will then be transferred to the caretaker.

If custody or legal guardianship has not been awarded by the court, but the action is in process, the Housing Authority will secure verification from social services staff or the attorney as to the status.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the Housing Authority will review the status at 120-day intervals.

The caretaker will be allowed to remain in the unit, as a visitor, until a determination of custody is made or up to 12 months total.

The Housing Authority will transfer the voucher to the caretaker, in the absence of a court order, if the caretaker has been in the unit for more than 12 months and it is reasonable to expect that custody will be granted.

When the Housing Authority approves a person to reside in the unit as caretaker for the children, this person's income will be counted in the TTP for the family pending a final disposition. The Housing Authority will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 calendar days, the person will be considered permanently absent.

If an adult family member leaves the household for any reason, the family must report the change in family composition to the Housing Authority within 30 calendar days.

The family will be required to notify the Housing Authority in writing within 30 calendar days when a family member leaves the household for any reason or moves out. The notice must contain a certification by the family as to whether the member is temporarily or permanently absent. The family member will be determined permanently absent if verification is provided.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Time extensions may be granted as a reasonable accommodation upon request by a person with a disability.

6.8.7 Students
[24 CFR §982.312(e)]

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household. These family members will continue to be counted for the purpose of determining the family's appropriate voucher size.

6.8.8 Visitors
[24 CFR §982.312(e)]

Any person not included on the HUD-50058 who has been in the unit more than 30 calendar days, or a total of 60 calendar days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or the owner will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the Housing Authority will terminate assistance since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 180 calendar days per year, the minor will be considered to be an eligible visitor and not a family member.

6.8.9 Reporting Absences to the Housing Authority
[24 CFR §982.551(h)(3) and §982.551(i)]

If a family member leaves the household, the family must report this change to the Housing Authority, in writing, within 30 calendar days of the change and certify as to whether the member is temporarily absent or permanently absent.

When available to do so, an adult family member who is leaving the household should remove him/herself in writing from the lease and voucher family composition.

The Housing Authority will conduct an interim re-examination for changes, which may affect the TTP in accordance with the interim policy. See Section 12.5 (Changes in Family Composition) for more information.

6.8.10 Verification of Absence

Please refer to Section 7.11.4 (Verification of Permanent Absence of Adult Member).

CHAPTER 7: VERIFICATION PROCEDURES

7.1 INTRODUCTION

[24 CFR §5.240(c), 24 CFR §5.210, 24 CFR §982.551(b)]

HUD regulations require the Housing Authority to verify factors of eligibility. Applicants and program participants must furnish proof of their statements whenever required by the Housing Authority, and the information they provide must be true and complete. The Housing Authority's verification requirements are designed to maintain program integrity. This chapter explains the Housing Authority's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in household composition. The Housing Authority will ensure that proper authorization from the family is always obtained before making verification inquiries.

7.2 METHODS OF VERIFICATION AND TIME ALLOWED

The Housing Authority will use six levels of verification methods acceptable to HUD in the following order:

Level Six: Up-Front Income Verification (UIV) using EIV (highest priority). This level is mandatory and will be used when available.

Level Five: Up-Front Income Verification (UIV) using a non-HUD system (highest priority). In cases where EIV is not available, this level will be used when possible.

Level Four: Third-party written verification (high priority). This verification level is defined as tenant-provided documents obtained from a third-party source. The documents must be authentic, original and computer-generated. Level Four is used:

- To support the information reported through EIV/UIV,
- When there is a discrepancy between EIV/UIV and tenant-reported income,
- When EIV or other forms of UIV are not available, the Housing Authority will accept authentic, original, computer-generated documents as verification of income, assets or other family circumstances.

Level Three: Third-party written verification form (medium-low priority). The Housing Authority will send verification forms to third party sources when:

- There is a discrepancy between EIV/UIV and tenant-reported income and the tenant disputes the information in EIV, or
- Verification levels six through four are unavailable.

Level Two: Third-party oral verification (low priority). This level will be used when sending verification forms to third-party sources under Level Three is not possible or the forms are not returned in a timely manner.

Level One: Self-Declaration (low priority). Certification/self-declaration verification will be the last level used if verification is not possible or able to be obtained using the higher levels of verification, the Housing Authority may allow up to 10 calendar days for the return of third-party verification forms before using the next verification level.

7.3 TIMELINESS OF VERIFICATIONS

Verifications may not be more than 60 calendar days old at the time of voucher issuance for applicants [24 CFR §982.201(e)]. However, a voucher may be issued to a participant family without updating verifications if the annual reexamination is current (within the last 12 months). Any reported changes that require an interim reexamination will be verified and processed before a voucher is issued.

All tenant-provided documents are current if dated within 60 days of the date of receipt. Please see section 7.9 for asset verification documents exceptions. .

Exception for averaging income: When using consecutive verification documents to average income, such as consecutive pay stubs, only one of the documents dated within 60 days of the date of receipt if the documents are also the most recent received by the family.

7.3.1 Up-Front Income Verification (UIV)

The Housing Authority will utilize up-front income verification tools. The use of the Enterprise Income Verification (EIV) system is mandatory and will be used whenever possible. Other UIV systems, such as the LEADER system for the Temporary Assistance of Needy Families (TANF) and Work Number, will be used whenever possible when EIV is unavailable.

If there is a difference in source of income or a substantial difference (\$2400 annually or \$200 monthly) in reported income between EIV verification and family-provided documents and the tenant disputes the discrepancy or cannot provide adequate documentation to validate the discrepancy, the Housing Authority shall follow the guidelines below:

- The Housing Authority will send written third-party verification forms to the discrepant income source.
- The Housing Authority may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the Housing Authority can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- The Housing Authority will analyze all data (UIV data, third-party verification documents provided by the family and verification forms returned by the discrepant income source) and attempt to resolve the income discrepancy.
- The Housing Authority will use the most current information available to calculate the anticipated annual income.

In cases where UIV income data is different than tenant-reported income and the tenant does not dispute the discrepancy and can provide adequate

documentation to validate the discrepancy, the Housing Authority will use the written third-party documents provided by the family to calculate the anticipated annual income.

7.3.2 Third-Party Written Verification

Third-party written verification is defined as original, authentic, computer-generated documents from a third-party source, but obtained from the family. All documents will be photocopied and retained in the family file. The Housing Authority will accept the following documents, among others, from the family, provided that the document is such that tampering would be easily noted:

- Printed wage stubs
- Computer print-outs from the employer
- Letters printed on official letterhead

Third-party written verification documents will be used to support the information reported through the UIV source or as primary verification when UIV is not available.

The Housing Authority will accept faxed documents, however a hard copy may be requested for verification

If at least two check stubs cannot be obtained to verify employment income, the Housing Authority will request third party verification directly from the source to support EIV data or as primary verification.

7.3.3 Third-Party Written Verification Forms

Third-party verification forms will be sent directly to the source when a participant disputes a discrepancy on the UIV or cannot provide adequate documentation to validate the discrepancy, or when the Housing Authority rejects third-party written verification documents provided by the family.

Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are acceptable. Written letters obtained from the source are acceptable under this level.

7.3.4 Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification forms are not possible or are delayed.. When third-party oral verification is used, staff will be required to document the file, noting with whom they spoke, the date of the conversation, and the facts provided.

7.3.5 Self-Certification/Self-Declaration

When verification cannot be made by UIV, third-party verification documents, forms or third-party oral verification, families will be required to submit a self-

certification or a notarized statement. Self-certification means a signed statement/affidavit/certification under penalty of perjury.

This level may be used when:

1. UIV is unavailable; and
2. Third-party written documents cannot be provided by the family, and
3. Staff has made at least two documented efforts (mail, fax, telephone call, or email) to obtain third-party verification from the source and no response is received; or
4. An independent source does not have the capability of sending written third-party verification directly to the Housing Authority or does not facilitate oral third-party verification.

7.4 RELEASE OF INFORMATION **[24 CFR §5.230]**

The family will be required to sign specific authorization forms when information is needed that is not covered by the HUD-9886 Form (Authorization for the Release of Information).

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information requested by the Housing Authority or HUD.

7.5 COMPUTER MATCHING **[24 CFR §5.210(a)]**

Where allowed by HUD and/or other State or local agencies, computer matching will be done.

7.5.1 Data Sharing **[State of California Health and Safety Code, §34217]**

The Housing Authority will share applicant and participant information that is necessary to determine eligibility for County welfare department programs or services for which the client has applied or is receiving.

7.6 ITEMS TO BE VERIFIED **[24 CFR §982.551(b)]**

- Zero-income status of household.
- Full-time student status including high school students who are age 18 or over.

Certification must be received within fourteen (14) business days after the applicant/participant receives the request for certification. The Housing Authority will accept the following forms of verification:

- ❑ Certification of Domestic Violence, Dating Violence or Stalking (HUD-50066 Form)
- ❑ Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effect of the abuse in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and that the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation, or

- Date of the last pay increase
- Likelihood of change of employment status and effective date of any known salary increase during the next 12 months
- Year-to-date earnings
- Estimated income from overtime, tips, bonus pay expected during next 12 months

In cases where there are questions about the validity of information provided by the family, the Housing Authority will send third-party verification forms to the employer and may require the most recent federal income tax statements.

7.7.2 Social Security, Pensions, Disability, Supplementary Security Income

[24 CFR §5.609(b)(4)]

Acceptable methods of verification include, but are not limited to the following:

1. Enterprise Income Verification (EIV) system.
2. Award or benefit notification letters prepared and signed by the providing agency.
3. Computer report electronically obtained or in hard copy.

The Housing Authority may request a complete Social Security Earnings Statement (SSA Form 7004) to resolve discrepancies with Social Security income

7.7.3 Unemployment Compensation
[24 CFR §5.609(b)(5)]

Acceptable methods of verification include, but are not limited to the following:

1. Enterprise Income Verification (EIV) System.
2. Computer printouts from unemployment office stating payment dates and amounts.
3. Payment stubs.

Unemployment and State Disability Insurance may no longer be verified through the Employment Development Department (EDD) [EDD Letter, 5/23/2006].

7.7.6 Net Income from a Business **[24 CFR §5.609(b)(2)]**

In order to verify the net income from a business, the Housing Authority will view IRS and financial documents from prior years and use this information to anticipate the income and expenses for the next 12 months.

1. IRS Form 1040, including:
 - Schedule C (Small Business)
 - Schedule E (Rental Property Income)
 - Schedule F (Farm Income)
2. If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.
3. Audited or unaudited financial statement(s) of the business.
4. Third-party verification forms for each customer/contract indicating the amounts of income received in a specified time period.

Expenses for rent and utilities will not be allowed for operations or businesses based in the subsidized unit, as these expenses are a required family contribution in the Housing Choice Voucher Program and are calculated based upon the family's income.

7.7.7 Child Care Business

If a family is operating a licensed day care business, income and expenses will be verified as with any other business.

If the family is operating a cash and carry operation (which may or may not be licensed), the Housing Authority will require that the family complete a form for each customer which indicates: name of person(s) whose child/children is/are

being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If childcare services were terminated, a third-party verification will be sent to the parent whose child was receiving childcare.

7.7.8 Recurring Gifts
[24 CFR §5.609(b)(7)]

The family must furnish a self-certification containing the following information:

- The person who provides the gifts
- The value of the gifts
- The regularity (dates) of the gifts
- The purpose of the gifts

7.7.9 Zero-Income Status

Families claiming to have no income may undergo a credit review. The information contained in the credit report will be used to confirm the information provided by the family. The Housing Authority will utilize records provided by the Department of Public Social Services (DPSS), and may check records of other departments in the jurisdiction that have information about income sources of customers, to confirm information provided by a family claiming to have zero income.

7.7.10 Full-Time Student Status
[24 CFR §5.609(c)(11)]

Only the first \$480 of the earned income of full-time students 18 years or older (including those who are temporarily absent), other than head of household, co-head, or spouse, will be counted towards family income.

Verification of full-time student status includes:

1. School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution; and
2. A copy of final grades.
3. Written verification from the registrar's office or other school official;

Due to administrative cost burden, the Housing Authority may no longer attempt to verify student enrollment in any educational institution that participates in the National Student Clearinghouse using written third party verification forms or oral third-party verification methods.

7.8 INCOME FROM ASSETS

7.9 VERIFICATION OF ASSETS

[24 CFR §982.516(a)(2)(ii)]

Families must provide the Housing Authority with acceptable, written third-party documents to verify the value of or income from an asset. A written third-party verification document for an asset is considered current if at the time of receipt the document is:

- The most recent quarterly statement, or
- A savings passbook that has been updated by the financial institution within the last 60 days, or
- The most recent annual statement, or

1. Verification forms, letters, or documents from a financial institution or broker.
2. Passbooks, checking account statements, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.
3. Quotes from a stockbroker or realty agent as to net amount family would receive if they liquidated securities or real estate.
4. Real estate tax statements if the approximate current market value can be deduced from assessment.
5. Software database or internet-based real estate valuation sites to determine the market value of real estate assets.
6. Financial statements for business assets.
7. Copies of closing documents showing the selling price and the distribution of the sales proceeds.
8. Appraisals of personal property held as an investment.
9. Verification forms from a financial institution or broker.

7.9.2 Assets Disposed of for Less than Fair Market Value (FMV) [24 CFR §5.603(b)(3)]

This includes assets disposed of during 2 years preceding effective date of certification or re-examination:

1. For all certifications and re-examinations, the Housing Authority will obtain the family's certification as to whether any member has disposed of assets for less than fair market value during the 2 years preceding the effective date of the certification or re-examination.
2. If the family certifies that they have disposed of assets for less than fair market value, verification [or certification] is required that shows:
 - All assets disposed of for less than FMV;
 - The date they were disposed of;
 - The amount the family received; and
 - The market value of the assets at the time of disposition. Third-party verification will be obtained wherever possible.

2. Written verification form returned by the person or agency who receives the payments. The written verification form requests the amount charged to the family for their services and whether any of the amounts owed have been or will be paid by sources outside the family.
3. Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

7.10.2 Medical Expenses
[24 CFR §5.611(a)(3)]

3. Written confirmation from the Social Security Administration's written of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.
4. For attendant care:
 - A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.
 - Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

5. Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.
6. Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
7. Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The Housing Authority may use this approach for general medical expenses such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.
8. The Housing Authority will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Medical expenses may not be verified through third party verification from Walgreen's Pharmacy [see memo dated 04/16/09].

7.10.3 Assistance to Persons with Disabilities
[24 CFR §5.611(a)(3)(ii)]

1. The Housing Authority may require:
 - Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.
 - Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.
2. Attendant Care:

7.11.7 Verification of Citizenship/Eligible Immigrant Status **[24 CFR Part 5, Subpart E]**

To be eligible for assistance, individuals must be U.S. citizens, or non-citizens with eligible immigrant status based on the eligible categories specified by regulations. Individuals who are neither may elect not to contend their status. Each family member must declare their status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the Housing Authority hearing is pending.

1. Citizens or Nationals of the United States: Required to sign a declaration under penalty of perjury [24 CFR §5.508(b)(1)].
2. Eligible Immigrants Age 62 and Over: Required to sign a declaration of eligible immigration status and provide proof of age [24 CFR §5.508(b)(2)].
3. All Other Eligible Immigrants: Required to sign a declaration of status and verification consent form, and to provide an acceptable document of eligible immigration as follows:
 - Resident Alien Card (I-551)

- Any official revision of the acceptable documents listed above
- Receipt issued by the United States Citizenship and Immigration Service (USCIS) for issuance of replacement of any of the above documents that shows individual’s entitlement has been verified

The document is copied front and back and returned to the family. A birth certificate is not acceptable verification of eligible immigrant status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept 5 years.

Eligible immigrants must have their status verified by USCIS. The Housing Authority verifies the status through the USCIS SAVE system. If this primary verification fails to verify status, the Housing Authority must request within 10 calendar days that the USCIS conduct a manual search [24 CFR §5.512(c)].

4. **Ineligible Family Members:** Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household, co-head, or spouse [24 CFR §5.508(e)].
5. **Non-Citizen Students on Student Visas:** Ineligible, even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members [24 CFR §5.522].
 - **Failure to Provide:** If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information [24 CFR §5.508(i)].
 - **Time of Verification:** For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs at the first interim or annual re-examination after the new member moves in. Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial public housing agency does not supply the documents, the Housing Authority must conduct the determination [24 CFR §5.508(g)]. The Housing Authority

will also request new immigration documents for those individuals whose immigration documents that prove eligibility have expired.

- **Extensions of Time to Provide Documents:** Extensions must be given for persons who declare their eligible immigration status but need time to obtain the required documents. The length of the extension shall be based on individual circumstances. The Housing Authority will generally allow up to 30 calendar days to provide the document or a receipt issued by the USCIS for issuance of replacement documents [24 CFR §5.508(h)].
- **Determination of Ineligibility:** After the Housing Authority has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

7.11.8 Verification of Social Security Numbers **[24 CFR §5.216**

Social Security numbers must be provided as a condition of eligibility for all family members, except for family members who were determined eligible on or before January 31, 2010 and were at least 62 years old on that date, and family members who are not eligible to obtain a Social Security number. Social Security numbers will be verified through a Social Security card issued by the Social Security Administration. If a family member cannot produce a Social Security card, only the documents listed below may be used for verification. [24 CFR §5.216(g)(1)]:

- A document issued by the Social Security Administration that contains the name and Social Security Number of the individual; or
- A document issued by a Federal, state or local government agency that includes the name, Social Security Number and other identifying information about the individual.

All new family members, except children age 5 and under, who have not been assigned a number, will be required to produce their Social Security card or provide the substitute documentation described above. This information is to be provided at the time the change in family composition is reported to the Housing Authority and the family member will not be added to the household composition until it is provided [24 CFR §5.216(e)(2)(i)].

A child age 5 or under who has not been assigned a Social Security Number may be added to the household before providing a Social Security number. However, the parent or guardian will be required to sign a form attesting that the child was never issued a Social Security Number. The family must disclose the child's Social Security Number within 90 days of being added to the household composition.

If a participant was never assigned a Social Security Number the individual will be required to sign a form attesting to the fact. The family member will be required to provide proof of the Social Security Number before the current annual reexamination is processed [24 CFR §5.216(e)(2)(ii)].

A 90-day extension may be granted by a Housing Authority Supervisor if the family was unable to provide the information due to good cause and there is a reasonable likelihood they will be able to provide the information during the extended time period. If the family fails to provide the information within the approved time period, the family's assistance will be terminated. .

If the family fails to provide required documentation of a member's Social Security Number, the family's assistance will be terminated [24 CFR §5.216(g)].

7.11.9 Medical Need for Larger Unit

A written certification that a larger unit is medically necessary must be obtained from a reliable, knowledgeable medical professional. If the request is a reasonable accommodation for a disabled family member, the following policy will be followed.

7.11.10 Reasonable Accommodation

In order to verify the necessity for a reasonable accommodation, the Housing Authority will usually require the disabled individual or a third party acting on their behalf, to return the Reasonable Accommodation Request form, or other written documentation, completed by a qualified professional with direct experience with the individual's disability. Qualified professionals may include, but are not limited to:

- A medical doctor
- A psychiatrist
- A social worker
- Other unlicensed care providers

If the need for the requested accommodation is visibly apparent, the Housing Authority may grant the request immediately without requiring further verification. If the disabled individual is unable to return a written request due to their disability, the Housing Authority will work with the individual to ascertain the specific accommodation being requested and whether it conforms to the requirements stated in section 1.8.2.

7.11.11 Secondary Review/Credit Checks

The Housing Authority may use credit reports obtained from reliable sources to conduct secondary verifications on a case-by-case basis.

The methodology used to evaluate the information obtained from the credit report in relation to new applicants is outlined in Chapter 4 (Establishing Preferences and Maintaining the Waiting List).

The secondary review includes a comparison between the information contained in the credit report, for each adult household member, and the information provided by the family to the Housing Authority for eligibility purposes. Specifically, the Housing Authority reviews the credit report to verify:

Employment: If the credit report reveals employment during the subsidized period that was not disclosed to the Housing Authority, the family will be required

to provide documentation that the employment did not occur or provide information regarding the amount of earnings received during the employment period.

If the family contends that the employment was made up for the purposes of obtaining credit or was erroneously placed on the credit report, the family must supply a letter from the employers listed confirming such information. On a case-by-case basis, the Housing Authority may accept a certified statement from the family.

If the family failed to disclose employment for a period longer than 6 months, the Housing Authority will propose termination of the family's assistance and seek repayment of any overpayment. On a case-by-case basis the Housing Authority may counsel the family before proposing termination and seeking repayment of any overpayment.

If the family failed to disclose employment for less than 6 months, the family will be required to attend a counseling interview and re-sign all program documents re-enforcing the family's obligations. The family will also be required to repay any overpayment amount. A second violation of this nature will result in a proposed termination.

Assets: The credit report information will be used to verify assets, particularly, large items such as real estate property. If the credit report reveals that the family owns property, the family will be required to provide the appropriate documentation regarding the property.

If all documentation confirms that the family (any family member) owns real estate property that was purposely concealed, the Housing Authority will propose termination of assistance and seek repayment of any overpayment amount.

Aliases: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.

Current and Previous Addresses: For a continuously assisted family, it is assumed that the family's primary residence is the assisted address. If the credit report indicates the continuous use of an address, other than that of the assisted unit during the subsidized period, the family will be asked to provide documentation that the assisted address is being used as the family's primary residence. This may include a history of utility bills, bank statements, school enrollment record for children, credit card statements or other relevant documents. Failure to provide adequate proof may result in termination of assistance.

If the family is not using the subsidized unit as their primary residency and/or is subletting the assisted unit, the file will be referred for proposed termination and the Housing Authority will seek full repayment of any overpayment amount.

Credit Card and Loan Payments: A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset

information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in the file being referred for proposed termination. Additionally, the Housing Authority will seek full repayment of any overpayment amount.

Multiple Social Security Numbers: A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

Whenever a violation results in a proposed termination, the family is entitled to request an informal hearing. Procedures governing the informal hearing process are outlined in Chapter 16 (Informal Hearings and Complaints).

CHAPTER 8: VOUCHER ISSUANCE AND BRIEFINGS

8.1 INTRODUCTION

This chapter covers the Housing Authority's process for issuing vouchers, including the contents of the briefing that is conducted for families receiving a voucher. It also includes policies on the term of the voucher.

8.2 ISSUANCE OF HOUSING CHOICE VOUCHERS

When funding is available, the Housing Authority will issue vouchers to applicants whose eligibility has been determined.

The number of vouchers issued must ensure that the Housing Authority stays as close as possible to 100 percent lease-up. The Housing Authority performs a calculation to determine whether applications can be processed, the number of vouchers that can be issued, and to what extent the Housing Authority can over-issue.

The Housing Authority may over-issue vouchers only to the extent necessary to meet leasing goals. All vouchers that are over-issued will be honored, as long as there is funding to support the over-issued vouchers. If the Housing Authority finds it is over-leased, and a voucher holder has found an approvable unit, the Housing Authority is under no obligation to the family, to the owner, or to any other person, to approve a tenancy. As the Housing Authority nears 100 percent lease up, vouchers will be honored in the order they were issued. All voucher holders whose vouchers are not honored due to over-leasing will be placed back on the waiting list.

8.3 BRIEFING TYPES AND REQUIRED ATTENDANCE

8.3.1 Initial Applicant Briefing **[24 CFR §982.301(a)]**

When the family is initially issued a voucher, the Housing Authority conducts a briefing session, as required by HUD. The briefing session is mandatory.

Briefing sessions will be conducted in groups or individual meetings.

The Housing Authority will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend scheduled briefings, without prior notification and approval of the Housing Authority, may be denied admission based on failure to supply information needed for certification. The Housing Authority will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Families who attend group briefings and still have the need for individual assistance will be referred to the appropriate staff person.

8.3.2 Re-Issuance Briefing

A briefing will be held for participants who will be re-issued vouchers to move. This briefing may include incoming and outgoing portable families. Families failing to attend a scheduled briefing twice will be denied a new voucher based on failure to provide required information.

8.3.3 Owner Briefing

Briefings are held for owners at least annually. Invitations are mailed to all owners. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program.

8.4 INFORMATION PROVIDED AT THE BRIEFING SESSION

The Housing Authority's objectives are to assure that families selected to participate are successful in obtaining an acceptable housing unit and that they have sufficient knowledge to derive maximum benefit from the program and to comply with program requirements.

The purpose of the briefing session is to provide information on the Housing Authority's process for voucher holders who intend to lease a unit. This will enable families to utilize the program to their advantage, and prepare them to discuss it with potential owners and property manager.

When the family is selected to participate, the briefing session includes information as follows.

8.4.1 Topics Covered in the Briefing Session **[24 CFR §982.301(a)]**

The person conducting the briefing will describe how the program works and include information on the following subjects:

- A description of how the program works, including reasonable accommodation policies and procedures;
- Family and owner responsibilities;
- Where a family may lease a unit inside and outside the Housing Authority's jurisdiction;
- How portability works for families eligible to exercise portability; and
- Advantages of moving to an area that does not have a high concentration of poor families, for families living in high poverty census tracts in the Housing Authority's jurisdiction.

If the family includes a person with disabilities, the Housing Authority will ensure compliance with 24 CFR §8.6 to ensure effective communication.

8.4.2 Briefing Packet
[24 CFR §982.301(b)]

The Housing Authority provides families with a briefing packet that contains more detailed information about the program. The packet includes forms and information required by HUD, as well as additional resources. The person conducting the briefing session will explain the documents in the briefing packet.

1. Instructions: This explains the term of the voucher, the Housing Authority's policies on extensions and suspensions, and how families may request tenancy approval.
2. Subsidy Estimation: A worksheet on rent calculations, including a description of the method used to calculate the assistance payment, how the minimum and maximum allowable rent is determined, how the payment standard is determined, and a calculation of the estimated maximum rent to suit the tenant's budget.
3. Utility Allowance Schedule: Utility allowance amounts for rental units, by unit size and utility type, for cities and unincorporated areas within the Housing Authority's jurisdiction.

5. Form HUD-52641-A: The HUD-required "tenancy addendum" that must be included in the lease.
6. Request for Tenancy Approval (RTA): Families request Housing Authority approval of the assisted tenancy with this form. The RTA includes a statement of Housing Authority policy on providing family information to prospective owners.
7. Subsidy Standards and Requests for Waivers: Explains how the number of bedrooms (unit size) relates to family composition, and when and how exceptions are made in regards to requests for additional bedrooms.
8. A Good Place to Live: HUD's brochure on selecting a unit that complies with HQS.
9. Are You A Victim of Housing Discrimination: HUD's pamphlet on fair housing which contains the complaint form. The Housing Authority also includes available State and local information on equal opportunity laws.
10. Marketing List of Available Properties: The Housing Authority has contracted with Socialserve.com to provide an internet-based property listing and search service for owners and participants. The Housing Authority includes an information sheet on how to access Socialserve.com.

12. Informal Hearing Information: Includes procedures and explanations of when participant families have the opportunity for an informal hearing, and how to request a hearing.

13. Compliance Check/Home Inspections: Includes procedures and explanations of when Compliance Checks/Home Visits will take place and the family's right to refuse consent to the Housing Authority to enter the unit. The voucher holder will sign the notice to acknowledge the Compliance Check/Home Visit program.

The packet may also include the following materials:

- Three Way Partnership: Explains the relationship between owners, participants and the Housing Authority.
- Protect Your Family From Lead In Your Home: Federal brochure on the hazards of lead-based paint and resources for additional information.
- Searching for a Rental Home: Guidance on finding a unit and submitting a successful rental application.

8.5 ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION **[24 CFR §982.301(a)(3)**

At the briefing, families are encouraged to search for housing in non-impacted areas. The Housing Authority provides assistance to families who wish to do so.

The assistance provided to such families includes:

- Direct contact with owners;
- Counseling with the family;
- Providing information about services in various non-impacted areas;
- Meeting with neighborhood groups to promote understanding;
- Formal or informal discussions with owner groups;
- Formal or informal discussions with social service agencies;
- Meeting with rental referral companies or agencies; and
- Meeting with fair housing groups or agencies.

The Housing Authority currently contracts with Socialserve.com, an internet-based housing search service. This service, part of the LA County Housing Resource Center, lists properties submitted by owners within its jurisdiction to

ensure greater mobility and housing choice to very low-income households. Each property listed indicates if it is in an area of low poverty concentration.

The Housing Authority also maintains a listing of job, education, transportation and other information for cities not impacted by poverty or minority concentration. The cities for which the Housing Authority maintains this information are:

- Alhambra
- Azusa
- Bellflower
- Covina
- Downey
- Lakewood
- Lawndale
- Lomita
- Paramount
- Santa Fe Springs
- West Covina
- West Hollywood
- Whittier

This information may be obtained at the Section 8 Administrative Office.

8.6 SECURITY DEPOSIT REQUIREMENTS
[24 CFR §982.313]

Security deposits charged by owners may not exceed those charged to unassisted families (nor the maximum prescribed by State or local law.)

For lease-in-place families, responsibility for first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the family prior to the beginning of assistance.

8.7 TERM OF VOUCHER
[24 CFR §982.301(b)(1)]

During the briefing session, each family is issued a voucher, which represents a contractual agreement between the Housing Authority and the family, specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

8.7.1 Expirations
[24 CFR §982.303(a)]

The voucher is valid for a period of 60 calendar days from the date of issuance. The family must submit a Request for Tenancy Approval and lease within the 60 calendar-day period, unless an extension has been granted by the Housing Authority.

If the voucher has expired, and has not been extended by the Housing Authority or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

8.7.2 Policy on Suspensions (Tolling)
[24 CFR 982.303(c)]

When a Request for Tenancy Approval is received, the Housing Authority will not deduct the number of calendar days required to process the request from the term of the voucher.

8.7.3 Extensions
[24 CFR §982.303(b)]

The Housing Authority may grant extensions to vouchers.

A family may request an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.

Extensions may be granted in 30, 60, or 120-day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit.

Supervisors may authorize extensions up to a maximum term of 270 calendar days for extenuating circumstances. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation. Supervisors may extend the term of the voucher longer than 270 days as necessary as a reasonable accommodation. In such cases, the policy and procedure in section 7.10.10 will be followed.

8.7.4 Assistance to Voucher Holders
[24 CFR §982.301(b)]

The Housing Authority has contracted with Socialserve.com to provide an internet-based property listing and search service for owners and participants. The Housing Authority includes in the briefing packet an information sheet on how to access Socialserve.com. Information regarding the Socialserve.com will be presented at the briefing session.

8.8 VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS
[24 CFR §982.315]

In those instances when a family assisted under the Housing Choice Voucher Program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree

as to which new family unit should continue to receive the assistance, and there is no determination by a court, the Housing Authority shall consider the following factors to determine which of the families will continue to be assisted:

1. Which of the two new family units has custody of dependent children.
2. Which family member was the head of household when the voucher was initially issued (listed on the initial application).
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Whether domestic violence was involved in the breakup.
5. Which family members remain in the unit.
6. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties.

If documentation is not provided, the Housing Authority will terminate assistance on the basis of failure to provide information necessary to complete the annual re-examination.

Where the breakup of the family also results in a reduction of the size of the voucher, the family will be required to move to a smaller unit if the current owner is unwilling to accept the rent level of the smaller sized certificate.

8.9 REMAINING MEMBER OF FAMILY – RETENTION OF VOUCHER

To be considered the remaining member of the family, the person must have been previously approved by the Housing Authority to be living in the unit.

A live-in aide, by definition, is not a member of the family and will not be considered a remaining member of the family.

In order for a minor child to continue to receive assistance as a remaining family member:

1. The court has to have awarded emancipated minor status to the minor, or
2. The Housing Authority has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the child/children for an indefinite period.

A reduction in family size may require a reduction in the voucher size.

8.10 FAMILY VOLUNTARILY RELINQUISHES HOUSING CHOICE VOUCHER

The family may voluntarily relinquish their voucher at any time. In such cases, the Housing Authority will provide the owner of the property with a 30 calendar days notice indicating that rental assistance will terminate based on the family's request. The family will become fully liable for the contract rent after 30 calendar days.

Generally, the Housing Authority will not reinstate a family once a request for voluntary termination has been received. However, as a reasonable accommodation, the Housing Authority will review requests for reinstatements received within 6 months and make a determination on a case-by-case basis.

If a family voluntarily relinquishes their voucher in lieu of facing termination, the Housing Authority will continue to seek to recover any monies that may be due to the Housing Authority as a result of misrepresentation or other breach of program regulations and will report the amount of debt owed to EIV.

CHAPTER 9: THE NEW CONTRACT PROCESS - REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

9.1 INTRODUCTION **[24 CFR §982.302(b) and 24 CFR §982.353(b)]**

After families are issued a voucher, they may search for a unit anywhere within the Housing Authority's jurisdiction, or outside of the Housing Authority's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner who is willing to enter into a Housing Assistance Payments (HAP) contract with the Housing Authority. This chapter defines the types of eligible housing, the Housing Authority's policies which pertain to lease requirements, owner disapproval, and the processing of Requests for Tenancy Approval (RTA).

9.2 REQUEST FOR TENANCY APPROVAL **[24 CFR §982.302(c) and §982.305]**

The family must submit the RTA and a copy of the proposed lease during the term of the voucher. For current participants submitting an RTA, the family must also submit a copy of their lease termination notice along with the RTA, unless the notice was previously submitted. No RTA for a current participant will be processed unless there is a copy of the lease termination notice for the currently assisted unit either attached to the RTA or in the family's file.

Both the owner and the voucher holder must sign the RTA.

The Housing Authority will not permit the family to submit more than one RTA at a time.

The RTA will be approved if [24 CFR §982.302(d)]:

1. The unit is an eligible type of housing;
2. The unit passes an inspection (based on HUD's Housing Quality Standards and the Housing Authority's requirements, detailed in Chapter 10);
3. The rent is reasonable and affordable to the voucher holder;
4. The security deposit amount is approvable;
5. The proposed lease complies with HUD and Housing Authority requirements, and State and local law;
6. The owner is approvable, and there are no conflicts of interest; and
7. All applicable lead-based paint disclosure requirements have been met. See Section 10.4 (Lead-Based Paint) for additional policies.

9.2.1 Disapproval of RTA
[24 CFR §982.302(d) and §982.305]

If the Housing Authority determines that the RTA cannot be approved for any reason, the owner and the family will be notified in writing. The Housing Authority will instruct the owner and family of the steps that are necessary to approve the Request.

The owner will be given 5 calendar days to submit an approvable RTA from the date of disapproval unless the reason for the disapproval is the result of multiple failed inspections (three or more failed HQS inspections).

When, for any reason, an RTA is not approved, the Housing Authority will furnish another RTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

The Housing Authority will suspend the term of the voucher while the RTA is being processed. Therefore, the length of time allotted to a family for the purpose of locating another unit will be based on the number of days left on the term of the voucher at the time the RTA was submitted to the Housing Authority [24 CFR §982.303(b)].

9.3 ELIGIBLE TYPES OF HOUSING
[24 CFR §982.352]

The Housing Authority will approve the following types of housing in the voucher program:

- Single-family dwellings, including condos and townhouses.
- Manufactured homes where the family leases the mobile home and the pad [24 CFR §982.620(a)(2)].
- Manufactured homes where the family owns the mobile home and leases the pad [24 CFR §982.620(a)(3)].
- Multifamily dwellings (apartment buildings).
- Units owned but not subsidized by the Housing Authority (HUD-prescribed requirement).

A family can own a rental unit but cannot reside in it while being assisted, except in the cases involving manufactured homes when the family owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The Housing Authority may not permit a voucher holder to lease a unit that is receiving project-based Section 8 assistance or any duplicative rental subsidies.

9.3.1 Special Housing Types
[24 CFR §982.601]

The Housing Authority must permit use of all special housing type listed below, if needed as a reasonable accommodation so the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR Part 8.

- Congregate housing
- Group home
- Shared housing
- Cooperative housing (excluding families that are not cooperative members)
- Homeownership (if homeownership program is available)
- Single Room Occupancy (SRO)

9.3.2 Ineligible Housing Types
[24 CFR §982.352(a)]

The Housing Authority will not approve:

- A unit occupied by the owner or by any person with an interest in the unit, other than manufactured homes described above.
- Nursing homes or other institutions that provide care.
- School dormitories and institutional housing.
- Structures that have not been properly converted. Owners will be required to provide finalized permits for all conversion work when the integrity and/or soundness of a structure is in question.
- Converted garages or other structures not intended to be living areas.
- Any other types of housing prohibited by HUD.

9.4 RESTRICTIONS ON RENTING TO RELATIVES
[24 CFR §982.306(d)]

In accordance with HUD policy, the family will not be allowed to rent a unit from an owner (including a principal or other interested party) who is the spouse, parent, child, grandparent, grandchild, and sister or brother of any member of the family. This restriction applies to all new contracts entered into after June 16, 1998.

Exceptions may be made to this policy as a reasonable accommodation for persons with a disability. The Housing Authority will review all such requests on a case-by-case basis. The family will be required to provide documentation of disability and how the particular unit, owned by the relative, could benefit the disabled person. Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification. In addition, the Housing Authority may request a copy of the owner's current utility bills and bank statement.

Failure to provide adequate documentation, within the specified time period (2 weeks), will be grounds for denial of such request.

In all cases, the owner of the assisted unit may not reside in the unit with the assisted household at any time during the term of the Housing Assistance Payment (HAP) Contract between the Housing Authority and the owner.

9.5 LEASE AGREEMENTS **[24 CFR §982.308 - §982.309]**

The tenant and the owner must enter a written lease for the unit. If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form, plus the required HUD Tenancy Addendum, which the Housing Authority will provide to the owner.

The Housing Authority will review the lease for compliance with regulations. At minimum, the lease must specify the following information:

- The names of the owner and tenant;
- The address of the unit rented;
- The term of the lease including the initial term and any provisions for renewal;
- The amount of the monthly rent to owner; and
- A specification of which utilities and appliances will be supplied by the owner, and which by the family.

The lease must provide the following are grounds for the owner to terminate tenancy [24 CFR §982.310(c)]:

- Drug- related criminal activity engaged in, on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control. In addition, the lease must provide that the owner may evict a family when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any of the following types of criminal activity by a covered person:
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises);
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
 - Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.
- If a tenant is:
 - Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or

- Violating a condition of probation or parole imposed under Federal or State law.

When needed, the Housing Authority may require the owner and family to execute a lease rider to include changes to the rent amount, changes to utility responsibilities and/or effective date on the owner's original lease.

The effective date of the lease and the HAP contract will be based on the date the unit passed inspection or the family took possession of the unit, whichever is later. For this purpose, the family is considered to be in possession of the unit when the family has a key to the unit and the unit is fully available for the family's exclusive use [24 CFR §982.305(b)].

9.5.1 Separate Agreements **[24 CFR §982.510(c)]**

Separate agreements are not necessarily prohibited. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

Owners and families may execute separate agreements for services (parking space), appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the Housing Authority.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

The Housing Authority is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the Housing Authority. If agreements are entered into at a later date, they must be approved by the Housing Authority and attached to the lease.

9.6 INITIAL INSPECTIONS

See Chapter 10 (Housing Quality Standards and Inspections).

9.7 RENT LIMITATIONS **[24 CFR §982.508]**

In accordance with HUD regulations, at the time the family initially receives assistance for a new unit, the family's share of the rent for the unit (includes

utilities and the rent to the owner) may not exceed more than 40 percent of the family's adjusted monthly income if the gross rent for the unit exceeds the payment standard. Although HUD does not place limits on the amount that a family may contribute towards rent (if the family is a continuing family or the gross rent for an initial lease does not exceed the payment standard), the Housing Authority is concerned about affordability. Therefore, whenever a family is contributing more than 60 percent of their adjusted family income towards rent, the family will be required to attend a Housing Authority affordability counseling session. Trained staff will review the family's financial situation and review the family's ability to meet their rental obligation. If the family discloses that they are concerned about their ability to meet their rental obligation, the Housing Authority will work with the family to help them locate another affordable unit. If the family indicates that they are able to meet all of their current financial obligations, the family will be allowed to proceed with their request to remain in the current contracted unit. A notation will be made in the family's file.

9.8 RENT REASONABLENESS
[24 CFR §982.507(a)(1)]

A rent reasonable test will be used to determine if the rent amount request by the owner can be approved. The Housing Authority's rent reasonableness policy, including appeals process, is covered in Chapter 11 (Setting Payment Standards and Determining Rent Reasonableness).

9.9 WHEN A NEW CONTRACT IS REQUIRED FOR AN EXISTING TENANCY

A new tenancy must be approved and a new contract must be executed for an existing tenancy only under the following circumstances:

- If the owner or family request a new lease;
- If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances; or
- If there are changes to provisions governing the terms of the lease.

9.10 INFORMATION TO OWNERS
[24 CFR §982.307(b)]

The Housing Authority is required to provide prospective owners with the address of the applicant and the names and addresses of the current and previous owner if known. The Housing Authority will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection. The Housing Authority will not release any other information regarding the family.

The Housing Authority will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, eviction history, damage to units, and other factors related to the family's suitability as a tenant [24 CFR §982.307(a)].

Information regarding the Housing Authority's policy on this subject is included in the briefing packet and as an attachment to the Request for Tenancy Approval. This policy will apply uniformly to all families and owners.

In addition to the information listed above, the Housing Authority provides owner workshops at least twice a year. At the workshops, current and prospective owners are given an overview of the program and information about any significant program changes. There is also ample time for a question and answer session.

9.11 OWNER DISAPPROVAL
[24 CFR §982.306(a) - §982.306(c)(4)]

For purposes of this section, "owner" includes a principal or other interested party, and to disapprove an owner means to prevent the participation of an owner in Housing Authority programs.

The Housing Authority is required to disapprove an owner for the following reasons:

- HUD has informed the Housing Authority that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR Part 24.
- HUD has informed the Housing Authority that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.
- HUD has informed the Housing Authority that a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal equal opportunity requirements.
- If the owner is the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of the family.

The Housing Authority also maintains the discretion to disapprove an owner for the reasons listed below. The Housing Authority may disapprove an owner for a period of 1 year for the following reasons:

- The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program.
- The owner has a history or practice of renting units that fail to meet State or local housing codes;
- The owner has not obtained a business license for rental property for the assisted unit, where required by local ordinance; or
- The owner has not paid State or local real estate taxes, fines or assessments.

An owner may be disapproved for a period of up to 5 years for the following reasons:

- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- The owner has a history or practice of failing to terminate tenancy of Section 8-assisted tenants, or tenants assisted under any other federally-assisted housing program, for activity engaged in by the tenant, any member of the household, guest or another person under the control of any member of the household that:
 - Threatens the right to peaceful enjoyment of the premises by other residents;
 - Threatens the health or safety of other residents, of employees of the Housing Authority, or of owner employees or other persons engaged in management of the housing;
 - Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or commits drug related criminal activity or violent criminal activity.

An owner may be disapproved for a period of up to 10 years for the following reason:

- The owner has engaged in any drug-related criminal activity or any violent criminal activity.

If an owner disagrees with the Housing Authority's disapproval, the owner may appeal the decision in writing within 10 calendar days from receiving the Housing Authority's decision. A supervisor will review the appeal and prepare a written decision within 30 calendar days after receiving the request. The decision of the supervisor is final.

9.12 CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

When the family reports changes in factors that will affect the Total Tenant Payment (TTP) prior to the effective date of the HAP contract, the information will be verified and the TTP will be recalculated. If the family does not report any change, the Housing Authority need not obtain new verifications before the HAP contract becomes effective.

If the contract is for a participant move and is processed as an annual reexamination, the family's income and other circumstances will be re-verified. If the new contract is effective within four months of the last annual reexamination, the Housing Authority will verify any reported changes. Any new verified information will be used together with information from the last annual reexamination to determine the family share of rent and the housing assistance payment.

9.13 CONTRACT EXECUTION PROCESS
[24 CFR §982.305(c)]

Provided that the unit passes inspection, the Housing Authority will prepare the HAP contract for execution. The family and the owner will execute the lease agreement, and the owner and the Housing Authority will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents.

The Housing Authority makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than 60 calendar days after commencement of the lease term and no payments will be made until the contract is executed.

The following Housing Authority representatives are authorized to execute a contract on behalf of the Housing Authority: Assisted Housing's Division Director, Assistant Director, Managers, Assistant Managers and Supervisors.

Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification.

9.13.1 Determining the Contract Effective Date

The effective date and the amount of the rental payment is communicated in writing to both the owner and family.

If the owner and the family have entered into a lease and provide a copy of the lease with the RTA, the effective date of the contract will be either:

1. The date the unit passed inspection (for families residing in the unit prior to the inspection date), or
2. The date that the Housing Authority authorized the owner to allow the family to take possession of the unit.

The contract effective date will be based on the later of these two dates. If the owner and the family have not executed a lease prior to the HAP contract negotiation process, then the HAP contract will become effective once the lease has been properly executed by both parties.

9.13.2 Prorating First Month's Rent

When the effective date of a new contract begins on a day other than the first of the month, the Housing Authority will determine a prorated contract rent amount. For consistency with rental industry standards, prorated amounts will be calculated by using 30 days to establish a daily rate (refer to 3/3/05 memo).

9.13.3 Proof Of Ownership

The Housing Authority will use property profile information obtained from a private vendor to confirm ownership of the assisted unit. If third party information cannot confirm ownership of the unit, the Housing Authority may also request a recorded deed or closing escrow statement to prove ownership.

Owners may also be required to provide a copy of a business rental license if the assisted unit is in a city where one is required.

Any requested information must be provided prior to execution of the HAP contract. Failure to provide the requested information within a reasonable period of time, generally not more than 30 calendar days, will result in a cancellation of the RTA.

9.13.4 Establishing Eligibility To Execute HAP Contract and Related Documents

In cases involving multiple owners, the Housing Authority will accept the signature of a designee on all contracts and related paperwork if all the legal owners have jointly agreed on the person/persons who may act on their behalf.

In cases involving multiple owners, the Housing Authority requires that all persons who have interest in the property sign or provide a letter of authorization, giving one or more parties the right to sign contracts and other program documents.

In cases involving a partnership or corporation, the Housing Authority may request the partnership agreement or incorporation documents to determine who is designated to act on the group's behalf. In cases involving a trust, the Housing Authority may request a copy of the trust in order to verify the names of the trustees.

The Housing Authority will not execute a HAP Contract until all proper authorization, from all appropriate parties, has been provided. Failure to provide information needed to establish authority to execute the HAP contract within a reasonable time, generally 30 calendar days, may result in a cancellation of the RTA.

Once the Housing Authority has established proper authorization, the letter of authorization will remain in effect until superseded by another authorization or the HAP contract is terminated. All changes or modification to the instructions provided in the current letter of authorization must be provided in writing.

9.13.5 Payment To The Owner [24 CFR §982.311(a)]

Once the HAP Contract is executed, the Housing Authority begins processing payments to the owner. Because the Housing Authority's sole method of payment to owners is direct deposit, new and existing owners must provide the necessary information for enrollment in the Housing Authority's direct deposit program. Payments will be made via direct deposit by the first of each month. Owners must notify the Housing Authority of any missing payments as soon as possible. The Housing Authority will accept report of missing payment both via a telephone call and/or in writing.

9.14 CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new contract.

The Housing Authority will process a change of ownership only upon the written request of the previous or new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title and the Employee Identification Number or Social Security number of the new owner.

In order to complete a change of ownership, the new owner must complete an Assumptions of Obligations and Benefits contract. This form obligates the new owner to the HAP contract. The Housing Authority will provide this document once a written request for a change is received.

When the assumption contract has been executed, the Housing Authority will send a copy of it, along with a copy of the original HAP contract and lease, to the new owner.

New owners are subject to the Housing Authority's owner disapproval policy as detailed in Section 9.10 of this chapter.

CHAPTER 10: HOUSING QUALITY STANDARDS AND INSPECTIONS

10.1 INTRODUCTION

This chapter describes the Housing Authority's procedures for implementing Housing Quality Standards (HQS), conducting different inspections, and setting standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences for noncompliance with HQS by the owner and family.

10.2 TYPES OF INSPECTIONS [24 CFR §982.405]

The Housing Authority conducts the following inspections, which will be explained in greater detail throughout the chapter:

- **New Contracts Inspection:** A unit must pass this HQS inspection before the Housing Authority enters into a HAP Contract with the owner.
- **Inspections at Other Times as Needed:**
 - **Interim Inspection:** HQS inspection conducted upon request of the owner, family or agency.
 - **Emergency Inspection:** HQS inspection conducted for life-threatening violations.
 - **Compliance Check/Home Visit Inspections:** An inspection conducted, without notice, to verify compliance with the Section 8 Program.
- **Annual Inspection:** A unit must pass its annual HQS inspection.
- **Quality Control Inspection:** The Housing Authority is required to conduct supervisor quality control HQS inspections.
- **Move-Out Inspection:** For its Moderate Rehabilitation Program, the Housing Authority may conduct a move-out inspection for contracts effective before October 2, 1995, at an owner's request, if a damage claim is to be submitted (see Section 20.9 for details on these inspections).

10.3 HOUSING QUALITY STANDARDS (HQS) [24 CFR §982.401]

HQS is the minimum quality standards set forth by HUD for tenant-based programs. These standards are in place to ensure that assisted housing is decent, safe and sanitary. All program housing must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

Efforts will be made at all times to encourage owners to provide housing above the HQS minimum standards.

HQS applies to the building and premises, as well as the unit. In order for a unit to pass an HQS inspection, the following standards must be met.

10.3.1 Unit Space and Size
[24 CFR §982.401(d)(2)(i)]

At minimum, a living room, kitchen area, and bathroom must be located in the unit.

10.3.2 Living Room / Sleeping Room
[24 CFR §982.401(d)(2)(ii)], [24 CFR §982.401(h)(2)(iv)], [24 CFR §982.401(f)]

- The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.
- There must be at least one window in the living room and in each sleeping room. If the window is designed to be openable, the window must open and close properly, and be large enough to provide emergency egress.
- The living room and each bedroom must have at least two electrical outlets in proper operating condition. Permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets.
- Bedrooms must also have a built-in closet or wardrobe, be located within the unit (e.g., no garages), and be private (have a closing door separating it from the rest of the unit). Bedrooms should also be finished in a quality similar to other bedrooms in the home.
- In cases where an owner has modified the rental unit without obtaining the proper city and/or County building permits, the Housing Authority may rely on the legal property description for the purposes of negotiating the rent and determining how many actual sleeping rooms are in the rental unit.

10.3.3 Sanitary Facilities (Bathroom)
[24 CFR §982.401(b)], [24 CFR §982.401(h)(2)(iii)], [24 CFR §982.401(f)(2)(ii)]

- The bathroom must be located in a separate private room and contain a working flush toilet.
- Bathroom areas must have one openable window or other adequate exhaust ventilation.
- The unit must have a fixed sink. The bathroom sink may be located separately from other bathroom facilities, but the kitchen sink may not also be used for the bathroom sink.
- The unit must have a shower or tub in proper operating condition, with hot and cold running water. The shower or tub need not be in the same room with other bathroom facilities, but they must be private.
- All walls in a tub or shower area must be covered with ceramic tile or other material that is impervious to water to prevent water damage and deterioration.

- Sinks and commode water lines must have shut off valves, unless faucets are wall-mounted. All sinks in the unit must have functioning stoppers.
- The bathroom must have a permanent ceiling or wall light fixture in proper operating condition.
- All bathrooms in the unit must be in proper operating condition.

10.3.4 Food Preparation (Kitchen)

[24 CFR §982.401(c), [24 CFR §982.401(f)(2)(ii)]

- The dwelling unit must have suitable space and equipment to store, prepare, and serve foods in a sanitary manner (i.e., kitchen).
- The dwelling unit must have an oven, and a stove or range, and a refrigerator of appropriate size for the family. All of the equipment must be in proper operating condition. The stove and oven must be properly hooked up to the gas, with no hazards present. The refrigerator must be able to maintain a temperature sufficient to keep food from spoiling over a reasonable period of time. The equipment may be supplied by either the owner or the family.
- A microwave oven may be substituted for a tenant-supplied oven and stove or range. A microwave oven may be substituted for an owner-supplied oven and stove or range if the tenant agrees and microwave ovens are furnished instead of an oven and stove or range to both subsidized and unsubsidized tenants in the building or premises.
- The kitchen area must have a permanent ceiling or wall light fixture in proper operating condition, and at least one electrical outlet in proper operating condition.
- The dwelling unit must have a permanently attached kitchen sink in proper operating condition, with a sink trap and hot and cold running water. The sink must have a shut off valve, unless faucets are wall-mounted, and must drain into an approvable public or private system. All sinks in the unit must have functioning stoppers.
- There must be facilities and services for the sanitary disposal of food waste and refuse, including temporary storage facilities where necessary (e.g., garbage cans).

10.3.5 Ceilings, Walls, Floors and Building Exterior

[24 CFR §982.401(g)]

- The unit must be structurally sound. The structure must not present any threat to the health and safety of the occupants and must protect the occupants from the environment.
- Ceilings, walls, floors and fences must not have any serious defects such as severe bulging or leaning, large holes, loose surface materials, severe buckling, missing parts, or other serious damage.
- Wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be re-secured and made level. If the boards cannot be leveled, they must be replaced.

- The exterior wall structure and surface must not have any serious defects such as serious leaning, buckling, sagging, large holes, or defects that may result in air infiltration or vermin infestation.
- In areas where plaster or drywall is sagging, severely cracked, bulging or leaning, or has large holes, it must be repaired or replaced.
- The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable. Stairs with four or more steps must have a secure handrail.
- A porch or balcony at least 30 inches or more from the ground must have secure railings.
- The roof must be structurally sound and weather tight and must not have any serious defects, such as buckling or sagging. Gutters, downspouts and soffits must not show signs of serious decay and must not allow entry of significant air or water into the interior of the structure.
- The chimney must not be seriously leaning or showing evidence of significant disintegration.
- Building foundations must not have any severe structural defects that may create a hazardous condition, including allowing significant entry of ground water.

10.3.6 Windows

[24 CFR §982.401(f)(1)(ii)], [24 CFR §982.401(d)(2)(iii)]

- All window sashes must be in good condition, solid, intact, and fit properly in the window frame. Damaged or deteriorated sashes must be replaced.
- Windows must be weather-stripped as needed to ensure a weather tight seal.
- Windows must not have missing or broken-out panes, or panes that are dangerously loose or have large cracks.
- If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the system.
- Dwelling unit windows that are accessible from the outside, such as basement, first floor, and fire escape windows, must be lockable (such as window units with sash pins or sash locks, and combination windows with latches).
- Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.

10.3.7 Doors and Unit Access

[24 CFR §982.401(d)(2)(iv)], [24 CFR §982.401(k)]

- All exterior doors must be solid core and weather tight to avoid any air or water infiltration, have no holes, and have all trim intact.

- All interior doors must have no holes, have all trim intact, and be openable without the use of a key.
- All exterior doors must have dead bolt locks.
- The unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

10.3.8 Thermal Environment

[24 CFR §982.401(e)]

There must be a safe system for heating the unit, in proper operating condition. The heating unit must be affixed to the unit and be able to provide adequate heat, either directly or indirectly, to each room. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable. Portable heaters are not acceptable. Heating equipment also must not pose other unsafe conditions, such as improper flue connection or installation of equipment.

10.3.9 Electricity

[24 CFR §982.401(f)]

The unit must not contain any electrical hazards, such as exposed electrical connections; broken, noninsulated or frayed wiring; improper types of wiring, connections or insulation, or wires lying in or near standing water or other hazardous locations.

The improper installation of a three-pronged outlet is considered an electrical hazard. All three-pronged outlets must be properly grounded or protected by a ground fault circuit interrupter (GFCI) outlet. An outlet is considered protected by a GFCI outlet if:

- The outlet is a GFCI outlet; or
- A GFCI outlet is located up stream on the circuit from the ungrounded, three-pronged outlet and will shut off current to the ungrounded outlet in case of a surge in the electrical current; or
- The ungrounded, three-pronged outlet is located on a GFCI circuit.

10.3.10 Smoke Detectors

[24 CFR §982.401(n)]

- Each assisted unit must be equipped with at least one properly working battery-operated or hard-wired smoke detector on each level of the unit.
- Whenever possible, smoke detectors should be installed in a hallway adjacent to a bedroom.
- If an assisted unit is occupied by a household with hearing-impaired persons, a permanently installed smoke detector designed for people with hearing-impaired persons must be located in each bedroom that is occupied by a hearing-impaired person.

**10.3.11 Neighborhood and Site Conditions; Sanitation and Environment
[24 CFR §982.401(l)], [24 CFR §982.401(m)]**

- The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade. These can include dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.
- Adequate covered facilities for the disposal of rubbish must be present at the site, such as covered dumpsters and other covered refuse containers approvable by the local health and sanitation department.
- The unit and its equipment must be in sanitary condition, and free from vermin and rodent infestation.

**10.3.12 Manufactured Homes/Mobile Homes HQS Requirements
[24 CFR 982.621]**

In addition to meeting all other HQS requirements, a mobile home must meet the following requirements:

- It must be situated on a site that is stable and free from hazards such as sliding or wind damage.
- Must be appropriately anchored by a tie down device that distributes and transfers the load imposed by the unit to appropriate ground anchors to resist wind overturning and sliding. Alternative types of anchors, beams and foundation bolts are permissible if they meet manufacturer's specifications.
- One operable smoke detector is required.

**10.3.13 Additional Housing Quality Standards
[24 CFR §982.401(a)(4)]**

The Housing Authority is authorized to enhance HQS, provided that by doing so the Housing Authority does not overly restrict the number of units available for leasing. The enhancements adopted by the Housing Authority are meant to ensure that assisted units are safe in relation to other units rented throughout Los Angeles County.

In addition to the HQS identified by HUD, all assisted units must also be in compliance with the following items derived from California and Los Angeles County Code, in order to pass an HQS inspection.

- **Double Cylinder Locks:** Double-keyed deadbolts, or any other lock requiring special knowledge or a tool to open, are prohibited in a residential unit. All doors that provide an exit from the residence must be openable from the inside without the need of a key or any other special knowledge, effort or tool.
- **Swimming Pools:** Swimming pools in multifamily structures must be enclosed by a gate from 48 inches to 60 inches tall. The gate must be

self-closing with a self-closing latch and a protected panel must surround the latch.

- **Hot Water Heater:** Water heaters must have a temperature-pressure relief valve and discharge line (directed toward the floor or outside of the living area) as a safeguard against build up of steam if the water heater malfunctions. Gas or oil-fired water heaters must be vented into a properly installed chimney or flue leading outside. Electric water heaters do not require venting. A gas water heater must have a safety divider or shield if it is located in a bedroom or other living area.

If the water heater is located in a large apartment building (at least 25 units) and the unit is inaccessible, staff must check inconclusive on the inspection report. The item may be cleared if the owner or manager can provide documentation to show it has passed a local inspection.

- **Earthquake Straps for Water Heaters:** Must be secured for seismic stability. All water heaters must be braced, anchored or strapped to prevent falling or movement during an earthquake.
- **Garages:** Garages, whether attached or detached, must be accessible. Garages are not to be used as a living space.

10.3.14 Single Room Occupancy (SRO) HQS Requirements **[24 CFR §982.605]**

The HQS requirements outline in the above sections apply to SRO housing along with some additional requirements for access, fire safety, sanitary facilities, and space and security. The additional requirements are as follows:

- **Access:** Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit for the building, appropriately marked and leading to a safe and open space at ground level.
- **Fire Safety:** All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways and common areas. SROs must also have hard-wired smoke detectors.
- **Sanitary Facilities:** At least one flush toilet that can be used in privacy, a lavatory basin, a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets.

Sanitary facilities must be reasonably accessible from a common hall or passageway, and may not be located more than one floor above the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- **Space and Security:** A SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the

SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from the outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

10.3.15 Serious Deficiencies

Assisted units must meet all HQS performance requirements in order to pass an inspection. The Housing Authority has compiled the following list of specific conditions that are considered serious deficiencies that may cause a unit to fail an inspection. This list assists inspectors in making a determination regarding the condition of an assisted unit; however, deficiencies are not limited to this list:

1. No TPR/Drainpipe on water heater
2. Clogged toilets/sinks/wash basins/bathtubs
3. Severely worn or torn floor coverings posing a tripping hazard
4. Evidence of vermin infestation (fleas, roaches, termites, mice, and rats) in and around assisted unit
5. Excessive rubbish or debris in or around the assisted unit
6. Heavy accumulation of brush, weeds or tree branches near or extending over the assisted unit or in the power lines
7. Uneven, broken or lifting exterior walkways or driveways that pose a tripping hazard
8. Missing, loose or broken handrails, guardrails or balusters
9. Lack of windows in living or sleeping rooms
10. Lack of exterior ventilation (window or exhaust fan) in bathroom
11. Flammable or combustible materials stored near water heater or furnace
12. Missing or inoperable security bar release mechanism on bedroom windows
13. Evidence of sewage in or around assisted unit
14. Exterior doors or windows that do not open, close or lock properly
15. Exterior doors or windows that do not close and form a reasonably weather tight seal
16. Inoperable refrigerator or stove/range/oven
17. Hot water heaters not seismically restrained

10.4 LEAD-BASED PAINT **[24 CFR §982.401(j)]**

The Housing Authority's rental assistance programs are subject to the requirements of the Lead-Based Paint Poisoning Prevention Act and the

Residential Lead-Based Paint Hazard Reduction Act of 1992. Applicable regulations are detailed in 24 CFR §35.

The Housing Authority will be responsible for the collection of LBP disclosure information; conducting Visual Assessment inspections; assuring that Clearance Examinations are conducted; collect data regarding Elevated Intervention Blood Lead Level (EIBLL) cases, and informing owners of their responsibilities.

10.4.1 Disclosure
[24 CFR §35(Subpart A)]

Owners of units built before 1978 are required to disclose to lessees all available information about the presence of lead-based paint or lead-based paint hazards and provide any available record or reports pertaining to the presence of lead-based paint or lead-based paint hazards, before the lease is enacted.

Lessees must also receive a copy of the lead hazard information pamphlet, "Protect Your Family From Lead in Your Home."

For all new contracts, the Housing Authority will require owners to certify on the RTA that they have met all applicable lead-based paint disclosure requirements. If applicable, the Housing Authority will require owners to submit a copy of the lead-based paint disclosure statement, and any inspection reports.

The Housing Authority will include a sample lead-based paint disclosure form and a lead hazard information pamphlet in voucher issuance packets for participants. Materials will be made available directly to owners upon request.

For units built before 1978, the Housing Authority will not approve an owner lease without receiving all applicable lead-based paint disclosure information.

10.4.2 Lead-Based Paint Visual Assessment
[24 CFR §35.1215]

The Housing Authority is required to conduct lead-based paint visual assessments for all units built prior to 1978 that house or will house a child or children under 6 years of age, at the time of the new contract inspection and at annual inspections.

The Housing Authority inspectors conducting lead-based paint visual assessments will be trained according to HUD requirements.

The purpose of the visual assessment is to identify any deteriorated paint. Deteriorated paint is paint that is peeling, chipping, chalking or cracking, or any paint or coating located on an interior or exterior surface or fixture that is otherwise damaged or separated from the substrate. Inspectors will check the condition of painted surfaces. If any deteriorated paint is found in the course of the inspection, the unit will fail the lead-based paint visual assessment. Owners must perform paint stabilization on all deteriorated paint surfaces regardless of the size of the deteriorated surface. If the amount of deteriorated paint is below the de minimis level, the owner must perform paint stabilization, but is not required to perform lead-safe work practices and clearance. The de minimis thresholds are defined as 20 sq. ft. (2 sq. meters) on exterior surfaces; 2 sq. ft. (0.2 sq. meters) in any one interior room or space; or 10% of the total surface

area on an interior or exterior type of component with a small surface area (such as window sills, baseboards, and trim).

If deteriorated paint exceeds the de minimis thresholds as defined by HUD, the unit will fail the lead-based paint visual assessment and require stabilization and a clearance report

10.4.3 Stabilization and Clearance **[24 CFR §35.1215]**

Owners of units that fail the lead-based paint visual assessment above de minimis levels will be required to stabilize deteriorated paint in order for the unit to pass, using lead-safe work practices.

The Housing Authority will send a letter to owners of failed units that provides guidance on stabilizing paint and other required activities. Owners will have 30 calendar days from the letter date to complete the following:

- **Repair the deteriorated paint.** Work must be performed by certified lead workers using lead-safe work practices. The Housing Authority will provide owners with resources and information on meeting these guidelines.
- **Obtain a Clearance Report.** A contractor certified by the Environmental Protection Agency (EPA) must inspect the unit and prepare a Clearance Report summarizing the work completed and the inspection results.
- **Complete the Housing Authority's Lead-Based Paint Owner Certification form.** The owner must certify that all applicable requirements have been met.
- **Submit Clearance Report and Certification to the Housing Authority.** The Housing Authority will accept paperwork by mail, fax, and hand delivery.

The owner is responsible for informing tenants of all lead hazard reduction work and evaluations, in a manner consistent with HUD regulations.

If the unit has been previously certified free of lead-based paint by a certified inspector, the owner may submit a copy of the inspector's report, along with the certification form, to the Housing Authority.

The Housing Authority will review the Clearance Report and certification form for completeness. The Clearance Report must contain all information required by HUD. If the Clearance Report passes, the unit will receive a pass on the visual assessment; no further inspection visit is required.

On new contracts inspections, the passing Clearance Report and valid certification form must be received by the Housing Authority before the Housing Authority can enter into a HAP Contract with the owner. If this does not take place within 30 calendar days, the Housing Authority will cancel the RTA.

For annual inspections, if the owner fails to submit the passing Clearance Report and valid certification form within 30 calendar days, the Housing Assistance Payments (HAP) will be placed on hold (abated) for the unit and the participant

will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated. See Section 10.11.1 for details on abatement.

Assisted Housing's Director will review reasonable cause requests for extension. Extension requests must be submitted in writing within the first 30 calendar days of the failed lead-based paint visual assessment. An extension shall not extend beyond 90 days after the date of notification to the owner of the results of the visual assessment. If an extension is approved, the HAP will not be abated during this extension period. Reasonable cause circumstances include prohibitive weather conditions, financial hardship, and rehabilitation in progress.

10.4.4 Children with Environmental Intervention Blood Lead Levels [24 CFR §35.1225]

On a quarterly basis, the Division will send the Los Angeles County Department of Health Services Childhood Lead Poisoning Prevention (CLPP) Program the addresses of assisted families with children under the age of 6. CLPP Program staff will check the addresses for matches with cases of identified Environmental Intervention Blood Lead Levels (EIBLL). If a match is found, CLPP Program staff will conduct a Risk Assessment of the occupied unit and forward a report to the Division. A Risk Assessment is a comprehensive evaluation for LBP hazards that goes beyond the Visual Assessment component including paint testing, and dust and soil sampling. The Risk Assessment Report identifies lead hazards and appropriate lead hazard reduction methods.

A copy of the Risk Assessment Report must immediately be forwarded to the participating owner once received by the Division. The owner must post a Notice of Lead Hazard Evaluation within 15 calendar days and complete lead hazard reduction and clearance activities as advised in the Report within 30 calendar days. The Housing Authority is not allowed to assist any other participant in the unit until the owner complies with the Report.

If informed about an EIBLL case from a source other than the CLPP Program, the Division must submit the information to the CLPP Program within 5 calendar days. The CLPP Program will conduct a Risk Assessment of the occupied unit if required.

10.5 INSPECTIONS SCHEDULE

Inspections are conducted on business days between the hours of 7:00 a.m. and 5:00 p.m. An individual over 18 years of age must be present to allow entry for the inspector.

Please see section 10.7.3 for the inspections schedule for Compliance Checks/Home Visit Inspections.

10.6 NEW CONTRACT INSPECTIONS **[24 CFR §982.305(b)(2)(i)(B)]**

Under normal circumstances, new contract (initial) inspections are conducted within 15 calendar days following the receipt of a Request for Tenancy Approval. The new contract inspection is conducted in order to:

1. Determine if the unit, including common areas, meets housing quality standards.
2. Document the current condition of the unit. This will serve as the basis to evaluate the future condition of the unit, i.e. excessive wear and tear.

10.6.1 When HQS Deficiencies Must Be Corrected

If the unit fails the initial inspection, the unit will be scheduled for a follow-up inspection within 10 calendar days. The owner will be given 30 calendar days to correct the deficiencies. The owner can request an inspection sooner if repairs have been made prior to the scheduled follow-up inspection date.

If the time period given by the Housing Authority to correct the deficiencies has lapsed, or the maximum of three failed inspections has occurred, the family must select another unit.

The Housing Authority will not enter into a HAP Contract with the owner until the unit passes the inspection. However, the family may already be in the unit when the new contract inspection is conducted. If the family lives in the unit at the time of the new contract inspection, they are responsible for meeting their HQS obligations. See Section 10.8 for details of the family's HQS obligations.

10.7 ANNUAL AND INTERIM INSPECTIONS **[24 CFR §982.405]**

10.7.1 Annual Inspections

In order to assure that units meet housing quality standards throughout the assisted tenancy, the Housing Authority conducts inspections at least annually.

As stated in the family obligations, the family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice. The Housing Authority will notify the family and/or owner of the date and time of the scheduled inspection appointment in writing at least 15 calendar days prior to the inspection.

Appointments may be rescheduled before the scheduled inspection as long as the new inspection date allows the Housing Authority to remain in compliance with HUD HQS requirements. Inspections may be rescheduled by phone, fax or email. If the family misses the inspection appointment and fails to contact the Housing Authority to reschedule the inspection beforehand, the Housing Authority will consider the family to be in violation of the Certified Statement of Family Obligation agreement and will initiate termination procedures in accordance with the Housing Authority's policy for proposed termination. If the family missed the inspection appointment for good cause,

including but not limited to, illness, injury, or hospitalization, the Housing Authority may consider, on a case by case basis, evidence to support the reason for the missed appointment before proposing termination. If it is the first time the family missed an inspection appointment without good cause, a one-time counseling session will be conducted with the family in lieu of proposing termination.

10.7.2 Interim Inspections

Interim inspections are conducted at the request of the owner, family, or agency (usually as a result of a violation of HQS or violation of the lease). Interim inspections may be scheduled and conducted at any time of the year.

10.7.3 Compliance Check/Home Visit Inspections

The Compliance Check/Home Visit Inspections are used to verify the household and owner's compliance with the Housing Choice Voucher and other similarly administered housing assistance programs. These inspections are conducted without prior notice to the family or owner.

These inspections will occur between the hours of 7:30 a.m. and 6:30 p.m. on Monday through Friday. However, if circumstances require a visit outside this timeframe (for instance, because the household members work outside the home during those hours), then a notice of weekend or evening visit shall be given to the tenant, either by mail or by leaving such a notice at the residence. The notice may state that the Housing Authority will return to conduct an inspection within the next thirty (30) days. No specific day or time need be given on the notice. If notice is provided by the Housing Authority of a future visit, then a Housing Authority investigator may conduct their investigation from 7:30 a.m. to 7:30 p.m. on Monday through Friday and 9:00 a.m. to 5:00 p.m. on Saturdays.

The Housing Authority investigators must request consent from someone they reasonably believe is:

1. Eighteen (18) years of age or older; and
2. A person in control of the home.

Housing Authority investigators may, for their personal safety, have law enforcement present during the Compliance Check/Home Visit Inspection. The person(s) present at the residence may refuse to provide the Housing Authority investigator and/or law enforcement personnel consent to enter the residence. The refusal to provide consent will not jeopardize the household's housing assistance benefits.

If the household refuses to provide Housing Authority investigators consent to enter, the Housing Authority may schedule an appointment to address the investigators' concerns that must be attended by the head of household. Failure to appear is cause for termination. The participant family may reschedule the appointment for good cause such as, but not limited to, illness, injury or hospitalization.

If the Housing Authority investigators are not the lead agency approaching an assisted unit, then the above-stated inspection hours do not apply. Housing Authority investigators may conduct a Compliance Check/Home Visit as the lead

agency outside the above-stated business hours only with the written approval of the Executive Director.

10.8 FAILED INSPECTIONS: DETERMINATION OF RESPONSIBILITY **[24 CFR §982.404(b)]**

If deficiencies cause an assisted unit to fail an inspection, Housing Authority inspectors will determine who is responsible at the time of inspection.

In accordance with family obligations, the following deficiencies are considered the responsibility of the family:

- Family-paid utilities not in service;
- Failure to provide or maintain family-supplied appliances; and
- Damages to the unit or premises caused by a household member or guest beyond normal wear and tear.
 - “Normal wear and tear” is defined as items that could be charged against the family’s security deposit under state law or court practice.

The owner is responsible for all other HQS violations. In cases such as vermin infestation, where burden of responsibility is not immediately clear, Housing Authority inspector will determine the responsible party.

HQS deficiencies that cause a unit to fail must be corrected by the owner, unless the family is responsible for the deficiencies.

10.9 FAILED INSPECTIONS: WHEN DEFICIENCIES MUST BE CORRECTED **[24 CFR §982.404(a)(3)]**

10.9.1 Emergency Fail Deficiencies

Items that endanger the family’s health or safety are considered emergency fails. These deficiencies must be corrected within 24 hours of inspection. The following deficiencies are considered life-threatening, emergency fails, and will cause a unit to be labeled uninhabitable:

- Gas leaks
- Major plumbing problems
- No running water
- No functioning toilet
- Unstable roof/structure

In cases where the unit is deemed uninhabitable, the family will be issued a voucher within 24 hours so that they can make arrangements to secure another residence if necessary.

If an emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the owner is responsible, the housing assistance payment will be abated immediately and the contract will be terminated.

If repairs are completed and the family wishes to move back into the unit, a new RTA will need to be submitted for that unit and the New Contract Process will need to be completed again.

If the emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the family is responsible, the Housing Authority will terminate the family's assistance for violating family obligations (see Chapter 15: Family Obligations), but will not abate the payment to owner for that month.

10.9.2 Non-Emergency Fail Deficiencies

Non-emergency deficiencies that cause a unit to fail the inspection must be corrected within a 30 calendar-day cycle. The family and owner will be notified of the failed items in writing. Within the 30 calendar days from the notification letter, the owner and family must make the appropriate corrections and notify the Housing Authority so that a follow-up inspection can be scheduled.

If the necessary repairs have been completed prior to the next scheduled inspection, the owner or tenant may request an earlier inspection date. Requests for earlier repair dates will be reviewed and accommodated in a case-by-case basis.

For major repairs, the Inspections Housing Unit Supervisor or Manager may approve an extension beyond 30 calendar days. However, this extension cannot exceed 60 calendar days.

If the family is not at home for the follow-up inspection appointment, a card will be left at the unit with instructions. A second follow-up inspection will be scheduled automatically and the owner and family will be notified by mail.

If owner-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance payments will be abated and the contract may be terminated. If family-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance may be terminated. See Sections 10.10 and 10.11 below for more information.

10.9.3 Non-Emergency Fail Deficiencies Not Requiring Follow-up Inspection

The following deficiencies will not require a follow-up inspection if cleared by proper owner certification:

- Inoperable gas wall or floor heater
- Damaged (not missing) outlet covers
- Inoperable secondary smoke detectors
- Presence of vermin/roaches (not infestation)
- Minor faucet and/or plumbing leaks

These deficiencies must be cleared by a certification signed by owner and participant. Appropriate third-party documentation must also be supplied where appropriate, including a utility receipt, invoice, or Gas Company tag. If the certification is not approved by a supervisor, a follow-up inspection must be performed.

10.10 CONSEQUENCES OF VERIFIED FAMILY-CAUSED DEFICIENCIES

[24 CFR §982.552(a)]

The family has a responsibility to maintain the assisted unit in good condition and to notify the owner of needed repairs. If non-emergency violations of HQS are determined to be the responsibility of the family, the Housing Authority will require the family to make any repair(s) or corrections within the 30 calendar-day cycle. Housing assistance will be terminated if an assisted unit continues to fail housing inspections for family-caused deficiencies or the family fails to keep scheduled appointment(s). See Chapter 15 (Family Obligations) for more information.

Extensions will be granted on a case-by-case basis and must be approved by the Unit Supervisor. Extensions may be granted as a reasonable accommodation in accordance with sections 1.8.2 and 7.10.10.

If it has been concluded that all deficiencies are family-caused, the owner's rent will not be abated for such items.

10.11 CONSEQUENCES OF VERIFIED OWNER-RELATED DEFICIENCIES

[24 CFR §982.404(a), 24 CFR §982.452 and 24 CFR §982.453]

The owner is responsible for maintaining the unit in accordance with HQS. When it has been determined that an assisted unit fails to meet HQS, the owner of that unit is responsible for completing the necessary repair(s) in the time period specified by the Housing Authority. If the owner fails to correct deficiencies within the specified time period, the Housing Authority is obligated to withhold (abate) housing assistance payments.

10.11.1 Abatement

[24 CFR §982.453(b) and 24 CFR §982.404(a)(3)]

Abatement is defined as withholding Housing Assistance Payments (HAP) to the owner for the period of time the unit is out of compliance with HQS requirements.

HAP will be abated if:

1. The assisted unit fails the first and second housing inspections due to owner-related deficiencies.

If a unit fails the first inspection due to owner-related deficiencies, the notice sent to the owner stating the deficiencies, repairs that need to be made, and the date of the next inspection will also serve as notice that HAP will be abated if the unit fails a second inspection due to owner-related deficiencies.

If, after the 30-day correction period, the unit then fails the second inspection due to owner-related deficiencies, the Housing Authority will stop payment on the first day of the month following the expiration of the 30-day correction period.

The owner will be notified of the date of a final inspection. Under normal circumstances, the Housing Authority will inspect an abated unit within 30 calendar days after the abatement notification has been issued.

If the owner makes repairs during the abatement period, HAP payments will resume on the day the Housing Authority's inspector has verified the corrections and the unit passes inspection.

A 30-day calculation standard will be used to reconcile abatement payments. Please refer to memo dated 3/3/05.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the family is not responsible for the Housing Authority's portion of rent that is abated. However, the family is responsible to pay its portion of the rent while abatement is in effect.

If an assisted unit fails the third and final housing inspection for owner-caused deficiencies, the Housing Authority will terminate the HAP Contract. The Housing Authority will notify the owner of the termination in writing 30 calendar days before it becomes effective. Abatement will remain in effect until the effective date of the termination.

The Housing Authority is prohibited from implementing rent abatement for family-caused deficiencies. However, abatement will apply if family-caused and owner-related deficiencies exist together.

2. **The Housing Authority has verified that the assisted unit has emergency fail deficiencies, and the owner did not complete the necessary repairs within the required timeframe.**
3. **A unit built before 1978 that houses or will house a child under 6 years of age fails the lead-based paint visual assessment, and the owner fails to submit a complete, passing clearance report and certification within 30 calendar days.** Owners will receive notice by mail if a unit fails the lead-based paint visual assessment. They will have 30 calendar days from the date of the notice to perform clearance and submit passing paperwork. If the owner fails to meet these requirements (see Section 10.4 for more information on lead-based paint), HAP will be abated and the Housing Authority will stop payment on the first day of the month following. The participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated.

Families that reside in units that have been abated will be issued a voucher and will have the option to move even if the assisted unit passes inspection at the third and final inspection (this excludes participants of the Moderate Rehabilitation Program).

10.11.2 Termination of Contract [24 CFR §982.453(b)]

When the HAP Contract has been terminated, the family will be required to move in order to continue receiving rental assistance.

RTA submitted for units that have been terminated due to abatement will be reviewed on a case-by-case basis. In cases where the RTA is accepted, the family will be brought in for counseling on their situation.

10.12 QUALITY CONTROL INSPECTIONS

[24 CFR §982.405(b)]

To ensure efficient program operations, it is essential for management to apply sound quality control practices. The purpose of quality control inspections is to objectively ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of HQS.

Quality control inspections will be performed by a Quality Assurance Representative according to SEMAP Indicator #5 which meets the minimum quality control sample size for the number of units under HAP contract during the last completed Housing Authority fiscal year for SEMAP.

CHAPTER 11: SETTING PAYMENT STANDARDS AND DETERMINING RENT REASONABLENESS

11.1 INTRODUCTION [24 CFR §982.503]

The Housing Authority is responsible for ensuring that the rents charged by owners are reasonable based upon objective comparables in the rental market. When the Housing Authority has determined that the unit meets the minimum HQS, that the lease is approvable, and that the rent is reasonable, it will make timely payments to the owner and notify the owner of the procedures for rent adjustments in the rental assistance programs. This chapter explains the Housing Authority's procedures for setting and adjusting the payment standards and performing rent reasonableness analysis.

11.2 PAYMENT STANDARDS FOR THE VOUCHER PROGRAM [24 CFR §982.503(b)(1)]

HUD regulations allow the Housing Authority to set Payment Standards at a level that is between 90 percent to 110 percent of the Fair Market Rent for Los Angeles County. The Housing Authority must set the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families on the waiting list as possible.

The Housing Authority will review the payment standards at least annually to determine whether an adjustment should be made for some or all unit sizes. The following provides a list of the factors that will be used to evaluate the adequacy of the payment standard and/or be used to make a determination to adjust standards, as appropriate.

As a reasonable accommodation, a family may request a higher payment standard. The Housing Authority may, at its discretion and in accordance with sections 1.8.5, approve a higher payment standard to 110% of the prevailing Fair Market Rent (FMR). In accordance with section 1.8.6, if the payment standard requested is between 111% and 120% of the FMR, the Housing Authority will submit a request to the local HUD office to approve the higher payment standard. If the requested payment standard is over 120% of the FMR, the request must be submitted to HUD Headquarters in Washington D.C. for final approval. Under these circumstances the Housing Authority may not approve the reasonable accommodation until it is approved by HUD.

11.2.1 Assisted Families' Rent Burdens

The Housing Authority will review reports showing the percent of income used for rent by voucher families to determine the extent to which the rent burden is more than 50 percent of income.

If more than 40 percent of program families in the overall program, or for a specific unit size, are contributing in excess of 50 percent of their adjusted

monthly income towards rent, the Housing Authority will consider increasing the voucher payment standards. The payment standard will not be raised if:

- The payment is already at the maximum level HUD will allow (110%).
- The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase.

11.2.2 Success Rate of Voucher Holders

The Housing Authority will periodically review the success rate of voucher holders. If 25 percent or more of new admissions and/or families wishing to move are unable to use the vouchers due to current rental rates in Los Angeles County, the Housing Authority will consider increasing the payment standard for particular unit sizes and/or the entire program, as appropriate.

The payment standard will not be increased if:

- The payment is already at the maximum HUD will allow (110%)
- The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase

11.2.3 Rent Reasonableness Database

The Housing Authority will review the rent information in the rent reasonableness data bank and compare it to the payment standards established for the Housing Choice Voucher Program. If the rent reasonableness review indicated that the payment standards are higher than the average rental unit in Los Angeles County, the payment standard for the specific unit size, or all payment standards, will be lowered to reflect the current market rents.

11.2.4 Quality of Units Selected

The Housing Authority will review the quality of units selected by participant families before determining any change to the Payment Standard to ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

11.2.5 File Documentation

A file will be retained in the Housing Authority's Administrative Support Unit for at least 3 years to document the analysis and findings to justify whether or not the Payment Standard was changed.

11.3 RENT REASONABLENESS DETERMINATIONS **[24 CFR §982.507]**

Rent reasonableness determinations are made when units are placed under HAP contract for the first time, when an owner requests a rent increase, and at the HAP contract anniversary if there is a 5 percent decrease in the published fair market rent (FMR) in effect 60 days before the HAP contract anniversary. The

Housing Authority will determine and document on a case-by-case basis that the approved rent [24 CFR §982.507(b) and §982.507 (c)]:

1. Does not exceed rents currently charged on new leases by the same owner for an equivalent unassisted unit in the same building or complex, and
2. Is reasonable in relation to current asking rents and existing rents charged by other owners for comparable units in the unassisted market.

The Housing Authority contracts with an outside agency to provide the Rent Comparable System, *RENTELLECT*. This system considers a variety of criteria to provide rent comparable information, including:

Unit location

- Quality
- Size
- Type
- Age of the contract unit
- Amenities
- Housing services
- Maintenance; and
- Utilities provided by the landlord.

RENTELLECT applies a statistical methodology to calculate a predicted or probable market rent for the unit and a reasonable range of market rent. In cases where there are insufficient data records in a given area to establish comparables for a given unit, *RENTELLECT* groups and utilizes similar unit profiles from adjacent census tracts to determine a reasonable market range. The median amount is used, unless an exception is approved by a Division Manager.

11.3.1 Rent Determination for units with Low Income Housing Tax Credits (LIHTC) or HOME-funded subsidies

Rent reasonableness does not need to be determined when an owner's proposed rent for a LIHTC or HOME unit is at or below the rent for similarly assisted units, in the same building, not occupied by voucher holders. The proposed rent will be deemed reasonable.

The Housing Authority will not approve rents in LIHTC or HOME-funded units that exceed the higher of the voucher payment standard, as set by the Housing Authority, and the maximum rents under the tax credit and HOME programs, as applicable.

11.4 RENT INCREASES
[24 CFR §982.519]

The Housing Authority will process rent increases at the time of the participant's annual reexamination. As stated in the HUD Tenancy Addendum, the owner must notify the Housing Authority at least 60 days before the proposed effective

date of the intended rent increase. The tenant must be notified in writing, and the written notice must be submitted to the Housing Authority.

As authorized by the HAP contract, the Housing Authority will not approve a rent increase if the HAP contract is in abatement for owner-related HQS deficiencies. In accordance with the HUD Tenancy Addendum, the Housing Authority will disapprove requests made during the initial term (first 12 months) of a lease.

The Housing Authority will use the same criteria defined above to determine if a request for a rent increase meets the rent comparability requirement. If the new rent is not rent comparable, the Housing Authority will advise both the owner and the family that the increase cannot be approved. If a partial rent increase can be approved, the Housing Authority will notify the owner, and process the partial increase upon owner approval.

An owner who disagrees with the determination may exercise any of the following options:

- Adjust his/her request for a rent increase.
- Serve the family with a proper termination notice.

CHAPTER 12: RE-EXAMINATION

12.1 INTRODUCTION **[24 CFR §982.516(a)]**

To assure that tenancy is restricted to participants meeting the eligibility requirements for continued occupancy and are charged appropriate rents; the eligibility status of each participant is re-examined at least annually, based on the anniversary date, per HUD requirements. The initial contract establishes the anniversary date for all new admissions. For continuing participants, the anniversary date established as of February 2011 will remain unchanged.

The effective date of an annual reexamination may be no more than twelve months from the effective date of the previous year's annual reexamination, or the anniversary date of the HAP contract if within the first year of the contract.

12.1.1 Procedure

To maintain program efficiency and integrity, the Housing Authority at its own discretion may conduct re-examination interviews by mail or in-person. The Housing Authority will attempt to conduct all annual re-examinations interviews through the mail. Annual re-examinations not completed through the mail process will be conducted in person.

12.2 RE-EXAMINATION NOTIFICATION TO THE FAMILY

Participating families are advised of the annual re-examination requirement and the importance of reporting income and family composition changes as they occur during the initial re-examination.

12.2.1 Persons with Disabilities **[24 CFR §8.24(a)]**

Persons with disabilities who are unable to come in to the Housing Authority's office will be granted a reasonable accommodation of conducting the interview at the person's home or by mail, upon verification that the accommodation requested meets the need presented by the disability.

12.2.2 Requirements to Attend

If it is determined that a participant (family) will need to come to the Housing Authority's office then all adult household members 18 years and older will be required to attend the re-examination interview.

12.2.3 Failure to Respond

If a family fails to complete or return the required re-examination documents within the specified timeframe, the Housing Authority will schedule the family for a mandatory appointment. The appointment letter will provide the date and time of the appointment and a list of items that family will need to bring.

If the family fails to attend the appointment or fails to bring all the required information, the Housing Authority may proceed to propose termination of the family's assistance.

If the family is able to provide documentation of an emergency situation that prevented them from completing the required re-examination documents or attending the mandatory appointment, the Unit Supervisor at his/her own discretion may, on a case-by-case basis reschedule the appointment. The Housing Authority may also grant an exception to this policy as a reasonable accommodation.

12.2.4 Documents Required from the Family

The re-examination documents will include instructions and appropriate forms that need to be submitted to complete the re-examination. The required forms and documentation are the following:

1. Documentation of income for all family members;
2. Documentation of assets;
3. Documentation of medical or child care expenses;
4. Certified statement of family obligations;
5. Consent for Release of Information (signed by all household members over 18 years of age); and
6. Compliance Check/Home Visit form.

Verification of these documents will be conducted in accordance with Housing Authority procedures and guidelines described in this plan.

12.2.5 Tenant Rent Increases

If the tenant rent increases, a 30-day notice of increase in rent is mailed to the family before the anniversary date.

If less than 30 calendar days are remaining before the anniversary date, the new tenant rent will be effective on the first of the month following the 30-day notice, but the reexamination will be effective no more than 12 months from the effective date of the last annual reexamination. If the Housing Authority was unable to process the re-examination on a timely basis due to the family's failure to provide re-examination documents, then the rent increase will be effective retroactive to the appropriate anniversary date.

If the family causes a delay in the re-examination processing, there will be a retroactive increase in rent to the anniversary date. In this particular case, the owner will receive a retroactive HAP payment and every effort will be made to recover lost rent from the tenant.

12.2.6 Tenant Rent Decreases

If the tenant rent decreases, it will be effective on the later of the anniversary date or the first day of the month following the completion of the reexamination

processing. No annual reexamination may be effective more than 12 months from the effective date of the last annual reexamination.

12.3 INTERIM RE-EXAMINATION **[24 CFR §982.516(b)(3)]**

No TTP adjustments will be affected between dates of periodic re-examination or pre-scheduled re-examinations except as noted below:

Tenants are required to submit information affecting eligibility income at all re-examinations. Additionally, tenants are required to report the following changes in family circumstances:

1. Changes in family composition, including loss or addition of one or more family members through death, divorce, birth, or adoption [24 CFR §982.516(c)], and
2. Decreases in income received by the family

A family is required to report these changes to the Housing Authority within 30 calendar days after the change has occurred. The Housing Authority will verify all reported information that will result in an interim reexamination. No action will be taken if a family reports changes it is not required to report.

If, during the course of an interim reexamination conducted for a reported decrease in income, it is discovered that a family member is no longer eligible for an allowance (i.e. a minor has turned 18 and is no longer a full-time student), the case worker will determine how the loss of allowance will affect the TTP. If the loss of allowance results in an increase to the TTP, even though the family's income has decreased, the Housing Authority will not complete the interim reexamination unless requested by the family to do so.

If, during the course of an interim reexamination conducted for a reported change in family composition, it is discovered that a family member is no longer eligible for an allowance, the Housing Authority will continue to process the interim reexamination regardless of the affect on the TTP.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular re-examination after moving into the unit. See Section 7.10.7 (Verification of Citizenship/Eligible Immigration Status) for details.

12.3.1 Interim Changes in Income

- **Decreases**: If the information provided results in a decrease in tenant rent, a modification to the HAP Contract is executed to be effective the first of the month following the month in which the required documentation is supplied by the participant.
- **Increases**: If the information provided results in an increase in tenant rent, the Housing Authority will not conduct an interim reexamination, unless specifically requested by the family to do so. This policy does not apply to reported changes in family composition. All income for a new family member will be counted and used to calculate the family's TTP. If this information

results in an increase in tenant rent, the family will be given a 30-day notice before the new rent amount is effective.

- **No Action**: The Housing Authority will not process an interim reexamination if the family reports a loss of welfare benefits due to fraud, failure to participate in economic self-sufficiency programs, or noncompliance with a work activities requirement.
- **Social Security Overpayments**: If the family has experienced a decrease in Social Security or SSI income due to an overpayment, the Housing Authority will calculate income based on the net amount only for the specific period of the decrease. Once the overpayment period is over, the Housing Authority will process an interim reexamination using the gross amount of Social Security or SSI.

12.4 SPECIAL ADJUSTMENTS

If, at the time of re-examination, a family is clearly of low-income, and it is not possible to make an estimate of the family's income for the next 12-month period, a special re-examination will be scheduled to accommodate the family's circumstances. This includes cases where:

1. A tenant is unemployed and there are no anticipated prospects of employment, or
2. The conditions of employment and/or receipt of income are too unstable to validate usual and normal standards for determination. An interim re-examination will be scheduled for families with zero or unstable income every 3 months.

Families whose past employment has been sporadic or who are on welfare, become employed, then are unemployed, or are self-employed, will not be given special re-examination. If such an income pattern has been established and is expected to continue, then a reasonable 12-month estimate of the income may be based upon past income and present rate of income.

Furthermore, special re-examinations must be clearly set for a definite time to assure compliance.

12.5 CHANGES IN FAMILY COMPOSITION

[24 CFR §982.516(c) and 24 CFR §982.551(h)(2)]

The composition of the assisted family residing in the unit must be approved by the Housing Authority. An interim re-examination will be conducted for any changes in family composition.

The Housing Authority may verify changes in family composition as detailed in Section 7.10.5.

12.5.1 Allowable Family Additions

[24 CFR §982.551(h)(2)]

Allowable family additions are the following:

1. Addition due to birth, adoption or court awarded custody
 - Must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence. Families should notify the owner and comply with any lease requirements to obtain owner approval.
2. Other allowable persons:
 - Addition of marriage/or marital type relation (i.e., couples that certify that they intend to live in the same principal residence indefinitely and/ or register in California as domestic partners);
 - Addition of a minor who is a child of the head of household, co-head, spouse or marital-type partner, who have been living elsewhere; and
 - Addition of a Housing Authority-approved live-in aide;
 - Addition of an adult child due to recent discharge from the military.
 - Addition of an adult who is not a marital or marital-type relation due to a disability.

The family must request approval from the owner and the Housing Authority before the person is added. Anyone who moves into the unit without written owner and Housing Authority approval is considered an unauthorized person.

As part of the approval process, the Housing Authority conducts a criminal background check, and may also conduct a credit review, on all new potential family members, 18 years of age and older. Criminal records will only be used to screen new household members. They will not be used for lease enforcement or eviction of residents already receiving tenant-based rental assistance.

If an approved change requires a larger size unit due to overcrowding, the change in voucher size will be made effective immediately (see Chapter 5). The Housing Authority will determine the assistance, based on funding availability.

12.5.2 Decreases in Family Size

When a family member leaves the household, the absence must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence, as detailed in Section 6.8.9 (Reporting Absences to the Housing Authority). The change in family composition may impact the voucher size, as explained in Chapter 5 (Subsidy Standards).

If a decrease in family size results in a decrease of the voucher size, the Housing Authority may exercise the option to downsize the family's voucher to the appropriate size at the family's next annual review following the reduction in household size.

The Housing Authority may make an exception as a reasonable accommodation for a person with a disability.

12.6 CONTINUATION OF ASSISTANCE FOR “MIXED” FAMILIES
[24 CFR §5.504(b)]

Families that include at least one citizen or eligible immigrant, and any number of ineligible members, are considered “mixed” families.

“Mixed” families that were participants on or before June 19, 1995, shall continue full assistance if they meet the following criteria:

1. The head of household, co-head, or spouse is a U.S. citizen or has eligible immigrant status, **and**
2. All members of the family other than head, co-head, spouse, parents of head, parents of co-head, parents of spouse, children of head, co-head, or spouse are citizens or eligible immigrants. The family may change the head of household designation to another adult member of the family to qualify under this provision.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance.

CHAPTER 13: ALLOWABLE MOVES/PORTABILITY

13.1 INTRODUCTION

This chapter defines the procedures, restrictions and limitations for moving, for new applicants and current participants.

As stated in HUD regulations, eligible families participating in the Housing Choice Voucher Program have the right to receive tenant-based voucher assistance anywhere in the United States, in the jurisdiction of a public housing agency (PHA) administering a Housing Choice Voucher program. This program feature is called “portability.” This chapter includes the Housing Authority’s procedures for new applicants and current participants that “port out” of the Housing Authority’s jurisdiction.

Additionally, this chapter specifies the Housing Authority’s policies for receiving “incoming ports” from other public housing agencies.

The option of portability does not apply to families assisted under the Moderate Rehabilitation Program.

13.2 ALLOWABLE MOVES AND RESTRICTIONS

13.2.1 Restrictions on Moves

The Housing Authority may deny families permission to move if:

- There is insufficient funding for continued assistance;
- The family has violated a family obligation;
- The family is in the initial term of the lease (see 13.2.4 for exceptions);
- The family has already moved within the one-year period;
- The family owes money to this Housing Authority or another PHA. See Section 17.2 (Repayment Agreements for Families) for more information on allowable moves for families with repayment agreements; or
- There is insufficient funding to support a move with continued assistance.

In the event of insufficient funding, the Housing Authority may only deny a move to a higher cost area if the Housing Authority would not be unable to avoid termination of housing choice voucher assistance for current participants during the calendar year in order to remain within budgetary allocation (including any available HAP reserve). If the receiving PHA is willing to absorb the voucher, the Housing Authority may not deny the move to the higher cost area due to insufficient funding.

13.2.2 Allowable Moves for New Applicants**[24 CFR §982.353]**

A family who lives and/or works in the Housing Authority's jurisdiction at the time they are admitted to the Housing Choice Voucher Program may choose, as their initial housing:

- To remain in their current unit (this is referred to as leasing-in-place);
- A unit anywhere within this Housing Authority's jurisdiction; or
- A unit outside of this Housing Authority's jurisdiction. For more information, see the Outgoing Portability section of this chapter.

A family who does not live or work in this Housing Authority's jurisdiction at the time they are admitted to the Housing Choice Voucher Program must initially locate a unit within this Housing Authority's jurisdiction in order to receive assistance. The family does not have any right to portability until they have resided in this Housing Authority's jurisdiction for at least 12 months [24 CFR §982.353(c)].

- Under limited conditions, the Housing Authority may waive this requirement. Examples of situations that may warrant an exception to this rule include life-threatening situations or as a reasonable accommodation. However, in all cases both the Housing Authority and the receiving jurisdiction must agree to allow the move. If the receiving public housing agency does not agree, the Housing Authority will not approve a transfer [24 CFR §982.353(c)(3)].

13.2.3 Allowable Moves for Current Participants**[24 CFR §982.314]**

A family that initially receives assistance for a unit leased in this Housing Authority's jurisdiction may request to move to another unit and receive continued assistance. Families in good standing may move with continued assistance if:

1. The assisted lease for the old unit has ended because the Housing Authority has terminated the HAP contract for owner breach [24 CFR §982.314(b)(1)(i)];
2. The lease was terminated by mutual agreement of the owner and the family [24 CFR §982.314(b)(1)(ii)]. The Housing Authority must receive a copy of this notice. The Housing Authority will not approve the mutual lease termination during the first year of the lease;
3. The owner has given the family a notice to vacate for reasons other than a lease violation [24 CFR §982.314(b)(2)]. The Housing Authority must receive a copy of this notice; or
4. The family has given proper written notice of lease termination after the initial lease term and in accordance with State law. This generally requires a 30-day notice. The Housing Authority must receive a copy of this notice.

A family is considered to be in good standing if they have not violated the terms of the lease, any program regulations and do not owe any money to this Housing Authority or another public housing agency.

Families that are eligible to move with continued assistance may choose to move to a unit that is:

- **Within this Housing Authority's jurisdiction.** This type of a move is called a "reserve vacate." This means that the family is moving from a unit, which could result in a temporary vacancy in the program until another unit is secured; however, the slot remains reserved for the family until the time they lease another unit.
- **Outside Housing Authority's jurisdiction.** See the Outgoing Portability section of this chapter for more information.

13.2.4 Restrictions on Moves During the Initial Lease **[24 CFR §982.314(c) and §982.314(e)]**

Generally, families will not be permitted to move during the initial lease (12 months), or more than once in any 12-month period except as noted below:

1. **Life-Threatening Situations** (witness to or victim of a crime, victims of domestic violence, dating violence, and stalking; HQS emergency items, natural disaster, unsafe environment, etc.)
2. **Reasonable Accommodation:** A family may request to move to accommodate a disability. The Housing Authority may approve the move as a reasonable accommodation and grant the request to move. However, the owner of the property must agree to release the tenant from the lease.

13.3 PROCEDURES FOR MOVES FOR CURRENT PARTICIPANTS **[24 CFR §982.314(d)]**

Eligible families who wish to move must first provide the Housing Authority a written request for a voucher or a copy of the lease termination notice provided to the owner. Once the Housing Authority has received either the request for a voucher or a copy of the lease termination notice, the family will be issued a new voucher. If the reexamination is current (within 12 months) the Housing Authority will not conduct a reexamination before issuing the voucher unless there are reported changes to income or the family composition that would require an interim reexamination.. At the same time the voucher is issued, the family will receive a Request for Tenancy Approval (RTA). The family should begin looking for housing immediately in order to ensure a smooth transition to the new unit.

Requests to move for families wishing to port to another jurisdiction must be submitted in writing.

To initiate the lease termination, the family must send a written notice to the owner and the Housing Authority no less than 30 calendar days before the vacate date. No RTA or request to transfer (port) will be processed without the proper notice to move.

13.4 OUTGOING PORTABILITY PROCEDURES

[24 CFR §982.355(c)]

Both new applicants and current participant families must first identify the new jurisdiction where they will be moving. Once the Housing Authority has received this information, the Housing Authority will:

1. Notify the receiving public housing agency (PHA) that the family wishes to relocate into its jurisdiction [24 CFR §982.355(c)(3)];
2. Advise the family how to contact and request assistance from the receiving PHA [24 CFR §982.355(c)(2)]; and
3. Provide the following documents and information to the receiving PHA [24 CFR §982.355(c)(4)]:
 - A copy of the family's voucher, with issue and expiration dates, formally acknowledging the family's ability to move under portability.
 - The most recent HUD 50058 form and verifications.
 - The Family Portability form (HUD-52665).

New applicant families will be subject to the income eligibility requirements of the jurisdiction in which they will be receiving assistance [24 CFR §982.353(d)].

13.4.1 Briefing for Families Wishing to Exercise Portability

Since families wishing to move to another jurisdiction must understand that the policies and procedures of the receiving PHA prevail, the Housing Authority will provide counseling for those families who express an interest in portability. This will include a discussion of difference in payment standards, subsidy standards, and income limits, if applicable.

13.4.2 Payment to the Receiving PHA

[24 CFR §982.355(d) and §982.355(e)]

If the receiving PHA chooses to administer and bill assistance on the Housing Authority's behalf, the Housing Authority will reimburse the receiving PHA for costs associated with administering the voucher, as specified in HUD regulations.

The receiving PHA must submit to the Housing Authority the initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract.

The Housing Authority will ensure that the receiving PHA receives all subsequent monthly payments no later than the fifth working day of each month.

13.5 INCOMING PORTABILITY PROCEDURES

[24 CFR §982.355]

Eligible participants in the Housing Choice Voucher Program in other public housing agencies may be assisted in the Housing Authority's jurisdiction.

For a family to port in to the Housing Authority's jurisdiction, the Housing Authority must receive, from the initial PHA:

- The Family Portability form (HUD-52665) with Part I completed.
- A copy of the family's voucher with a valid expiration date.
- The most recent HUD 50058 form and required income verifications supporting the form.

13.5.1 Policies on Absorption and Administration
[24 CFR §982.355(d) and §982.355(e)]

For incoming ports, the Housing Authority may, if funding permits, accept a family with a valid voucher from another jurisdiction and absorb the voucher. The Housing Authority may also exercise the option to administer the initial public housing agency's voucher and bill the initial PHA as authorized in the regulations.

If the Housing Authority chooses to administer, it will submit to the initial PHA an initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract to ensure timely receipt of payment.

All subsequent monthly billing payments are to be received by the Housing Authority no later than the fifth working day of each month.

13.5.2 Income and Total Tenant Payment Review
[24 CFR §982.355(c)]

The Housing Authority will conduct an initial review of all incoming port families. The Housing Authority will:

- Conduct criminal background and registered sex offender registration checks of family members (see Section 13.5.3 below).
- Verify identifying documents, family income and composition.
- As necessary, the Housing Authority will change the bedroom size of a family's voucher to comply with the Housing Authority's subsidy standards. If this occurs, the family will be notified in writing of the change.
- If family income documents are missing or there has been a change in the family's circumstances, the Housing Authority may re-determine the family's TTP.
- For incoming port families who have not yet leased a unit under the Housing Choice Voucher Program (initial applicants), the Housing Authority must verify that the family meets the Housing Authority's income limits.

If a re-determination is necessary, the Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-determination reveals that the family is not eligible for assistance in the Housing Authority's jurisdiction. In such cases, the family will be referred to the initial PHA for further assistance [24 CFR §982.355(c)(4)].

In general, all families porting into the Housing Authority's jurisdiction will be issued a Housing Authority voucher. The term of the voucher may not expire before the expiration date noted on the voucher issued by the initial public housing agency. The Housing Authority will determine whether to extend the voucher term, if necessary, based on the Housing Authority's policy for extension. The Housing Authority will notify the initial PHA if such an extension is granted [24 CFR §982.355(c)(6)].

If a family that has ported into the Housing Authority's jurisdiction is unable to locate a unit within the allotted time authorized on the voucher, the Housing Authority will notify the issuing PHA that the voucher did not result in a HAP contract.

Approval of any unit is subject to rent reasonableness and a passed inspection [24 CFR §982.401(a)(3)].

13.5.3 Criminal Background Checks for Incoming Portability **24 CFR §982.355(c)(9) – (10) and PIH Notice 2004-12**

The Housing Authority will conduct criminal background and sex offender registration checks for all incoming portability families and will not delay issuing the family a voucher but will take subsequent necessary action, including up to termination of a family's assistance (see Section 2.8 for details on screening).

The Housing Authority will take the following steps to minimize the number of terminations for families that are porting into its jurisdiction:

- At voucher issuance, families will be informed of the Housing Authority's criminal background policies and that they will be going through a background check and offered an opportunity to return to their originating PHA.
- If it is determined before a contract is effective that a family member is unsuitable due to a criminal background check the family will be given the options of returning to the originating PHA or excluding the culpable family member.
- If it is determined after a contract is effective that a family member is unsuitable and the Housing Authority is billing the originating PHA, the family will have the option of returning to the originating PHA or exclude the culpable household member.
- If it is determined after the contract is effective that a family member is unsuitable and the Housing Authority has absorbed the contract, the family will only have the option of excluding the culpable household member and will not be allowed to return to the originating PHA.

The contract will be terminated if it has been absorbed and if the family chooses not to exclude the culpable household member or there are no other adult eligible household members.

13.5.4 Terminations

In cases where the Housing Authority is administering a contract on behalf of another PHA, the Housing Authority will notify the initial PHA in writing of any termination of assistance within 30 calendar days of the termination.

13.5.5 Informal Hearings/Reviews
[24 CFR §982.555]

If an informal hearing is required and requested by the family, the Housing Authority will conduct the hearing only if the participant has been assisted within the Housing Authority's jurisdiction. Such hearings will be conducted using the regular hearing procedures included in this plan. Families who have not yet received assistance in the Housing Authority's jurisdiction are eligible for informal reviews, as detailed elsewhere in this administrative plan.

The initial PHA will be responsible for collecting amounts owed to that public housing agency by the family for claims paid and for monitoring repayment. If the initial PHA notifies the Housing Authority that the family is in arrears or the family has refused to sign a Repayment Agreement, the Housing Authority will terminate assistance to the family.

CHAPTER 14: CONTRACT TERMINATIONS

14.1 INTRODUCTION

The chapter identifies the key documents/contracts that set forth the responsibilities of each party involved in the rental assistance relationship and outlines the policies and procedures under which these contracts can be terminated.

14.2 DESCRIPTION OF DOCUMENTS

There are three parties involved in the rental relationship: the assisted family, the owner and the Housing Authority.

The rights and responsibilities of the assisted family are defined in the voucher or certificate and the Certified Statement of Family Obligations. A copy of the voucher or certificate is provided to the family at admission and each time a new voucher is issued. The family signs the Certified Statement of Family Obligations annually.

The relationship between the family and the owner is outlined in the rental lease. Generally, the term of the lease is for one year. Although the Housing Authority is not a part of the lease, HUD regulations allow public housing agencies to act against the family for serious or repeated violations of the lease.

The terms of the relationship between the owner and the Housing Authority are outlined in the Housing Assistance Payments (HAP) contract. The term of the HAP contract is the same as the term of the lease.

14.3 TERMINATION OF THE LEASE BY THE FAMILY: MOVES **[24 CFR §982.309(c)]**

For continued tenant assistance, the family cannot terminate the lease until after a one-year period or the initial term of the lease, except for material breach of the lease by the owner, cases of foreclosure, or life threatening situations (as defined in Chapter 13). The lease determines the notice period for termination to the owner. Most leases require, at minimum, a 30-day notification. However, the Housing Authority recommends that families provide a minimum of a 60-day notice in order to allow enough time for a smooth transition of assistance from the old unit to the new unit. To initiate the lease termination, the family must send a written notice to the owner and the Housing Authority no less than 30 calendar days before the vacate date.

14.4 TERMINATION OF THE LEASE BY THE OWNER: DOMESTIC ABUSE

An owner or manager may bifurcate (separate) a lease in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, or terminating assistance, or otherwise penalizing the victim of such violence which is also a tenant or lawful occupant.

14.4.1 Terminating the Lease During the Initial Term of the Lease **[24 CFR §982.310(a)]**

During the term of the lease, the owner may not terminate the tenancy except for good cause, which includes serious or repeated violations of the lease and/or violations of federal, state or local law that imposes obligations on the family in connection with the use of the unit.

Under such conditions, the owner must provide both the family and the Housing Authority with a copy of any notice to move or eviction action. An eviction action is defined as a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action. Any eviction notice served to a family must specify the grounds for the termination of the tenancy.

An owner may commence termination of a tenancy for good cause by serving a legal notice of termination on the family for the following reasons:

1. Serious or repeated violation of the terms and conditions of the lease [24 CFR §982.310(a)(1)];
2. Violation of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises [24 CFR §982.310(a)(2)]; and
3. Other good cause, [24 CFR §982.310(a)(3)] including:
 - Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises [24 CFR §982.310(d)];
 - Any drug-related criminal activity on or near the premises; or
 - Tenant disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.

14.4.2 Terminating the Lease After the Initial Term of the Lease

After the initial term of the lease, the owner may terminate the lease for other good cause. Examples of other good cause include:

- Business or economic reason for regaining possession of the unit;
- Owner's desire to repossess the unit for personal or family use or for a purpose other than residential property;

When terminating the lease for business or economic reasons, the owner is required to provide a 90-day notice to both the family and the Housing Authority.

14.4.3 Requests for Criminal Records by Project-Based Section 8 Owners **[24 CFR §5.903(d)(3)]**

Project-based Section 8 owners (excludes housing choice voucher owners), that have contracts with the Housing Authority, may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of eviction or

lease enforcement. The Housing Authority will, however, charge a fee in order to cover costs associated with the review of criminal records.

Project-based owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for evicting drug criminals in accordance with HUD regulations (§ 5.857 of 24 CFR Parts 5 et al.); or criteria for evicting other criminals (§ 5.858 of 24 CFR Parts 5 et al.); or criteria for lease enforcement.

Once the Housing Authority obtains the criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for eviction or lease enforcement. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria.

It is important to note that the Housing Authority will not disclose the participant's criminal conviction record, nor the content of that record to the owner unless the owner is proceeding with a judicial eviction process. In the case of a judicial eviction, the owner must provide the Housing Authority with a certification that the criminal records are necessary to proceed with the eviction.

14.5 MUTUAL TERMINATION OF THE LEASE

In cases where the owner and the family agree to terminate the lease, both parties have an obligation to notify the Housing Authority in writing at least 30 calendar days in advance of the vacate date in order that Housing Authority may avoid overpayment to the owner. A mutual termination of the lease will not be accepted if it is within a one-year period of the participant's last move or within the initial term of the lease.

14.6 TERMINATION OF THE HAP CONTRACT BY HOUSING AUTHORITY **[24 CFR §982.453 – §982.454]**

The Housing Authority will terminate the HAP contract as follows:

1. When the Housing Authority terminates program assistance for the family.
2. When the owner has breached the HAP contract.

Any of the following actions will be considered a breach of the HAP contract by the owner:

- The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit according to housing quality standards, including any standards the Housing Authority has adopted in this policy [24 CFR §982.453(a)(1)].

- The owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)].
 - The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program [24 CFR §982.453(a)(3)].
 - The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD [24 CFR §982.453(a)(4)].
 - The owner has engaged in drug-related criminal activity [24 CFR §982.453(a)(5)].
 - The owner has committed any violent criminal activity [24 CFR §982.453(a)(6)].
3. If the family is required to move from a unit which is overcrowded based on the Housing Authority's current subsidy standards [24 CFR §982.403(a)].
4. If funding is no longer available under the ACC [24 CFR §982.454].
- Before terminating HAP contracts on the basis of insufficient funding, the Housing Authority is required to ensure that the determination of insufficient funding is documented. The Housing Authority will consider funding insufficient if it is determined that the projected year-end subsidy falls short of the authorized budget amount.
 - The Housing Authority will determine the number of families that must be terminated, and will present the Board of Commissioners with a recommended method for terminating HAP contracts. Following Board of Commissioner and HUD notification, the Housing Authority will terminate HAP contracts.
 - Contracts of elderly and disabled families will not be subject to termination.
 - Terminated families will be placed on the waiting list and will receive a preference for assistance from the waiting list.

The Housing Authority may terminate the HAP contract if the owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)]. The Housing Authority will consider the following list of factors in determining whether to terminate the HAP contract for a violation of another HAP contract:

- The nature of the breach
- The location of the other units under contract compared to the subject unit
- The impacts on participants in other the units

Additionally, an owner who breaches a HAP contract may be disapproved to participate in Housing Authority programs, as detailed in Section 9.10 (Owner Disapproval). The Housing Authority's rights and remedies against the owner under the HAP contract include recovery of overpayments, abatement or other

reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contracts.

Request for reasonable accommodations relating to termination of HAP contracts will be reviewed on a case-by-case basis.

14.7 HAP PAYMENTS AND CONTRACT TERMINATIONS **[24 CFR §982.311]**

When a HAP contract terminates, the Housing Authority will make payments in accordance with the HAP contract and depending on the reason for the contract termination.

In cases involving a tenant notice to move or a mutual termination, not involving an eviction action, the Housing Authority will pay the owner for the entire last month that the family was in the unit regardless of the actual day of the month that the family moved out. The Housing Authority may also pay HAP on behalf of the family for the new unit in the same month. However, while the Housing Authority can pay a subsidy for two units in a given month under these conditions, the family may only have physical possession of one unit at a time. A family will be considered to have physical possession of a unit if they still have belongings in the unit and the key to the unit. Under such cases, the family will be required to pay the full rent for one of the units in its possession and the family's portion for the other unit [24 CFR §982.311(d)].

In cases involving evictions, the Housing Authority will continue to pay the HAP until the day the family moves out or is evicted [24 CFR §982.311(b)].

In cases involving termination of assistance due to insufficient funding, families will receive a minimum of 30 days notice of termination of assistance.

In cases involving termination of assistance for reasons other than insufficient funding, the Housing Authority will notify the owner and the family of the proposed termination date. If the family does not request a hearing or the hearing is decided in the Housing Authority's favor, the HAP payments will terminate in accordance with the notification. If a family continues to occupy the unit after assistance is terminated, the family is responsible for the total amount of rent due to the owner.

If HAP payments are released to the owner for periods of time beyond the dates set forth above, the owner will be required to return all monies to the Housing Authority within 30 calendar days or within the time specified in any approved repayment agreement. The Housing Authority also reserves the right to deduct any monies from other HAP payments being made to the owner by the Housing Authority. If the owner fails to repay the HAP, the account will be forwarded for further action.

CHAPTER 15: FAMILY OBLIGATIONS

15.1 INTRODUCTION **[24 CFR §982.552(a)]**

The Housing Authority may terminate assistance for a family because of the family's action or failure to act. The Housing Authority will provide families with a written description of the family obligations under the program, the grounds under which the Housing Authority can terminate assistance, and the Housing Authority's informal hearing procedures. This chapter describes when the Housing Authority is required to terminate assistance, and the Housing Authority's policies for the termination of assistance.

15.2 SPECIAL CIRCUMSTANCE TERMINATIONS **[24 CFR §982.552(c)(2)(iv)]**

The Housing Authority will not terminate assistance of a participant based solely upon incidences of domestic violence, dating violence, sexual assault, or stalking.

If termination is based upon behavior resulting from a disability, the Housing Authority will delay the termination in order to determine if there is a reasonable accommodation, pursuant to law, that would cure the grounds for the termination.

15.2.1 Form of Termination

Termination of assistance for a participant may include any or all of the following [24 CFR §982.552(a)(3)]:

1. Refusal to enter into a HAP contract or approve a lease
2. Termination of HAP under an outstanding HAP contract
3. Refusal to process or provide assistance under portability procedures

15.2.2 Mandatory Termination

The Housing Authority must terminate assistance for participants under the following conditions:

1. If any member of the family fails to sign and submit to HUD or Housing Authority required consent forms for obtaining information [24 CFR §982.552(b)(3)].
2. If no member of the family is an U.S. citizen or eligible immigrant [24 CFR §982.552(b)(4)].
3. If 180 calendar days have elapsed since the Housing Authority's last housing assistance payment was made.
4. If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education as specified in Section 2.5 [24 CFR §5.612].

15.2.3 Grounds for Termination of Assistance

[24 CFR §982.552(c)(1)]

The Housing Authority may at any time terminate program assistance to a participant, for any of the following reasons:

1. The family violates any family obligation under the program as listed in 24 CFR 982.551 [24 CFR §982.552(c)(1)(i)].
2. Any member of the family has ever engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years has been evicted from a federally assisted housing program [24 CFR §982.552(c)(1)(ii)].
3. Any family member, their guest or invitee (covered person), engages in drug-related or violent criminal activity [24 CFR §982.553(a) and §982.551(k)-(l)].
4. The family currently owes rent or other amounts to the Housing Authority or to another housing agency in connection with Section 8 or public housing assistance under the 1937 Act [24 CFR §982.552(c)(1)(v)].
5. The family has not reimbursed the Housing Authority or any housing agency for amounts paid under a HAP contract to an owner for rent, damages to the unit, or other amounts owed by the family under the lease [24 CFR §982.552(c)(1)(vi)].
6. The family breaches an agreement with any housing agency to pay amounts owed to any housing agency, or amounts paid to an owner by any housing agency [24 CFR §982.552(c)(1)(vii)].
7. A family participating in the family self-sufficiency (FSS) program fails to comply, without good cause, with the family's FSS contract of participation (COP) [24 CFR §982.552(c)(1)(viii)].
8. The family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel [24 CFR §982.552(c)(1)(ix)].
 - "Abusive or violent behavior" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination.
 - "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for termination.

15.2.4 Welfare to Work Program

[24 CFR §982.552(c)(1)(x)]

Failure to fulfill the obligations and conditions of the Welfare to Work program is grounds for termination of assistance.

Specifically, the Housing Authority will terminate assistance for Welfare-to-Work families if the family fails to comply with GAIN requirements, the FSS Contract of

Participation (CoP) and/or other required Family Self-Sufficiency requirements without good cause.

15.2.5 Registered Sex Offenders

If it is brought to the attention of the Housing Authority that a current program participant is on the sex offender registration list, the Housing Authority will review on a case-by-case basis. The Housing Authority will consult with law enforcement and legal counsel and take appropriate actions based on findings.

15.3 FAMILY OBLIGATIONS **[24 CFR §982.551]**

Failure to abide by any of the family obligations is grounds for termination.

1. The family must supply any information that the Housing Authority or HUD determines is necessary in the administration of the program [24 CFR §982.551(b)]. Information includes any requested certification, release or other documentation. Requirements include:
 - Submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR part 5);
 - Disclosure and verification of social security numbers (as provided by 24 CFR part 5);
 - Providing any information requested by the Housing Authority or HUD for use in a regularly scheduled or interim determination of family income and composition, including income, assets, and accurate family composition.
2. The family must report all changes in family composition and decreases of income in writing immediately as they occur. The owner of the unit and the Housing Authority must approve changes in composition of the assisted family [24 CFR §982.551(b) and §982.551(h)(2)]. The family must:
 - Report the birth, adoption or court-awarded custody of a child;
 - Request Housing Authority approval to add any other family member;
 - Notify the Housing Authority when a family member no longer lives in the unit.

If the Housing Authority gives approval, a live-in aide or a foster child may live in the unit. Failure to report changes, making false reports and/or allowing unauthorized people in the unit is cause for termination from the program.

3. All information supplied by the family must be true and complete [24 CFR §982.551(b)].
4. Maintain the rental unit [24 CFR §982.551(c)]. The family is responsible for any violation of Housing Quality Standards resulting from:
 - Failure to pay for tenant-paid utilities;

- Failure to furnish required stove and or refrigerator if to be provided by family; or
 - Damage to the unit or grounds by the family or its guests beyond normal wear and tear.
5. The family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice [24 CFR §982.551(d)].
 6. The family may not commit any serious or repeated violation of the lease [24 CFR §982.551(e)].
 7. The family must notify the owner and, at the same time, notify the Housing Authority before the family moves out of the unit or terminates the lease on notice to the owner. The family must promptly give the Housing Authority a copy of any owner eviction notice [24 CFR §982.551(f) – (g)].
 8. The family must use the assisted unit for residence by the family. The unit must be the family's only residence. The family must not sublease or let the unit [24 CFR §982.551(h)(1), (6)].
 9. The family must not assign the lease or transfer the unit. In cases where there is a change in the head of household, the lease may be transferred to the new Head but only with the consent of the owner of the property and the Housing Authority [24 CFR §982.551(h)(7)].
 10. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family [24 CFR §982.551(h)(5)].
 11. The family must supply any information or certification requested by the Housing Authority to verify that the family is living in the unit, or relating to family absence from the unit, including any Housing Authority-requested information or certification on the purposes of family absences. The family must cooperate with the Housing Authority for this purpose. The family must promptly notify the Housing Authority of absence from the unit [24 CFR §982.551(i)].
 12. The family must not own or have any interest in the unit [24 CFR §982.551(j)].
 13. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs [24 CFR §982.551(k)].
 14. The members of the family, their guests or invitees, may not engage in drug-related criminal activity or violent criminal activity, or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
 15. The members of the family, their guests or invitees, must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

16. An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program [24 CFR §982.551(n)].
17. The family must pay only the amount authorized by the Housing Authority on the approved lease. Any amount paid by the family other than the authorized amount is considered an illegal side payment and is cause for termination of the housing assistance subsidy. The Housing Authority may authorize additional payments for other amenities [24 CFR §982.451(b)(4)(ii)].
18. The family must not receive housing choice voucher program housing assistance while residing in a unit owned by a spouse, parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the Housing Authority has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities (See Section 9.4 for more information).
19. The family must not have a member that has committed a crime that subjects them to a lifetime sex offender registration requirement imposed by any State sex offender registration program reside in the unit. This is to ensure that no household member or guest is creating or maintaining a threat to the health and safety of other residents or the public.

15.3.1 Housing Authority Discretion
[24 CFR §982.552(c)(2)]

In deciding whether to terminate assistance because of action or failure to act by members of the family, the Housing Authority has discretion to consider all of the circumstances in each case, including:

- The seriousness of the case,
- The extent of participation or culpability of individual family members,
- The length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act, and
- Requests for reasonable accommodation

On a case by case basis the Housing Authority may counsel the family before proposing termination.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a family to continue in the program.

15.3.2 Enforcing Family Obligations

Explanations and Terms

- **HQS Breach**: The inspector will determine if an HQS breach as identified in 24 CFR §982.404(b) is the responsibility of the family. Families may be given extensions to correct HQS breaches as explained in Chapter 10.
- **Lease Violations**: The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance [24 CFR §982.310]:
 - If the owner terminates tenancy through court action for serious or repeated violation of the lease.
 - If the owner notifies the family of intention to terminate tenancy for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the Housing Authority determines that the cause is a serious or repeated violation of the lease based on available evidence.
 - If there are police reports, neighborhood complaints or other third-party information, and the Housing Authority has verified the information. Lack of receipts or other proof of rent payments by the family may also be considered verification of lease violations.
- **Family Member Moves Out**: Families are required to notify the Housing Authority within 30 calendar days if any family member leaves the assisted household [24 CFR §982.551(h)(3)]. When the family notifies the Housing Authority, they must furnish the following information:
 - The date the family member moved out.
 - The new address, if known, of the family member.
 - A statement as to whether the family member is temporarily or permanently absent.
 - Related income, asset or deduction changes resulting from the member moving.
- **Limitation on Profit-making Activity in Unit [24 CFR §982.551(h)(5)]**: If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the Housing Authority determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a violation of family obligations.
- **Interest in Unit [24 CFR §982.551(i)]**: The owner may not reside in the assisted unit, under any circumstances, including as a live-in aide, regardless of whether the owner is a member of the assisted family, unless assistance is being provided for a mobile home and the family owns the mobile home and rents the pad under the Certificate or Housing Choice Voucher Program.

- **Fraud [24 CFR §982.551(k)]**: In each case, the Housing Authority will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

15.3.3 Drug-Related Criminal Activity **[24 CFR §982.553(a)(1) and (b)(1)]**

Drug-related criminal activity includes the manufacture, dispensation, distribution, sale, use or possession of illegal drugs. An “illegal drug” is defined as any controlled substance, in any amount, as defined by the United States Code, Title 21, section 802, including but not limited to narcotics, amphetamines, hallucinogens, cocaine, marijuana, designer drugs, or other intoxicants. This definition also specifically includes over the counter medications used in the manufacture of illegal drugs or for the purposes of becoming intoxicated, and pharmaceutical medications which are used either without being prescribed by a licensed physician or in excess of the amount prescribed by a physician for the purposes of becoming intoxicated.

Drug-related criminal activity does not include the prior use or possession of a controlled substance if the family member had an addiction to the substance and has recovered, or is recovering from the addiction and does not currently use or possess the substance and has demonstrated successful completion of a rehabilitation program [24 CFR §982.553(b)].

The Housing Authority maintains a zero tolerance policy regarding drug-related criminal activity and:

- May propose termination against the family for drug-related criminal activity that occurs on or off the premises of the assisted unit, or drug-related criminal activity committed by a guest or invitee of any family member on the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- May terminate a participant’s assistance if they have been arrested, convicted or whose tenancy is being terminated due to drug-related criminal activity or whose activities, including the activities of their guests or invitees, have created a disturbance in the building or neighborhood.
- Will terminate assistance if the family violates the lease for drug-related criminal activity.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside and/or visit in the unit. If the violating member is a minor, the Housing Authority may consider individual circumstances with the advice of Juvenile Court officials.

15.3.4 Violent Criminal Activity **[24 CFR §982.553(a)(2) and (b)(2)]**

Violent criminal activity includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member,

their guests or invitees. Violent criminal activity also includes activity which occurs within the family, such as during domestic disputes.

The Housing Authority maintains a zero tolerance policy regarding violent criminal activity and:

- May propose termination against the family for violent criminal activity that occurs on or off the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- May terminate a participant's assistance if they have been arrested, convicted or whose tenancy is being terminated due to violent criminal activity or whose activities, including those of their guests and invitees, have created a disturbance in the building or neighborhood.
- Will terminate assistance if the family violates the lease for violent criminal activity.

Incidents or threats of abuse, or criminal activity related to abuse engaged in by a member or guest of the participant's household, will not be grounds for termination of the victim or threatened victim of the abuse.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside in the unit. If the violating member is a minor, the Housing Authority may consider individual circumstances with the advice of Juvenile Court officials.

15.3.5 Required Evidence **[24 CFR §982.553(c)]**

In determining whether to terminate assistance based on criminal activity, the Housing Authority may terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted.

The Housing Authority may consider arrests, convictions, no contest pleas, fines, city ordinance violations or other credible preponderance of evidence in determining if a violation has occurred.

Preponderance of evidence: evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

15.3.6 Confidentiality of Criminal Records **[24 CFR §5.903(g)]**

Criminal records received by the Housing Authority shall be maintained confidential, not misused, nor improperly disseminated and kept locked during non-business hours. Also, all criminal records will be destroyed no later than 30 calendar days after a final determination is made.

15.3.7 Disclosure of Criminal Records to Family
[24 CFR §5.903(f) and §982.553(d)]

The applicant or household member requesting to be added to the lease will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided with the opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing.

15.4 NOTICE OF TERMINATION OF ASSISTANCE

In any instance where the Housing Authority decides to terminate assistance to the family, the Housing Authority must give the family a written notice that includes:

1. The reason(s) for the proposed termination;
2. The effective date of the proposed termination;
3. Information regarding the family's right to request an Informal Hearing to be held before termination of assistance; and
4. The date by which a request for an informal hearing must be received by the Housing Authority.

A final notice of determination and date of termination will then be sent to the participant if no hearing is requested within the allowable time or if the Informal Hearing confirms the termination.

The Housing Authority will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the termination of assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

15.5 PROCEDURES FOR NON-CITIZENS
[24 CFR §982.552(b)(4) and 24 CFR §5.514]

The Housing Authority is required to terminate assistance for participant families in which no members are U.S. citizens or eligible immigrants. If a family member does not establish citizenship or eligible immigration status as required, the Housing Authority will prorate the assistance, or if there are no eligible family members remaining, the Housing Authority will propose program termination and provide the opportunity for an informal hearing, as explained in Chapter 16.

15.5.1 False or Incomplete Information (No Eligible Members)

Families are required to submit evidence and sign declarations of their citizenship or eligible immigration status. If the Housing Authority obtains substantive documentation (such as a permanent resident card or information from another agency) that contradicts a family member's declaration of citizenship, an investigation will be conducted and the individual given an opportunity to present relevant information.

- If the family (or any member) claimed eligible immigrant status and the USCIS primary and secondary verifications failed to document the status, the family may make an appeal to the USCIS and request a hearing with the Housing Authority either after the USCIS appeal or in lieu of the USCIS appeal.
- If the family member is unable to verify their citizenship, the Housing Authority may give the individual an opportunity to provide a new declaration as an eligible immigrant or to elect not to contend their status. The Housing Authority will then verify eligible status, and terminate, or prorate as applicable.
- Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

After the Housing Authority has made a determination of ineligibility, the family will be notified of the determination and the reasons, and informed of the option for prorated assistance (if applicable) or the proposed termination.

The Housing Authority will terminate assistance for misrepresentations or submission of false information.

15.6 ZERO ASSISTANCE (END OF PARTICIPATION) [24 CFR §982.455]

The Housing Authority is required to automatically terminate the HAP contract 180 calendar days after the last housing assistance payment is made to the owner. A family receiving no assistance may remain in the unit for up to 180 calendar days after the last HAP payment. If the family is still in the unit after 180 calendar days, assistance is terminated. If within the 180-day period, an owner rent increase or a decrease in the TTP causes the family to be eligible for a housing assistance payment, the Housing Authority will resume assistance payments for the family.

In order for a family to move to another unit during the 180 calendar days, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

15.7 OPTION NOT TO TERMINATE FOR MISREPRESENTATION OF INCOME

If the family has misrepresented any facts that caused Housing Authority to overpay assistance, the Housing Authority may choose not to terminate and may offer to continue assistance provided that the family agrees to pay the Housing Authority the amount owed and either pays the Housing Authority in full or executes a Repayment Agreement and makes payments in accordance with the agreement.

15.8 MISREPRESENTATION IN COLLUSION WITH OWNER

If the family willingly and knowingly commits fraud or is involved in any other illegal scheme with the owner, the Housing Authority will deny or terminate assistance.

15.9 MISSED APPOINTMENTS AND DEADLINES [24 CFR §982.551]

It is a family obligation to supply information, documentation, and certifications as needed for the Housing Authority to complete required processes. The Housing Authority schedules appointments and sets deadlines in order to obtain the required information. Failure to supply requested information can result in termination of assistance. Examples of failing to supply requested information can include: failing to sign necessary documents, failing to return documents or returning incomplete or altered documents, failing to complete all information requested on documents, etc.

The obligations also require that the family keep all appointments and allow the Housing Authority to inspect the assisted unit. All scheduled inspections are considered “appointments.”

The family will receive information about the requirement to keep appointments, and the number of times that appointments are rescheduled as specified below. Appointments are scheduled and time requirements imposed for the following events and circumstances:

1. Eligibility for Admissions;
2. Verification Procedures;
3. Voucher Issuance and Briefings;
4. HQS Inspections;
5. Re-examinations; and
6. Appeals (Informal Hearing/Reviews).

Examples of good cause for missing appointments or failing to provide information by deadlines are medical and/or family emergencies. In such cases, the family may be requested to provide verification of such circumstances.

An applicant or participant who fails to keep appointments, or to supply information required by a deadline without notifying the Housing Authority may be sent a notice of termination of assistance for failure to comply with program regulations.

The family may be granted up to two opportunities before they receive a notice of denial or termination for breach of a family obligation. After issuance of the denial or termination notice, if the family offers to correct the breach within the time allowed to request a review or hearing, the notice may be rescinded after the family corrects the breach, if the family does not have a history of non-compliance. For families with a history of non-compliance, the Housing Authority may elect to hold the review or hearing.

The Housing Authority may grant exceptions to this policy as a reasonable accommodation, in accordance with section 1.8.2 and 7.10.10.

15.10 REPORTING TERMINATED FAMILIES TO ENTERPRISE INCOME VERIFICATION SYSTEM (EIV)

If a family is terminated due to an adverse action or leaves the program owing money to the Housing Authority, the family will be reported to EIV. Additionally, if any debt is owed, the amount of the debt will be recorded in EIV.

CHAPTER 16: INFORMAL REVIEWS/HEARINGS

16.1 INTRODUCTION

This chapter covers the Housing Authority's policy and procedures for informal reviews and informal hearings. This chapter defines the Housing Authority's responsibilities to applicants and participants.

16.2 REASONABLE ACCOMMODATION

All requests for accommodation will be verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability.

Requests for accommodation from persons with disabilities will be granted upon verification that they are reasonable, and they meet the need presented by the disability.

Reasonable accommodation will be made for persons with disabilities that require an advocate or accessible offices. A designee will be allowed to provide information as needed, but only with the permission of the person with the disability.

16.3 INFORMAL REVIEW PROCEDURES FOR APPLICANTS [24 CFR §982.554(a)]

Under certain circumstances, the Housing Authority offers informal reviews for applicants. Applicants are defined as families who are on the Section 8 waiting list and are awaiting the issuance of a voucher or families who have been issued a voucher but have not yet been assisted under a Housing Assistance Payment (HAP) Contract.

When the Housing Authority denies assistance to an applicant, the family is notified in writing. The notice contains:

- The reason(s) for the decision;
- The procedure for requesting an informal review if the applicant does not agree with the decision; and
- The time limit for requesting a review.

The Housing Authority must provide applicants with the opportunity for an Informal Review of Decisions denying issuance of a voucher or participation in the program.

Applicants who are denied assistance based on ineligible immigration status are entitled to an informal hearing (rather than an informal review).

16.3.1 When an Informal Review is Not Required

[24 CFR §982.554(c)]

Informal reviews are not required for established policies, procedures, and Housing Authority determinations such as:

1. Discretionary administrative determinations by the Housing Authority;
2. General policy issues or class grievances;
3. A determination of the family unit size under the Housing Authority subsidy standards;
4. Refusal to extend or suspend a certificate or voucher;
5. Disapproval of lease;
6. Determination that the unit is not in compliance with HQS; or
7. Determination that the unit is not in accordance with HQS due to family size or composition.

16.3.2 Procedure for Review

[24 CFR §982.554(b)]

Informal Reviews will be conducted via mail. Applicants will be required to submit written objections to the Housing Authority by the close of business day, no later than 15 calendar days from the date of the Housing Authority's notification of "Notice of Cancellation of Application." The informal review will be conducted within 30 calendar days from the date the request is received.

The informal review will not be conducted by the person who made or approved the decision under review, nor a subordinate of such person. The review may be conducted by:

- A staff person who is not the person who made the decision or his/her subordinate, or
- An individual from outside the Housing Authority.

A Notice of the Review decision will be provided in writing to the applicant within 30 calendar days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation, and a copy of the final decision will be retained in the applicant's file.

Requests for accommodations from persons with disabilities will be granted upon verification that the request is reasonable, and they meet the need presented by the disability on a case-by-case basis.

16.4 INFORMAL HEARING FOR PARTICIPANTS

[24 CFR §982.555]

16.4.1 When an Informal Hearing May Be Requested

[24 CFR §982.555(a)(1)]

A participant family must be given an opportunity for an informal hearing to consider whether certain Housing Authority decisions are in accordance with the law, HUD regulations and Housing Authority policies.

In the following cases, the Housing Authority must give the participant an opportunity for an informal hearing before the Housing Authority terminates HAP for the family under an existing HAP contract:

1. A determination of the family's annual or adjusted income, and the use of the income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Housing Authority utility allowance schedule.
3. A determination of the family unit size under the Housing Authority's subsidy standards.
4. A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the Housing Authority's subsidy standards, or a Housing Authority determination to deny the family request for a waiver from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act.
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under Housing Authority policy and HUD rules.

16.4.2 Notification

[24 CFR §982.555(c)]

- When the matter in question is:
 1. The determination of the family's annual or adjusted income or computation of the housing assistance payment;
 2. Appropriate utility allowance (if any) for tenant-paid utilities; or
 3. Family unit size,

The Housing Authority must notify the family that they may ask for an explanation of the basis of the Housing Authority's determination. The family must also be notified that if the family does not agree with the explanation, the family may request in writing an informal hearing on the decision.

- When the matter in question is:
 1. Certificate family residing in too large a unit, or the Housing Authority's refusal to issue a waiver to subsidy standards;
 2. Termination due to the family's action or failure to act; or

3. Absence from the assisted unit for longer than the maximum period permitted,

The Housing Authority must give the family prompt written notice that the family may request in writing an informal hearing on the decision.

- When the Housing Authority has made a decision to:
 1. Terminate HAP on behalf of a participant under an active contract;
 2. Refuse to re-issue a voucher; or
 3. Refuse to execute a new contract with a program participant,

The family must be given written notice of the opportunity for an informal hearing before the termination of Housing Assistance Payments.

- The notice must:
 1. Contain a brief statement of reasons for the decision;
 2. Inform the participant regarding his/her right to an informal hearing;
 3. Advise the participant that a request for an informal hearing must be in writing;
 4. Advise the participant that the Housing Authority must receive the request within 15 calendar days of the date of the letter; and
 5. Explain the basic elements of the informal hearing, i.e., right of the participant to present evidence, question witnesses, to have representation, the Housing Authority-designated impartial hearing officer written decision.

16.4.3 Prior to Hearing **[24 CFR §982.555(e)(2)]**

Before the informal hearing, the family may request an appointment to examine any documents in the family's portion of the file that are directly relevant to the hearing. The family must be allowed to copy any such document at the family's expense. If the Housing Authority does not make the document in the family's file available for examination on request of the family, the Housing Authority may not use the document at the hearing.

The Housing Authority may also provide information to participants on relevant documents in the possession of other public agencies in order for the participant to contact the agency and obtain a copy of the document. The Housing Authority may then reference the contents of the document at the hearing through witness testimony.

The Housing Authority requires that the family submit any documents that are directly relevant to the hearing either before or at the time of the hearing. The Housing Authority must be allowed to copy any such documents at the Housing Authority's expense. If the family does not make the document available for examination on request of the Housing Authority, the family may not rely on the document at the hearing.

During the course of the hearing, if the family offers to submit evidence, the Hearing Officer is not required to, but may exercise the discretion to allow the family to submit a document within a specified period.

16.4.4 Hearing Process
[24 CFR §982.555(d)]

When a participant family has timely requested a hearing, the Housing Authority will proceed within 15 calendar days of receipt of the request to notify the participant of the date, time and location of the hearing.

- There may be one postponement of the hearing date by the participant. A request to reschedule must be requested before the scheduled date and may not extend beyond the proposed termination date.
- Any additional postponements may only be for good cause such as, but not limited to hospitalization, illness or injury. Second postponement requests must be supported by verification of the cause.

16.4.5 Hearing Officer
[24 CFR §982.555(e)(4)]

The Hearing Officer may be either a Housing Authority employee or an outside third party contracted by the Housing Authority. The Hearing Officer must not have made or approved the decision under review nor be a subordinate of the person who made the decision. The Hearing Officer controls the informal hearing and may:

- Control the scope and method of direct and cross examination of witnesses;
- Control the admission and determine relevancy of offered evidence;
- Question witnesses and set time limitations for any portion of the informal hearing process.
- May consider evidence without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The Hearing Officer will audio record the hearing and follow the format set forth below.

16.4.6 Opening

The Hearing Officer will convene the informal hearing with both parties and their representatives present. (If the participant is represented, the participant will have provided the Housing Authority written authorization for the representative to do so.)

The Hearing Officer will explain the informal hearing procedures, state the purpose of the hearing, and inform the participant that the hearing will be recorded. The Hearing Officer may request clarification or ask questions of either side or witnesses at anytime during the Informal Hearing. Each person present will introduce himself or herself.

16.4.7 Presentations

Each side will have an opportunity to present its case and be allowed to present witnesses and submit relevant evidence as determined by the Informal Hearing Officer. (Witnesses may be cross-examined at this time.) The Housing Authority begins the hearing by presenting the Notice of Hearing. The Housing Authority will then present a copy of the original notification to the participant regarding the matter, followed by the evidence, including testimony of witnesses, which supports the allegations in the notification.

16.4.8 Rebuttals

Each side will have an opportunity to present rebuttal to the evidence presented.

16.4.9 Final Summary

Each side is then allowed to summarize its arguments.

16.4.10 Conclusion of Hearing

The Hearing Officer may continue a hearing if additional information from either party is requested. Otherwise, the Hearing Officer will advise each side that the testimony and evidence will be reviewed, a final decision made and a determination letter issued stating the decision and the reasons for the decision within 10 calendar days. The decision of the Hearing Officer is final.

The Hearing Officer will use the following principles for the Informal Hearings and decisions:

1. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
2. Determinations on the matter being reviewed shall be based on the evidence presented at the hearing.
3. If the issues and differences can properly be resolved at the hearing, the Hearing Officer should attempt to resolve them through mutual consent as long as the resolution is not contrary to applicable law, HUD regulations and/or Housing Authority's policies.
4. The purpose of the hearing is to determine if the original decision made in the case is in accordance with the law, HUD regulations and Housing Authority policies.
5. The Hearing Officer may not make a finding contrary to HUD regulations or requirements, contrary to federal, state or local law or exceeding the authority of the Hearing Officer.

16.5 WHEN AN INFORMAL HEARING IS NOT REQUIRED **[24 CFR §982.555(b)]**

The Housing Authority is not required to provide a participant family an opportunity for an informal hearing for the following:

1. To review discretionary administrative determinations by the Housing Authority, or to consider general policy issues or class grievances;
2. To review the Housing Authority's determination that a unit does not comply with HQS, **except** when the breach of HQS was determined to be tenant-caused;
3. To review decision by the Housing Authority to exercise or not exercise any remedy against the owner under an outstanding Contract, including the termination of HAP to the owner;
4. To review the Housing Authority's decision not to approve a family's request for an extension or suspension of the term of the voucher;
5. Determination that the unit is not accordance with HQS due to family size;
6. Establishment of the Housing Authority's schedule of utility allowances for families in the program; or
7. A Housing Authority determination not to approve a unit or lease.

CHAPTER 17: OWNER OR FAMILY DEBTS TO HOUSING AUTHORITY

17.1 INTRODUCTION **[24 CFR §982.163 AND §792]**

This chapter describes the Housing Authority's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family or owner, the file must contain documentation to support the Housing Authority's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner or the family, as appropriate.

When families or owners owe money to the Housing Authority, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

- Requests for lump sum payments
- Repayment agreements
- Abatements
- Deductions
- Collection agencies
- Credit bureaus
- Civil suits

17.2 REPAYMENT AGREEMENTS FOR FAMILIES **[24 CFR §792.103]**

A Repayment Agreement as used in this plan is a document entered into between the Housing Authority and the person who owes a debt to the Housing Authority. The Repayment Agreement contains:

- Reference to the paragraphs in the family obligations whereby the person is in non-compliance and may be subject to termination of assistance; and
- A statement that the monthly retroactive rent repayment amount is in addition to the family's regular rent contribution and is payable to the Housing Authority; and
- The terms of the agreement may be renegotiated if there is a decrease or increase in the family's income; and
- Late and missed payments constitute default of the repayment agreement and may result in termination of assistance; and
- An acknowledgment by the person of the debt in a specific amount; and
- The terms of repayment; and
- Any special provisions of the agreement.

17.2.1 Late Payments

A payment will be considered to be in arrears if the payment has not been received by the close of the business day on which the payment was due.

- If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the Housing Authority may do one or more of the following:

- Require the family to pay the entire arrearage plus current month's payment in order avoid loss of assistance;
- Require the family to pay the balance in full in order to avoid losing assistance;
- Pursue civil collection of the balance due; or
- Terminate the housing assistance.

17.2.2 Requests To Move

If the family requests to move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family will be required to pay the balance in full prior to the issuance of a voucher.

If the family requests to move to another unit and is in arrears on a repayment agreement, unless they pay the balance in full the request will be denied.

Under special circumstances, the Housing Authority may make an exception and allow a family to move without paying the entire balance of the debt if the family is current with its payments. The Housing Authority may also allow a family who is in arrears to become current in order to process a move if the move is for one of the following reasons:

- HAP contract is terminated due to owner non-compliance
- A natural disaster
- The unit is uninhabitable or has major HQS deficiencies that are not the result of a family action or inaction.
- A life-threatening situation such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

17.2.3 Guidelines for Repayment Agreements

The Housing Authority, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the Housing Authority. The offer of a repayment agreement does not constitute an agreement to continue the family's assistance. However, the Housing Authority will propose termination of the family's assistance upon refusal by the family to enter into a repayment agreement.

Repayment Agreements will be executed between the Housing Authority and the head of household or other adult family member.

Monthly payments may be decreased in cases of hardship with the prior notice of the family, verification of hardship, and the approval of a Housing Authority Manager.

If the Housing Authority offers a repayment agreement, the family has the option to repay retroactive rent balances as follows:

1. In a lump sum amount; or
2. A monthly payment; or
3. A combination of a lump sum and monthly payment.

The Housing Authority will usually ask that the family pay an initial lump sum (in an amount determined by the Housing Authority) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400.

In determining the initial lump sum, the Housing Authority will consider the total amount owed, the ability of the person to make the remaining payments and the percentage of the total sum owed. In most cases, the Housing Authority will ask the family to pay a significant initial lump sum as part of entering into a Repayment Agreement to help ensure full payment to the Housing Authority and to reduce the monthly payment. These terms will be negotiated with the tenant.

Additional Debt Incurred: If the family has a Repayment Agreement in place and incurs an additional debt to the Housing Authority:

- The Housing Authority may choose, at its discretion, to agree to more than one Repayment Agreement at a time with the same family.
- If a Repayment Agreement is in arrears more than 30 calendar days, any new debts must be paid in full.

17.3 FAMILY DEBTS OWED FOR UTILITY REIMBURSEMENT PAYMENTS

Families must repay Utility Reimbursement Payments (URP) made by the Housing Authority for periods in which the family was not entitled to the URP.

If the amount of the URP owed to the Housing Authority is \$50 or less, the tenant will be required to pay the debt in full.

17.4 FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION **[24 CFR §792.103]**

HUD's Definition of Program Fraud and Abuse: A single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Housing Choice Voucher Program funds in violation of Housing Choice Voucher Program requirements.

17.4.1 Family Error/Late Reporting

Families who owe money to the Housing Authority due to the family's failure to report income or change in allowances or deductions will be required to repay in accordance with the guidelines set forth in 17.2 (Repayment Agreements for Families) of this chapter.

17.4.2 Program Fraud

At the Housing Authority's discretion, families who owe money to the Housing Authority due to program fraud will be required to repay the debt, and may be required to accept a repayment agreement in accordance with the guidelines set forth in Section 17.2 (Repayment Agreements for Families) of this chapter.

In addition, the case may be referred to the Inspector General and/or the Housing Authority may refer the case for criminal prosecution.

17.5 FAMILY DEBTS PAID IN FULL

If the Housing Authority determines not to enter into a Repayment Agreement, or if the Repayment Agreement is breached and the Housing Authority demands payment of the balance in full, the family must pay the full amount due and owing in one lump sum. If the family fails to pay, the Housing Authority will terminate the family's assistance and may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the Housing Authority does not waive its right to take other action including termination of assistance or referral for criminal prosecution in appropriate cases.

17.6 OWNER DEBTS TO HOUSING AUTHORITY

If the Housing Authority determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the Housing Authority may deduct the amounts owed from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, Housing Authority may do one or more of the following:

- Require the owner to pay the amount in full within 30 calendar days;
- Agree to a repayment agreement with the owner for the amount owed. Repayment period may not exceed 2 months;
- Pursue collections through the local court system;
- Pursue collections through a collection agency; or
- Restrict the owner from future participation.

17.6.1 Owner Debts Due to Fraud

If the landlord has been overpaid because of fraud, misrepresentation or violation of the contract, the Housing Authority may terminate the contract and arrange for restitution to the Housing Authority and/or family as appropriate.

The Housing Authority will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Possible remedies available to the Housing Authority include: recovering monies owed from payments otherwise due to the owner, setting up a repayment agreement, referring the debt to a collection agency, or pursuing the matter in a civil court. A determination on the course of action to be taken will be based on the nature of the violation and the

amount of the money owed. Generally, if the owner is cooperative, is willing to pay back all monies owed, and all monies will be repaid within 12 months, the Housing Authority will offer the owner a chance to enter into a Repayment Agreement. However, in cases where the owner knowingly and willfully violated program rules, the Housing Authority may seek full repayment in one lump sum.

17.7 WRITING OFF DEBTS

Debts may be written off if:

- The debtor's whereabouts are unknown and the debt is more than 3 years old.
- A determination is made that the debtor is judgment proof.
- The debtor is deceased and has an insufficient estate.
- The debtor is confined to an institution indefinitely or for more than 3 years.
- The amount is less than \$100 and the debtor cannot be located.
- If a family defaults on a repayment agreement for an amount less than \$50.

CHAPTER 18: SPECIAL PROGRAMS

18.1 INTRODUCTION

The Housing Authority periodically has the opportunity to apply for targeted funding for special populations. The Housing Authority often enters into collaborative agreements with other agencies or County departments to qualify for and/or administer these funds. **Special Program policies and procedures are the same as that of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.**

Currently, The Housing Authority's Special Needs Housing and Special Program Units administer the following targeted programs:

- Family Unification Set-Aside Program (Family UP);
- Welfare-to-Work Program (WtW);
- Homeless Set-Aside Program;
- Shelter Plus Care Program (S+C);
- Housing Opportunities for Persons with AIDS Program (HOPWA);
- Veterans Affairs Supportive Housing (VASH) Program, and
- The Family Self-Sufficiency Program (FSS).

This chapter provides details on the special programs currently administered by the Housing Authority. This section is divided into two main parts:

- Housing Assistance Programs, and
- Family Self-Sufficiency Program.

18.2 HOUSING ASSISTANCE PROGRAMS

18.2.1 Housing Choice Voucher Programs

- **Housing Choice Voucher Welfare-to-Work Program (WtW) Program:**
This program provides assistance to families who are eligible for CalWORKs benefits, are in good standing with the employment/job training program offered by the Los Angeles County Department of Public and Social Services (DPSS) and are in need of housing in order to obtain or retain employment. Eligible families are identified by DPSS and referred to the Housing Authority for rental assistance. The Housing Authority may also refer eligible families from the Housing Authority waiting list to DPSS for assistance.
- **Veterans Affairs Supportive Housing (VASH) Program**
This program provides rental assistance to homeless veterans and their families in combination with case management and clinical services through the Department of Veterans Affairs at Veterans Affairs Medical Center

(VAMC) supportive service sites. Families served by a VASH voucher are referred to the Housing Authority by the VAMC.

18.2.2 Voluntary Set-Aside Programs For Homeless Families

- **Housing Choice Voucher Homeless Set-Aside Program**: This program targets families throughout Los Angeles County. All eligible families are referred to the Housing Authority by pre-selected service providers.
- **Housing Choice Voucher Long Term Family Self-Sufficiency Homeless Program**: This program targets homeless families who are eligible for CalWORKs and are employed or have an offer of employment (either subsidized or unsubsidized). Families assisted under this program will have access to a \$1,500 Relocation grant to help meet the cost of moving expenses and have access to Housing Counseling Services. Relocation and Housing Counseling Services are funded by the Los Angeles County Department of Public and Social Services (DPSS). This program is currently inactive until funding from the DPSS is secured.
- **Housing Choice Voucher Family Unification (Family UP) Set-Aside Program**: This program provides assistance to families who are in imminent danger of losing or who cannot regain custody of their minor children due to lack of adequate housing. This program is a collaborative effort between the Housing Authority and the Los Angeles Department of Children and Family Services (DCFS). Eligible families are identified by DCFS through their Family Preservation Unit and referred to the Housing Authority for rental assistance. The Housing Authority may also refer eligible families from the Housing Authority waiting list to DCFS.

These programs are funded from the Housing Authority's regular turnover, i.e. vouchers that are vacated throughout the year because families are terminated from the program or voluntarily leave are used to provide assistance to special needs families.

For each set-aside program, the Housing Authority works with pre-selected supportive services providers who will certify that the family meets the specific criteria for the set-aside program and commits to providing on-going supportive services for a minimum of 6 months in order to ensure that the family is able to live independently.

All families admitted into a set-aside program must be referred by an approved supportive service provider and meet all regular admission requirements with the exception of the residency requirement. For the purpose of the set-aside programs, the Housing Authority will not require that a family qualify for a residential preference since most families are homeless and are unable to provide information about their last known permanent address. However, families must agree to reside in the Housing Authority's jurisdiction for the first year of assistance.

18.2.3 Non-Housing Choice Voucher Special Programs

- **Shelter Plus Care (S+C) Program**: This program is designed to link rental assistance to supportive services for homeless individuals with disabilities

and/or their families. This program primarily provides assistance to those who have been diagnosed with mental illness, chronic substance abuse problems, or AIDS. Assistance is provided for a term of 5 years or for as long as there is a continuum of funding available for this program.

- **Housing Opportunities for Persons with AIDS (HOPWA)**: This program specifically targets individuals and families afflicted by HIV/AIDS. Assistance under this program is provided for one year. After the one-year term, all HOPWA participants in good standing are allowed to transition to the regular Housing Choice Voucher Program. This program is also administered by the Housing Authority in other cities in addition to the cities currently within the Housing Authority's jurisdiction.

18.3 HOUSING ASSISTANCE PROGRAM PROCEDURES

18.3.1 Referral Process/Waiting List

The Housing Authority does not maintain a waiting list for the Housing Choice Voucher Special Programs, Housing Choice Voucher Homeless Set-aside Programs, or Non-Housing Choice Voucher Special Programs. Eligible families are identified to apply for these programs by pre-selected service providers, other agencies or County departments are referred to the Housing Authority.

18.3.2 Eligibility

Applicants must meet HUD's eligibility requirements for that specific program to qualify for rental assistance. In order to determine final eligibility, the Housing Authority may verify all information submitted by applicants.

For more specific information on eligibility requirements, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

18.3.3 Verification Procedures

Since HUD requires that factors of eligibility must be verified, applicants and program participants are required to provide proof of their statements whenever required by the Housing Authority. Some Special Programs may require additional documents when verifying program eligibility. For example:

- **Homeless Condition Form**: Must be provided for all individuals/families referred through the Shelter Plus Care Program, Homeless Set-Aside Program, Homeless with AIDS program, and HOPWA program. This form is not required for VASH participants as the VAMC will verify if the participant is homeless.
- **Verification of Disability and/or Diagnosis Form**: Must be provided for all individuals claiming a disability, especially a disability that is cited as a qualifying factor for a particular program (i.e. S+C, HOPWA). Written determinations must be made by a psychiatric or medical professional trained to make such determination.

18.3.4 Denial of Participation

If a family previously participated in any special program and violated a family obligation and was terminated, the family may be denied future participation.

Families may be denied participation in the program if they owe the Housing Authority, or any other housing agency, money in connection with the Housing Choice Voucher Program or Public Housing assistance.

Families referred by contracted Community-Based Organizations (CBO's), will be sent a denial letter and referred to the CBO if there are any further questions.

VASH applicants may not be denied assistance except for failure to meet income eligibility and subjection to a state lifetime sex offender registration requirement. If a VASH applicant is denied assistance, the Housing Authority will send a copy of the denial notice to HUD Headquarters, Office of Public and Indian Housing, as specified in PIH Notice 2008-37.

18.3.5 Income Limits

VASH applicants are not subject to income targeting. The Housing Authority may include the admission of an extremely low-income VASH applicant in its income targeting numbers for the fiscal year in which the family was admitted.

18.3.6 Criminal Background

Program applicants for all voluntary set-aside programs and Housing Choice Voucher Special Programs will require criminal background checks. VASH applicants will only be required to undergo a criminal background check to assure no one in the family is subject to a lifetime sex offender registration requirement. Shelter Plus Care applicants will not be required to undergo the criminal background check.

For more specific information on the applicant screening standards used by the Housing Authority when reviewing criminal records, please see Section 2.8 (Screening for Drug Abuse and Other Criminal Activity).

18.3.7 Briefing Sessions

Briefing sessions are conducted for all special programs. Families are issued accordingly:

- Housing Choice Voucher Special Programs and Homeless Set-aside Programs are issued a Housing Choice Voucher. VASH families are issued a Housing Choice Voucher with an initial search time of a minimum of 120 days. See Chapter 3 for policies regarding voucher extensions.
- Shelter Plus Care applicants are issued a participation agreement. This participation agreement allows for termination of assistance if any member of the family violates the terms set forth in the participation agreement.
- HOPWA applicants are issued certificates.

For more specific information on voucher issuance and briefings, please see Chapter 8 (Voucher Issuance and Briefing).

18.3.8 Contracts/Tenant Payments

Housing Choice Voucher Special Programs and Homeless Set-Aside Programs are contracted based on the payment standards, and participants may pay up to 40% of their adjusted monthly income.

Non-Housing Choice Voucher Special Programs are contracted based on the Fair Market Rents published by HUD and tenant rental portions are limited to 30% of the participant's adjusted monthly income.

Unlike other Housing Choice Voucher programs, VASH participants may enter into an initial lease of less than 12 months [FR-5213-N-01].

For more specific information on determining total tenant payment, please refer to Chapter 6. For more specific information on the new contract process, request for tenancy approval and contract execution, please refer to Chapter 9.

18.3.9 Eligible Housing Types

VASH families may use the voucher in a unit owned by the VA on the grounds of the VAMC.

18.3.10 Re-Examinations

The Housing Authority is required to process annual re-examinations. In cases where a family experiences a change in household composition and/or income between annual re-examinations, the Housing Authority may process an interim re-examination. The family is required to report all changes in household composition and decreases in income to the Housing Authority within 30 calendar days of occurrence.

For more specific information regarding causes for processing annual/interim re-examinations and the requirements for completing annual/interim re-examinations, please refer to Chapter 12 (Re-Examination).

18.3.11 Terminations

- **Proposed Terminations:** Community Based Organizations and/or other government units or departments currently contracted by the Housing Authority to provide supportive services may request termination of housing assistance for a program participant who is in violation of program requirements and/or conditions of occupancy.
- **Terminations:** Housing assistance may be terminated if a family violates specific program requirements and/or the family obligation.

VASH families may not be terminated if the VAMC determines case management services are no longer required.

For more specific information on family obligations, please see Chapter 15 (Family Obligations).

18.3.12 Portability

All special programs have different requirements for portability. They are listed as follows:

- Housing Choice Voucher Special Programs and Housing Choice Voucher Set-aside Programs must live within the Housing Authority's jurisdiction for at least one year before becoming eligible to port out to another housing authority's jurisdiction. This requirement does not apply to VASH applicants or participants. VASH families may port before initial lease up, even when they did not reside in the Housing Authority's jurisdiction at the time of application.
- If a VASH family ports to a housing authority where they may continued to be served by the VAMC that services the Housing Authority's jurisdiction, the receiving housing authority must bill the Housing Authority. A VASH family may not port to another housing authority where there is no VAMC that can serve them, or where the receiving housing authority does not have an available VASH voucher. If a VASH family ports to another housing authority with an available VASH voucher and where the family will be served by the VAMC in that area, the receiving housing authority must absorb the family.
- Shelter Plus Care participants have **no portability rights**. They must continue to live within the Housing Authority's jurisdiction for as long as they continue to participate in this program.
- HOPWA participants have no portability rights as long as they continue being assisted under this program. However, after 1 year of HOPWA assistance, eligible participants are converted to the regular Housing Choice Voucher program and become eligible to port out to another housing authority's jurisdiction.

For more specific information on allowable moves and eligibility for portability, please refer to Chapter 13 (Allowable Moves/ Portability).

18.4 FAMILY SELF-SUFFICIENCY PROGRAM **[24 CFR §984.101(a)]**

Family Self-Sufficiency promotes the development of local strategies to enable families to achieve economic independence and self-sufficiency. The program is designed to provide supportive services for families who are residents within the Housing Authority's jurisdiction. Supportive services include but are not limited to childcare, education, transportation, counseling, job preparation, vocational training and home ownership workshops.

Upon becoming employed, FSS participants continue to pay rent in accordance with the Housing Authority's housing choice voucher procedures. Whenever the participant's rent increases, the Housing Authority establishes an interest bearing Escrow Account in their name. If the family successfully completes the contract obligations within 5 years, the family can apply to graduate from the program and receive the accrued portion of their escrow account.

New admissions to the Family Self-Sufficiency program will be limited to the level of available funding.

18.5 FSS APPLICATION PROCESS

An application is mailed to the applicant and is due back within 10 calendar days from the date it was mailed. If the application is returned undeliverable, the Housing Authority will make one more attempt to contact the applicant by mail. If the second application is returned undeliverable, the file will be documented as such. Tenants will not be penalized for not participating in the FSS Program since it is a voluntary program for voucher holders with the exception of the Welfare-To-Work (WTW) participants.

The FSS application process for WTW participants is handled in the same manner as stated in the preceding paragraph, however if the participant fails to return the application, the Housing Authority would propose termination on the grounds of non-compliance with program mandate.

Once an application is returned to the FSS office, eligibility is determined. If accepted, a Contract of Participation (CoP) is developed and an Individual Training and Services Plan (ITSP) is created. Following the CoP and ITSP being executed, participants are referred to an FSS case manager or to a contracted Community-Based Organization (CBO) to administer the case. If the application is not accepted, the tenant will be notified in writing within 5 calendar days. This applies to housing choice voucher applications only. All Welfare-To-Work applications are accepted.

18.5.1 FSS Eligible Families **[24 CFR §984.103]**

FSS eligible families are housing choice voucher holders and/or residents of County Public Housing.

- “FSS family” or “participating family” means a family that receives assistance under Public Housing or the Housing Choice Voucher Program and elects to participate in the FSS Program and whose designated head of FSS family has signed the Contract of Participation.
- “Head of the FSS family” means the adult member of the FSS family who is the head of household for purposes of determining income eligibility and rent.

18.5.2 Denial of Participation **[24 CFR §984.302]**

If a family previously participated in the FSS Program but did not meet its obligations and was terminated, the family may be denied future participation.

Families may be denied participation in the program if they owe the Housing Authority or another housing agency money in connection with the Housing Choice Voucher Program or Public Housing assistance.

18.6 FSS CONTRACT OF PARTICIPATION (COP)
[24 CFR §984.303]

Upon receipt of the application, the Housing Authority will prepare a Contract of Participation within 5 to 10 calendar days. The contract will contain the effective date as well as the expiration date. It will execute the resources and supportive service and outline the starting base for determining the escrow account. In addition, the contract will outline the guidelines for administering and disbursing the escrow funds [24 CFR §984.303(b)(1)].

Each family participating in FSS must execute a Contract of Participation with Housing Authority. The effective date of the contract will be the first of the month after the contract is executed. The limited term is 5 years. The contract may be extended in writing and at the family's request, for up to 2 years for good cause [24 CFR §984.303(c)].

The Housing Authority will only grant an extension in rare circumstances that are beyond the control of the family, and which prevent completion of the training and services plan [24 CFR §984.304(d)].

Termination of employment for nonperformance by the FSS head is not justification for a contract extension.

The Housing Authority may extend the CoP to allow families to meet the interim goal of being welfare-free at least 12 consecutive months prior to the expiration of the contract.

During an extension to the contract, the family continues to have FSS amounts credited to the escrow account.

The Housing Authority may set milestones for employment and other activities leading to self-sufficiency early in the 5-year contract term in accordance with the family's abilities.

The family's obligations may terminate before the end of the 5-year contract term, and the family's participation in FSS and entitlement to the escrow may be less than 5 years.

Three items of information must be entered into the contract to be valid:

- Gross Annual Income
- The amount of earned income in the gross annual income
- Family Rent (TTP or 30 percent of Monthly Adjusted Income for vouchers)

The CoP establishes an agreement between the family and the Housing Authority as to the responsibilities of each party. The contract is to be signed by the head of the FSS family, which is the head of household for purposes of determining eligibility. Copies of the documents will be furnished to the head of household.

The CoP may be modified in the following areas, if the Housing Authority and the family mutually agree [24 CFR §984.303(f)]:

- Individual Training and Services Plan

- The contract term (extension)
- Designation of the FSS head of the family in cases where the FSS head is deceased or becomes unassisted

A change in the designated FSS head must be included as an attachment to the Contract. It must contain the following:

- Name of new designated FSS head
- The signatures of the new FSS head and a Housing Authority representative
- The date signed

18.6.1 Compliance With The Lease
[24 CFR §984.303(b)(3)]

The Contract provides that the family must comply with the assisted lease. Therefore, noncompliance with County Housing Development lease, or the lease with the owner in the Housing Choice Voucher Program, is grounds for termination of the FSS Contract of Participation.

In the Housing Choice Voucher Program, if the violation of the lease is “serious or repeated,” the housing authority may also terminate program assistance.

The following representative(s) is/are authorized to execute a contract on behalf of the Housing Authority: Special Programs Administrator, FSS Coordinator, and FSS Program Specialist.

18.7 INDIVIDUAL TRAINING AND SERVICE PLAN (ITSP)
[24 CFR §984.303(b)(2)]

The contract must contain an ITSP for the FSS head of household. Other adult family members who wish to receive services must also have an individual training and services plan to participate in the FSS program. The resources and services to be provided must be contained in the plan. It must contain the milestones, interim goals and final goal for suitable employment.

18.7.1 Needs Assessment

The Housing Authority will perform a needs assessment with the family using various needs assessment tools. Upon completion of the assessment, FSS will be able to establish the milestones, and short- and long-term goals designated for the head of household on the ITSP and any other participating family members with an executed ITSP.

18.7.2 The Individual Training and Services Plan (ITSP)
[24 CFR §984.303]

Each individual FSS contract must contain an ITSP for the FSS head of household and any participating family member. The items included on the ITSP will include:

- The resources and services to be provided by the Housing Authority and contracted supportive services provider;
- The individual milestones, interim goals and final goal for suitable employment;
- Completion dates for each individual interim goals will be included on or before the contract expiration date;
- A mandatory interim goal for families receiving welfare is that all family members must be free of welfare assistance for 12 consecutive months prior to the expiration of the contract (including extensions) [24 CFR §982.306(b)(2)];
- The requirement for the head of the FSS family to seek and maintain suitable employment throughout the term of the contract; and
- Each ITSP plan must be signed by the participant and a Housing Authority representative.

Any changes to the ITSP must be included as a revision to the original plan. The revision may be based on the following reasons: factors keeping the client from effectively becoming suitably employed, lack of supportive services, and unforeseen circumstances/barriers. The revision must include:

- The item changed;
- Signature of the participant and a Housing Authority representative; and
- The date signed.

18.8 ESCROW ACCOUNTS **[24 CFR §984.305]**

The general concept of the escrow account is that FSS families continue to pay rent in accordance with their incomes (even as their incomes increase due to employment income). As a rule, the amount of the increase in earned income is escrowed. Because there are other factors that affect the family rent, it will not necessarily be dollar for dollar. The amount escrowed for the family will depend on whether the family is considered a very low- or low-income family.

- **Disbursing the FSS Escrow Account:** The amount in an FSS account, in excess of any amount owed to the Housing Authority by the FSS family, is paid to the head or designated remaining family member of the FSS family [24 CFR §984.305(c)(1)]:
 - When the contract of participation has been completed; and
 - When, at contract completion, the head of the family certifies that no family member receives Federal or state welfare assistance.
- **Interim Disbursement:** The Housing Authority may, at its sole option, disburse a portion of the funds from the family's escrow account during the contract period for contract-related expenses if the family has fulfilled certain interim goals and needs a portion of the FSS account funds for purposes consistent with contract such as [24 CFR §984.305(c)(2)]:

- School tuition;
- Business start-up expenses;
- Car when public transportation is unavailable or inaccessible to the family; or
- Job training expenses.

The family may use the final disbursement of escrow account funds without restriction.

The Housing Authority cannot restrict a family's use of FSS escrow account funds withdrawn by the family unless the funds are withdrawn to aid in the completion of an interim goal.

- If a family receives an advance payment from their escrow account prior to completing the Contract, the advance payment does not have to be repaid to the Housing Authority if the family drops out of the FSS program, unless the payment was due to fraud or misinformation by the family.

If the family moves outside of the Housing Authority's jurisdiction under the Housing Choice Voucher Program portability procedures, the Housing Authority may transfer the balance of the family's FSS escrow account to another public housing agency [24 CFR §984.306(e)].

18.8.1 Forfeiting the FSS Escrow Account **[24 CFR §984.305(f)]**

Amounts in the FSS escrow account will be forfeited if:

- The Contract of Participation is terminated;
- The Contract of Participation is completed but the family is receiving welfare assistance when the contract expires, including extensions; or
- The head of the family dies and the remaining members of the family choose not to continue participating in the program, and the contract obligations have not been met.

If families do not pay their rent to the owner, the funds may be forfeited because:

- Compliance with the applicable housing choice voucher or Public Housing lease is a family obligation under the Contract, and
- Nonpayment of rent is grounds for terminating a family's FSS participation and forfeiture of the escrow.

In the housing choice voucher program, FSS account funds forfeited by the family will be treated as program receipts for payment of program expenses under the Housing Authority's Housing Choice Voucher Program budget. Escrow funds may be used by the Housing Authority for HUD-approved expenses; such expenses may include rental assistance payments.

In Public Housing, the forfeited account will be credited to the Housing Authority's operating reserves and counted as other income in the calculation of the PFS operating subsidy eligibility for the next budget year. The escrow funds may be

used by the Housing Authority for HUD-approved expenses such as Public Housing maintenance costs.

18.9 CHANGE IN FAMILY COMPOSITION

If the head of the FSS family no longer resides with other family members in the assisted unit, the remaining family members of the family will have the right to designate another family member to receive the funds. The Housing Authority must be consulted and must approve this change.

If a family with two adults splits up, the Housing Authority will determine if the escrow should be paid. The family may be paid if the family member that continues to reside in a Housing Development and/or retains the rental assistance through the Housing Choice Voucher Program:

- Is already head of the FSS family, or
- Was not designated as head of the FSS family but now designates himself or herself to receive the escrow account.

18.10 FSS TERMINATION/CANCELLATION/PORTABILITY **[24 CFR §984.303(h)]**

The Housing Authority is responsible for determining whether the family has violated the FSS contract and whether the family's rental assistance should be terminated.

18.10.1 FSS Termination Due To Portability **[24 CFR §984.306(f)]**

Where the family is relocating and is not absorbed by the receiving housing authority under the portability regulations, and is participating in the receiving housing authority's FSS Program, the Housing Authority must abide by the termination decision of the receiving housing authority.

If a relocating FSS family is unable to fulfill its obligation under the FSS contract, the Housing Authority or the receiving public housing agency, whoever is party to the FSS Contract of Participation may:

- Terminate the family from the FSS Program and the family's FSS account will be forfeited, and
- Terminate the family's rental assistance since the family failed to meet its obligations under the FSS contract. This is applicable to Welfare-to-Work participants only.

If the family's FSS account is forfeited, the funds in the account will revert to the housing authority maintaining the FSS account for the family and will be treated as program receipts.

**CHAPTER 19:
ENHANCED HOUSING CHOICE VOUCHER ASSISTANCE
[24 CFR §886 & §882]**

19.1 INTRODUCTION

Enhanced voucher assistance will be offered to eligible residents under the following categories of Housing conversion actions - owner opt-outs and preservation prepayments, who are residing in the property on the date of the eligibility event (the contract expiration or the effective date of the prepayment).

In addition, although families affected by Section 8 moderate rehabilitation opt-outs are eligible for enhanced vouchers which are subject to the policies described by this section, these opt-outs are not considered a *Housing* conversion action because the expiring contract is between the owner and the Housing Authority.

Families residing in eligible project-based developments on the date of the owner's prepayment/termination/opt-out will be offered a subsidy (enhanced voucher) if they meet other eligibility criteria. A family will be required to contribute a minimum amount toward rent.

Unlike a regular voucher, the subsidy is "enhanced" to cover the difference between the normally applicable payment standard and the possibly higher proposed rent of the unit that is going through the housing conversion action and Moderate Rehabilitation program opt-outs.

19.2 TERMS/PROVISIONS

The residents of the project-based program under the HUD Section 8 Contract are eligible to receive an Enhance Housing Choice Voucher if the participant eligibility screening is approved, including the criminal background check requirement.

The Housing Authority issues a family an enhanced voucher based on the number of bedrooms the family qualifies for under the current subsidy standards, not actual size of the unit the family is occupying. If the bedroom size of the family's unit exceeds the number of bedrooms the family qualifies for under the current subsidy standards the family is *over-housed*.

19.2.1 Characteristics of Enhanced Voucher Assistance

Enhanced vouchers have several special requirements but in all other respects are subject to normal housing choice voucher program rules.

1. **Payment standard where the family chooses to stay in the same project.**

For families who choose to remain in place, the payment standard equals the new proposed gross rent. The payment standard equals the new gross rent for the unit after the opt-out or prepayment (provided the gross rent is reasonable based on comparable units).

If the Total Tenant Payment (TTP) exceeds the applicable payment standard at conversion, then the tenant is not eligible for assistance.

2. Payment standard where the family chooses to move.

In all cases where the family decides to move from the development, HCV rules apply. (The payment standard equals the lesser of the new gross rent or payment standard).

This payment standard includes situations where the family must move in order to receive assistance because the proposed new rent for the family's current unit in the preservation/opt-out development is reasonable in relation to comparable units.

3. Rent Reasonableness

When an in-place family receives an enhanced voucher, the Housing Authority ensures the rent reasonableness of the proposed gross rent for the family.

4. Minimum Rent Requirement

All families who stay in their current unit or move to an appropriate size unit within the same development and receive assistance with an enhanced voucher (whether previously assisted or non-assisted) are subject to a statutory minimum rent. The minimum rent is the amount of rent the family was paying on the date of the conversion action or Section 8 Moderate Rehabilitation owner opt-out. The minimum rent represents the lowest amount the family may pay as their family contribution. Depending on the circumstances, the family may have to pay more than the minimum rent.

5. Calculating HAP Payments

When a family with an enhanced voucher remains in-place (or moves to an appropriate size unit within the development) AND the new gross rent exceeds the applicable payment standard and is rent reasonable; the HAP equals the new gross rent for the unit minus the GREATER of:

- 30% of the monthly adjusted family income, or
- 10% of the family gross income, or
- The gross rent (TTP or family contribution for an assisted family) that the family was paying on the date of the prepayment/termination; i.e. minimum tenant rent.

19.2.2 Availability of Appropriate Size Units in the Project

The over-housed family must move to an appropriate size unit in the project if one is available in order to receive enhanced voucher assistance. The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit.

19.2.3 No Appropriate Size Units Currently Available in the Project

If there is no appropriate size unit current available for the family in the project, the Housing Authority executes a HAP contract on behalf of the family for the oversized unit, provided the rent is reasonable and the unit complies with all other program requirements such as the housing quality standards.

The enhanced voucher housing subsidy calculation is based on the gross rent for the oversized unit. The subsidy calculation will continue to be based on the gross rent (including subsequent rent increases) for the oversized unit until an appropriate size unit in the project becomes available for occupancy for the family.

19.2.4 Actions when Appropriate Size Units Later Become Available in the Project

The owner must immediately inform the Housing Authority and the family when an appropriate size unit will become available in the project. When an appropriate size unit becomes available, the family residing in the oversized unit must move to the appropriate size unit within 60 days to continue to receive enhanced voucher assistance. Extensions may be authorized as a reasonable accommodation. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation from a qualified professional with direct experience with the individual's disability.

The family and owner will enter into a new lease and the Housing Authority will execute a new HAP contract with the owner for the appropriate size unit. The enhanced voucher subsidy calculation is based on the gross rent for the appropriate size unit.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

19.2.5 Decrease in Family Size or Change in Family Composition

If, as a result of a decrease in family size or change in family composition, an enhanced voucher family later becomes over-housed, the same policy regarding over-housed enhanced voucher families would apply. The family would continue to receive enhanced voucher assistance in the oversized unit until such time that an appropriate size unit becomes available for occupancy by the family in the project.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, staff will calculate the family's housing assistance payment (HAP) for the oversized unit based on the current applicable voucher subsidy formula using the applicable payment standard. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

If there are more over-housed families than the number of available appropriate size units at any given time, the Housing Authority will require families to move to

the appropriate size unit according to the date of their initial lease. If the family is unable to move due to a disability and a reasonable accommodation has been approved, we will move to the next household by date of their initial lease.

Families who choose to vacate, the enhance voucher becomes regular housing choice voucher and the eligibility requirements policy is the same as for screening regular admissions for the Housing Choice Voucher Program. Families are also eligible for portability and the minimum rent requirement is no longer applicable.

19.3 COVERED HOUSING CONVERSION ACTIONS

There are two types of *Housing* conversion actions that the property owners can choose: preservation pre-payment or opt-out.

1. Pre-payment date is the date the owner officially “pays off” their HUD-insured mortgage. The property is no longer considered a Project-Based or Affordable Development, and the owner is free to increase rents to market levels. As early as 60 days after this “pre-payment date,” the residents are no longer protected by the subsidy or affordable rents.
2. Opt-out is where owners elect to discontinue the existing contract with HUD and no longer desire to participate in any subsidy program. In cases when owners pre-pay either their mortgage loan or opt-out of the Section 8 Housing Assistance, federal law requires that owners provide the tenants with a 1-year notification before the expiration of the Section 8 Contract. The owners are required to give proper notice of intent to pre-pay or opt-out to HUD, a notice of intent to pre-pay loan to California Housing Partnership Office, the Participant City, the local Housing Authority, and the Legal Aid Foundation. These notifications must be sent at least 1 year in advance, along with the notice of intent to increase the rent with a minimum of 60-day notice to the tenants of such a rent increase.

19.3.1 Family Eligibility for Enhanced Vouchers

Preservation Prepayment: A family/individual is eligible to receive an enhanced voucher subsidy due to a preservation prepayment in an eligible development on the effective date of prepayment or voluntary termination of mortgage insurance and is income-eligible on that effective date:

- The family is an elderly or disabled moderate-income family; (at least 80% but does not exceed 95% of area median income); or
- The family annual income is low (at or below 80% of area median income) or very low-income (at or below 50% of area median income); or
- A moderate-income family residing in a low vacancy area (3% or less vacancy rate) as determined by the local HUD office; and
- The family resides in the development on the conversion date; and
- The unit is an appropriate size; and passes HQS.

A family not qualified in one of the categories on the effective date of the prepayment/termination is not eligible, regardless of whether the family's income situation changes during the next 12 months.

Unassisted and Assisted Families: Both unassisted and assisted families may be eligible for the enhanced voucher subsidy.

- Assisted Families are families residing in the development at the time of the prepayment/termination who currently receive tenant-based rental assistance from a local PHA. These participants must abide by the special provisions of the enhanced vouchers if the family chooses to remain in the unit. Continued residency at the development invokes minimum rent requirements.
- Unassisted Families are families residing in the development at the time of the prepayment/termination and are not current tenant-based voucher recipients.

Opt-Out: A family is eligible to receive an enhanced voucher subsidy due to an owner electing not to renew an expiring Section 8 project-based contract (Opt-Out) if:

- The family has an annual income that is at or below 80% of area median income, and
- The family resides in a unit covered by the expiring contract on the date of the expiration, and
- The amount the family pays for gross rent exceeds 30% of their adjusted monthly income as a result of the owner's rent increase, and
- The unit the family presently occupies or chooses to occupy is an appropriate sized unit and passes an HQS inspection.

19.4 OTHER COVERED ACTION

19.4.1 Moderate Rehabilitation Program [24 CFR §882]

The Moderate Rehabilitation (Mod Rehab) Program was designed in 1978 to be an expansion of the rental certificate program. The rental certificate program was initially amended to permit moderate levels of rehabilitation to upgrade and preserve the housing stock. The rental certificate program required a minimum expenditure of \$1,500 in repairs to meet the program housing quality standards.

After the work was completed, owners entered into a 15-year Housing Assistance Contract with the local housing authority. Using this 15-year rental certificate contract, the housing authority helped the owner repay the loan by subsidizing the rents of low-income participants at a higher-than-fair market rate. The contract tied rental subsidies to the building not the participant. Although funding is no longer available for new participants, the Assisted Housing Division continues to administer existing contracts under this program. **Mod Rehab policies and procedures are the same as those of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.**

19.4.2 The Expired 15-Year Contracts

To date, many of the 15-year contracts have now expired. HUD has authorized housing authorities to extend expiring Moderate Rehabilitation Contracts under certain conditions. These conditions are as follows:

- The project must have five or more units. If a building has five or more units, but only one of the units is under Moderate Rehabilitation Program then the unit is covered under the contract. The building still qualifies for an extension because the requirement is tied to the project not the contract.
- The owner must be in good standing with the current contract. Examples of non-compliance: on-going non-compliance with the Housing Quality Standard inspections.

19.4.3 Requesting An Extension

The Housing Authority closely monitors the expiration dates for all Moderate Rehabilitation contracts and mails the owners a letter asking owners if they would like to request an extension. Owners need to reply immediately to this letter if they wish to extend another year. The extension of the contract is a 1-year extension. HUD has allowed the Housing Authority to continue to extend the “extension” contract for another year. This has been the practice since 1996. However, there is no guarantee that the contracts will continue to be extended in the future.

If an owner does not wish to extend the Mod Rehab Contract for their building, they are under no obligation to extend the contract. Rules governing the Moderate Rehabilitation program require that the owners give their tenants 1-year notice in advance of the expiration of the contract and their intent to opt-out of the program. The families will receive enhanced vouchers and have the right to remain in the units as long as the units are used for rental housing. If the family chooses to vacate the Mod Rehab unit, then the family will be given a Housing Choice Voucher.

If an owner does not provide a family with the required notice, the family is protected as if they were under an assisted tenancy until 1 year from the time the owner actually provides the notice. This means that if the owner elects not to renew the contract and the family chooses to remain in the unit as an unassisted tenant, the owner will be required to accept the family portion of the rent as full payment until he/she has complied with the notification requirement.

19.4.4 Annual Increase For the Expired 15-Year Contracts

The Housing Authority will mail the owner a letter regarding their upcoming expiration date and advise them of their annual increase that may be granted to them providing that they choose to extend their contract. The owner must respond immediately for an extension so that the Housing Authority can expedite the process to secure funding for the new coming year.

The methodology used to calculate the rent that an owner may be eligible to receive under the renewal contract is different. To determine the rent under the

extension contract the Housing Authority must compare the following three rent analyses:

- Existing contract rents multiplied by the Operating Cost Adjustment Factors (OCAF);
- The Mod Rehab FMR (120% of the existing Fair Market Rents) minus the Utility allowance; and
- Comparable market rents

The rent under the extension contract is based on the lowest of the above three figures. The Housing Authority will complete this analysis for the building and provide the owner with a copy.

For the participant's re-examination process, see Chapter 12 (Re-Examination). For family obligations, see Chapter 15 (Family Obligations). These two rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

19.4.5 Non-Expired Mod Rehab Contracts

For those Mod Rehab contracts that have not reached their 15-year contract, the annual increases may be granted providing:

- The owner submits a proper 60-day notice, prior to the anniversary date, of their rent increase amount to the Housing Authority.
- The new rent increase does not exceed the annual adjustment factor and comparables justify the increase.
- The unit has passed the annual inspection.

For the re-examination process for the participant, see Chapter 12 (Re-Examination). On family obligations, see Chapter 15 (Family Obligations). These rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

19.4.6 Request To Move

Since the assistance is attached to the unit and not the participant, a participant wishing to relocate and continue their assistance must relocate to another Mod Rehab Unit. The participant must submit their 30-60 day notice to vacate to their owner and mail a copy to the Housing Authority. Once the office receives the vacate notice, the Housing Authority will confirm receipt of the notice to vacate by sending the participant a confirmation notice along with a set of income verification forms. The participant must submit their income verifications forms by the due date on the cover letter. Upon receipt of the completed income forms, the representative will contact the participant to schedule an appointment for their issuance. Listings for other vacant Mod Rehab Units may be available.

For those participants who placed themselves on the waiting list for a Housing Choice Voucher and have been contacted by the Applications and Eligibility Department for issuance, the participant must submit their proper 30-60 day notice to their owner and mail a copy to the Housing Authority.

If the participant vacates their unit without the proper 30-60 day written notice to their owner and the Housing Authority, they will be terminated from the program. Keep in mind that under the Mod Rehab program, the owner may file for vacancy loss and if any money is paid on behalf of the participant, they must reimburse the Housing Authority before we can consider any future assistance.

If the owner has submitted a written notice to the participant to vacate their premises, the participant needs to contact their representative immediately. The representative will advise and direct the participant of their responsibilities.

19.4.7 Referrals **24 CFR §882.514**

When a Mod Rehab unit is ready for new lease inspection, the owner/manager will refer their next applicant off their waiting list to the Mod Rehab unit. Once the applicant calls the office, the applicant's name and family composition will be requested in order to prepare the income verification packet along with the Criminal Background Check (family members 18 years and older need to sign this form) for the Head of Household to pick-up at the office. The applicant will have 15 calendar days to return the completed income verification forms to the office to determine eligibility. If the applicant has not submitted all the necessary documents to determine eligibility, a final notice will be mailed out and given a 10 working day due date. If the final request is not returned by the due date, the owner must refer the next applicant on their waiting list.

The criminal background check is required for family members 18 years and older. For information on the eligibility process, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

19.4.8 New Lease Process

Once the applicant has been determined eligible for the Mod Rehab program, the Housing Authority will contact the applicant and schedule them for a lease issuance. Following the issuance of the lease, the Housing Authority will contact the owner/manager to schedule a new lease inspection. The unit is subject to lead-based paint requirements specified at 24 CFR §882.404(d). Chapter 10 (Housing Quality Standards and Inspections) contains details on inspections.

Upon passing of the initial inspection, the Housing Authority will contact the owner to confirm the effective date of the new lease and the amount of the security deposit that will be collected.

The Housing Authority will generate a new lease, which will then be mailed to the owner for signatures from the participant and owner. Upon receipt of the signed lease, the representative will release the HAP payment to the owner.

19.4.9 Claims, Move-Out and Close-Out Inspections

This section applies to Moderate Rehabilitation Program contracts that were effective before October 2, 1995.

19.4.10 Owner Claims

Under the Moderate Rehabilitation Program, owners may make a special claim for damages, unpaid rent, and vacancy loss after the tenant has vacated the unit. Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. The Housing Authority establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, the Housing Authority will ascertain whether the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

The Housing Authority will pay properly filed claims to the owner as a function of the contract, but the tenant is ultimately responsible to reimburse the Housing Authority for claims paid to the owner.

19.4.11 Unpaid Rent

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease and only until the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the Housing Authority will not reimburse the owner for any claims under these agreements.

19.4.12 Vacancy Loss 24 CFR §882.411

Vacancy loss under the Mod Rehab Program is paid if the move was in violation of the notice requirements in the lease, or the result of an eviction.

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

1. Notify the Housing Authority within 72 hours upon learning of the vacancy, or prospective vacancy, and
2. Pursue all possible activities to fill the vacancy, including, but not limited to:
 - Contacting applicants on the owner's waiting list, if any;
 - Seeking eligible applicants by listing the unit with the Housing Authority;
 - Advertising the availability of the unit; and
 - Not rejecting potentially eligible applicants except for good cause.

In the event that a unit becomes vacant because of death, the Housing Authority will permit the owner to keep the HAP for the month in which the tenant died, but may pay no further HAP.

If the tenant moves after the date given on their notice of intent to vacate, the landlord may claim vacancy loss by providing acceptable documentation that

there was a bona fide prospective tenant to whom the unit could have been rented.

19.4.13 Damage Claims

To ensure valid claim processing, the Housing Authority should conduct a thorough move-in inspection noting conditions as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

The owner must be present during the move-out inspection and only damages claimed by the owner are reimbursable.

All claims for damages must be supported by the actual bills for materials and labor and a copy of the canceled checks or other receipts documenting payment. Estimates are accepted at the discretion of the Housing Authority depending upon the nature of the work to be done.

Bills from individuals providing labor must include their name, Social Security number, address and phone number. The owner may not bill himself/herself for labor since that is not considered by the Housing Authority to be an "actual cost". However, the actual cost of the owner's employees' labor, such as the resident manager, to make repairs may be included.

Persons making repairs or replacements must be licensed to do business in Los Angeles County.

Reasonableness of costs will be based on the Means Cost Estimating Guide. Reimbursement for replacement of items such as carpets, drapes, or appliances, are based on depreciation schedules in general use by the Housing Authority.

The Housing Authority may require verification of purchase date, quality, and price of replaced items in order to calculate depreciation.

Claims for unpaid utility bills cannot be approved as part of a claim.

Claims for normal wear and tear, previously existing conditions, routine turnover preparation, and cyclical interior painting are not paid.

The Housing Authority will inspect the unit to verify that repairs were made.

19.4.14 Move-Out and Close-Out Inspections

Move-out (vacate) inspections are performed for the Mod Rehab Program after the tenant has vacated the unit. These inspections are performed by Program Specialists/Inspectors to assess the condition of the unit, not to evaluate the HQS.

The owner must notify the Housing Authority of the move-out and request an inspection within 5 calendar days of learning of the move-out, or contract termination, whichever is first, in order to submit a claim for damages.

If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner is not present, the move-out inspection will not be rescheduled.

The Housing Authority will conduct a move-out inspection on the tenant's request.

In the event that the Housing Authority is unable to inspect within 10 calendar days, the owner will be permitted to use date-stamped photographs to substantiate the claim.

19.4.15 Processing Claims

Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit that the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts which the family owes under the lease, the owner may request reimbursement from the Housing Authority up to the limits for each program.

If the owner claims vacancy loss, the security deposit that s/he collected or could have collected will be deducted from the vacancy loss claim.

The Housing Authority reviews claims for unpaid rent, damages, or vacancy loss and makes a preliminary determination of amount payable. The family is informed that a claim is pending (notice sent to last known address). The notification will state the preliminarily determined amount, the type of claim, and describe the procedure for contesting the claim.

1. The Housing Authority will offer the family 15 calendar days to contest the claim. If the family disputes the claim, the Housing Authority will schedule an informal meeting/claim review with the owner and tenant in order to resolve the differences.
2. If the tenant fails to attend the meeting, the Housing Authority will proceed with its original determination; the meeting will not be rescheduled unless there are extenuating circumstances.
1. At the Claim Review, the amount and type of claim will be discussed with the family. If the family agrees with the amount and type of claim, the family may be offered a Repayment Agreement. If the family does not agree to sign a Repayment Agreement, the Housing Authority will process the account for collection.
2. If the family demonstrates that the claim, or parts of it, is invalid, the Housing Authority will adjust the amount. The Housing Authority may offer the tenant an opportunity for an Informal Hearing regarding the claim if disputes cannot be resolved.

After a determination has been made, the Housing Authority will notify the family in writing of the decision. If it has been determined that the family owes money, the Housing Authority will pursue collection to repay either in a lump sum or through a payment agreement. The notice will warn the family that their assistance may be terminated and they may be denied future participation in the program if they do not reimburse the Housing Authority as required.

19.4.16 Other Requirements for Claims Processing

- The Housing Authority will require proof that the owner has complied with State and local laws applicable to security deposits before making payment on any claim.
- All notices to tenants during the processing of a claim must include proof of mailing or of personal delivery.
- Costs of filing eviction to remove the tenant or any other legal fees, shall not be reimbursed.
- No claims will be paid for a unit that is vacant as the result of the landlord voluntarily moving a family to another unit owned by the same landlord or as a result of a mutual rescission between the landlord and tenant family.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 calendar days of the date the owner learned of the move-out.

19.5 DENIAL OF ENHANCED VOUCHER SUBSIDY

The Housing Authority may deny a family an enhanced voucher for the same reasons listed for denial of rental assistance in the regular HCV program, including income ineligibility, delinquencies, classification as a lifetime sex offender, or for other criminal activity.

The Housing Authority must provide a family that is denied assistance an opportunity for an informal review according to Section 2.11.

CHAPTER 20: MODERATE REHABILITATION PROGRAM [24 CFR §882]

20.1 INTRODUCTION

The Moderate Rehabilitation (Mod Rehab) Program was designed in 1978 to be an expansion of the rental certificate program. The rental certificate program was initially amended to permit moderate levels of rehabilitation to upgrade and preserve the housing stock. The rental certificate program required a minimum expenditure of \$1,500 in repairs to meet the program housing quality standards.

After the work was completed, owners entered into a 15-year Housing Assistance Contract with the local housing authority. Using this 15-year rental certificate contract, the housing authority helped the owner repay the loan by subsidizing the rents of low-income participants at a higher-than-fair market rate. The contract tied rental subsidies to the building not the participant. Although funding is no longer available for new participants, the Assisted Housing Division continues to administer existing contracts under this program. **Mod Rehab policies and procedures are the same as those of the Housing Choice Voucher program except as otherwise noted. If there is a conflict between program regulations and the Admin Plan, the program regulations have precedence.**

20.2 THE EXPIRED 15-YEAR CONTRACTS

To date, many of the 15-year contracts have now expired. HUD has authorized housing authorities to extend expiring Moderate Rehabilitation Contracts under certain conditions. These conditions are as follows:

- The project must have five or more units. If a building has five or more units, but only one of the units is under Moderate Rehabilitation Program then the unit is covered under the contract. The building still qualifies for an extension because the requirement is tied to the project not the contract.
- The owner must be in good standing with the current contract. Examples of non-compliance: on-going non-compliance with the Housing Quality Standard inspections.

20.3 REQUESTING AN EXTENSION

The Housing Authority closely monitors the expiration dates for all Moderate Rehabilitation contracts and mails the owners a letter asking owners if they would like to request an extension. Owners need to reply immediately to this letter if they wish to extend another year. The extension of the contract is a 1-year extension. HUD has allowed the Housing Authority to continue to extend the “extension” contract for another year. This has been the practice since 1996. However, there is no guarantee that the contracts will continue to be extended in the future.

If an owner does not wish to extend the Mod Rehab Contract for their building, they are under no obligation to extend the contract. Rules governing the Moderate Rehabilitation program require that the owners give their tenants 1-year notice in advance of the expiration of the contract and their intent to opt-out of the program. The families will receive enhanced vouchers and have the right to remain in the units as long as the units are used for rental housing. If the family chooses to vacate the Mod Rehab unit, then the family will be given a Housing Choice Voucher.

If an owner does not provide a family with the required notice, the family is protected as if they were under an assisted tenancy until 1 year from the time the owner actually provides the notice. This means that if the owner elects not to renew the contract and the family chooses to remain in the unit as an unassisted tenant, the owner will be required to accept the family portion of the rent as full payment until he/she has complied with the notification requirement.

20.4 ANNUAL INCREASE FOR THE EXPIRED 15-YEAR CONTRACTS

The Housing Authority will mail the owner a letter regarding their upcoming expiration date and advise them of their annual increase that may be granted to them providing that they choose to extend their contract. The owner must respond immediately for an extension so that the Housing Authority can expedite the process to secure funding for the new coming year.

The methodology used to calculate the rent that an owner may be eligible to receive under the renewal contract is different. To determine the rent under the extension contract the Housing Authority must compare the following three rent analyses:

- Existing contract rents multiplied by the Operating Cost Adjustment Factors (OCAF);
- The Mod Rehab FMR (120% of the existing Fair Market Rents) minus the Utility allowance; and
- Comparable market rents

The rent under the extension contract is based on the lowest of the above three figures. The Housing Authority will complete this analysis for the building and provide the owner with a copy.

For the participant's re-examination process, see Chapter 12 (Re-Examination). For family obligations, see Chapter 15 (Family Obligations). These two rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.5 NON-EXPIRED MOD REHAB CONTRACTS

For those Mod Rehab contracts that have not reached their 15-year contract, the annual increases may be granted providing:

- The owner submits a proper 60-day notice, prior to the anniversary date, of their rent increase amount to the Housing Authority.

- The new rent increase does not exceed the annual adjustment factor and comparables justify the increase.
- The unit has passed the annual inspection.

For the re-examination process for the participant, see Chapter 12 (Re-Examination). On family obligations, see Chapter 15 (Family Obligations). These rulings apply to the Section 8 Certificate Program and the Housing Choice Voucher Program.

20.6 REQUEST TO MOVE

Since the assistance is attached to the unit and not the participant, a participant wishing to relocate and continue their assistance must relocate to another Mod Rehab Unit. The participant must submit their 30-60 day notice to vacate to their owner and mail a copy to the Housing Authority. Once the office receives the vacate notice, the Housing Authority will confirm receipt of the notice to vacate by sending the participant a confirmation notice along with a set of income verification forms. The participant must submit their income verifications forms by the due date on the cover letter. Upon receipt of the completed income forms, the representative will contact the participant to schedule an appointment for their issuance. Listings for other vacant Mod Rehab Units may be available.

For those participants who placed themselves on the waiting list for a Housing Choice Voucher and have been contacted by the Applications and Eligibility Department for issuance, the participant must submit their proper 30-60 day notice to their owner and mail a copy to the Housing Authority.

If the participant vacates their unit without the proper 30-60 day written notice to their owner and the Housing Authority, they will be terminated from the program. Keep in mind that under the Mod Rehab program, the owner may file for vacancy loss and if any money is paid on behalf of the participant, they must reimburse the Housing Authority before we can consider any future assistance.

If the owner has submitted a written notice to the participant to vacate their premises, the participant needs to contact their representative immediately. The representative will advise and direct the participant of their responsibilities.

20.7 REFERRALS **24 CFR §882.514**

When a Mod Rehab unit is ready for new lease inspection, the owner/manager will refer their next applicant off their waiting list to the Mod Rehab unit. Once the applicant calls the office, the applicant's name and family composition will be requested in order to prepare the income verification packet along with the Criminal Background Check (family members 18 years and older need to sign this form) for the Head of Household to pick-up at the office. The applicant will have 15 calendar days to return the completed income verification forms to the office to determine eligibility. If the applicant has not submitted all the necessary documents to determine eligibility, a final notice will be mailed out and given a 10 working day due date. If the final request is not returned by the due date, the owner must refer the next applicant on their waiting list.

The criminal background check is required for family members 18 years and older. For information on the eligibility process, please see Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

20.8 NEW LEASE PROCESS

Once the applicant has been determined eligible for the Mod Rehab program, the Housing Authority will contact the applicant and schedule them for a lease issuance. Following the issuance of the lease, the Housing Authority will contact the owner/manager to schedule a new lease inspection. The unit is subject to lead-based paint requirements specified at 24 CFR §882.404(d). Chapter 10 (Housing Quality Standards and Inspections) contains details on inspections.

Upon passing of the initial inspection, the Housing Authority will contact the owner to confirm the effective date of the new lease and the amount of the security deposit that will be collected.

The Housing Authority will generate a new lease, which will then be mailed to the owner for signatures from the participant and owner. Upon receipt of the signed lease, the representative will release the HAP payment to the owner.

20.9 CLAIMS, MOVE-OUT AND CLOSE-OUT INSPECTIONS

This section applies to Moderate Rehabilitation Program contracts that were effective before October 2, 1995.

20.9.1 Owner Claims

Under the Moderate Rehabilitation Program, owners may make a special claim for damages, unpaid rent, and vacancy loss after the tenant has vacated the unit. Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. The Housing Authority establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, the Housing Authority will ascertain whether the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

The Housing Authority will pay properly filed claims to the owner as a function of the contract, but the tenant is ultimately responsible to reimburse the Housing Authority for claims paid to the owner.

20.9.2 Unpaid Rent

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease and only until the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the Housing Authority will not reimburse the owner for any claims under these agreements.

20.9.3 Vacancy Loss
24 CFR §882.411

Vacancy loss under the Mod Rehab Program is paid if the move was in violation of the notice requirements in the lease, or the result of an eviction.

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

3. Notify the Housing Authority within 72 hours upon learning of the vacancy, or prospective vacancy, and
4. Pursue all possible activities to fill the vacancy, including, but not limited to:
 - Contacting applicants on the owner's waiting list, if any;
 - Seeking eligible applicants by listing the unit with the Housing Authority;
 - Advertising the availability of the unit; and
 - Not rejecting potentially eligible applicants except for good cause.

In the event that a unit becomes vacant because of death, the Housing Authority will permit the owner to keep the HAP for the month in which the tenant died, but may pay no further HAP.

If the tenant moves after the date given on their notice of intent to vacate, the landlord may claim vacancy loss by providing acceptable documentation that there was a bona fide prospective tenant to whom the unit could have been rented.

20.9.4 Damage Claims

To ensure valid claim processing, the Housing Authority should conduct a thorough move-in inspection noting conditions as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

The owner must be present during the move-out inspection and only damages claimed by the owner are reimbursable.

All claims for damages must be supported by the actual bills for materials and labor and a copy of the canceled checks or other receipts documenting payment. Estimates are accepted at the discretion of the Housing Authority depending upon the nature of the work to be done.

Bills from individuals providing labor must include their name, Social Security number, address and phone number. The owner may not bill himself/herself for labor since that is not considered by the Housing Authority to be an "actual cost". However, the actual cost of the owner's employees' labor, such as the resident manager, to make repairs may be included.

Persons making repairs or replacements must be licensed to do business in Los Angeles County.

Reasonableness of costs will be based on the Means Cost Estimating Guide. Reimbursement for replacement of items such as carpets, drapes, or appliances, are based on depreciation schedules in general use by the Housing Authority.

The Housing Authority may require verification of purchase date, quality, and price of replaced items in order to calculate depreciation.

Claims for unpaid utility bills cannot be approved as part of a claim.

Claims for normal wear and tear, previously existing conditions, routine turnover preparation, and cyclical interior painting are not paid.

The Housing Authority will inspect the unit to verify that repairs were made.

20.9.5 Move-Out and Close-Out Inspections

Move-out (vacate) inspections are performed for the Mod Rehab Program after the tenant has vacated the unit. These inspections are performed by Program Specialists/Inspectors to assess the condition of the unit, not to evaluate the HQS.

The owner must notify the Housing Authority of the move-out and request an inspection within 5 calendar days of learning of the move-out, or contract termination, whichever is first, in order to submit a claim for damages.

If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner is not present, the move-out inspection will not be rescheduled.

The Housing Authority will conduct a move-out inspection on the tenant's request.

In the event that the Housing Authority is unable to inspect within 10 calendar days, the owner will be permitted to use date-stamped photographs to substantiate the claim.

20.9.6 Processing Claims

Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit that the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts which the family owes under the lease, the owner may request reimbursement from the Housing Authority up to the limits for each program.

If the owner claims vacancy loss, the security deposit that s/he collected or could have collected will be deducted from the vacancy loss claim.

The Housing Authority reviews claims for unpaid rent, damages, or vacancy loss and makes a preliminary determination of amount payable. The family is informed that a claim is pending (notice sent to last known address). The notification will state the preliminarily determined amount, the type of claim, and describe the procedure for contesting the claim.

3. The Housing Authority will offer the family 15 calendar days to contest the claim. If the family disputes the claim, the Housing Authority will schedule an informal meeting/claim review with the owner and tenant in order to resolve the differences.
4. If the tenant fails to attend the meeting, the Housing Authority will proceed with its original determination; the meeting will not be rescheduled unless there are extenuating circumstances.
5. At the Claim Review, the amount and type of claim will be discussed with the family. If the family agrees with the amount and type of claim, the family may be offered a Repayment Agreement. If the family does not agree to sign a Repayment Agreement, the Housing Authority will process the account for collection.
6. If the family demonstrates that the claim, or parts of it, is invalid, the Housing Authority will adjust the amount. The Housing Authority may offer the tenant an opportunity for an Informal Hearing regarding the claim if disputes cannot be resolved.

After a determination has been made, the Housing Authority will notify the family in writing of the decision. If it has been determined that the family owes money, the Housing Authority will pursue collection to repay either in a lump sum or through a payment agreement. The notice will warn the family that their assistance may be terminated and they may be denied future participation in the program if they do not reimburse the Housing Authority as required.

20.9.7 Other Requirements for Claims Processing

- The Housing Authority will require proof that the owner has complied with State and local laws applicable to security deposits before making payment on any claim.
- All notices to tenants during the processing of a claim must include proof of mailing or of personal delivery.
- Costs of filing eviction to remove the tenant or any other legal fees, shall not be reimbursed.
- No claims will be paid for a unit that is vacant as the result of the landlord voluntarily moving a family to another unit owned by the same landlord or as a result of a mutual rescission between the landlord and tenant family.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 calendar days of the date the owner learned of the move-out.

CHAPTER 21: PROJECT-BASED VOUCHERS

21.1 INTRODUCTION **[24CFR983.5]**

The Project-Based Voucher (PBV) program is administered by Public Housing Authorities who also administer the tenant-based Housing Choice Voucher program, or Section 8. PBV is assistance that is tied directly to a unit in an approved project, unlike HCV, where assistance is tied to the participant. The policies regarding the Housing Choice Voucher program apply to the PBV program, except where they are specifically altered in this chapter.

In administering the Project-Based Voucher program, the goals of this Housing Authority are to:

- Attract more affordable developments to the Housing Authority's jurisdiction;
- Preserve affordable units that might otherwise become market-rate units;
- Increase affordability of housing for families making below 30% of the area median income; and
- Further HUD and Housing Authority goals of deconcentration.

The Housing Authority may enter into contracts for Project-Based Vouchers based on the policies outlined in this chapter.

21.2 LEVEL OF ASSISTANCE **[24CFR983.6]**

The Housing Authority will appropriate no more than 20% of the Section 8 budget authority for Project-Based Vouchers.

21.3 OWNER PROPOSAL SELECTION PROCEDURE **[24CFR983.51]**

The Housing Authority may use one of the following methods to select owner proposals:

1. Request for Proposal (RFP): The Housing Authority may issue a competitive request for PBV proposals. An RFP may not be limited to a single site and may not impose restrictions that practically preclude owner submission of proposals for PBV on different sites.

The Housing Authority will publish an RFP in at least one newspaper of general circulation, as well as post the RFP on the Housing Authority website. The submission deadline will be included in the RFP and a detailed application and selection criteria will be provided to all interested parties.

2. At the discretion of the Housing Authority, projects may be selected for PBV assistance using proposals for housing developed using federal,

state, or local government housing assistance, community development, or a supportive services program that requires competitive selection of proposals (e.g., HOME, competitively-awarded Low-Income Housing Tax Credit, City of Industry Funds), where the proposal has already been selected in accordance with such program's competitive selection requirements within three years of the Housing Authority's PBV selection date, and the earlier selection proposal did not involve any consideration that the project would receive Housing Authority PBV assistance.

21.3.1 Selection Criteria

[24CFR983.57]

The following criteria will be considered when evaluating proposals for Project-Based Voucher assistance:

1. Housing that serves homeless families;
2. Housing that serves disabled families or individuals;
3. Housing that serves elderly families or individuals;
4. Housing that serves families with children, consistent with the needs indicated by HACoLA's waiting list; and/or
5. Other documented needs
6. Housing that promotes deconcentration by:
 - Being located in a census tract where the poverty rate is 20% or less, or if the poverty rate is greater than 20%, if the overall poverty rate has declined over the past five years;
 - Serving very low-income families in mixed-income projects;
 - Other appropriate criteria consistent with regulation.
7. Housing that provides an appropriate level of supportive services to residents;
8. Housing that serves low- to extremely low-income families for the life of the project;
9. Other criteria consistent with regulation.

21.3.2 Requirements For Rehabilitated and Newly Constructed Housing

[24CFR983.151]

The following policies do not apply to existing housing. If a project is selected under the rehabilitated or newly constructed category, it cannot be selected under existing housing.

21.3.3 Agreement to Enter Into the HAP Contract

[24CFR 983.152]

If a rehabilitated or newly constructed project, as defined by regulation, is selected by the Housing Authority to receive Project-Based Vouchers, the

Housing Authority will enter into an Agreement with the owner in the form required by HUD.

In the Agreement the owner agrees to develop the contract units to comply with HQS, and the Housing Authority agrees that, upon timely completion of the development in accordance with the terms of the Agreement, the Housing Authority will enter into a HAP contract with the owner for the contract units.

21.3.4 Subsidy Layering Review (SLR)
[24CFR983.55]

The Housing Authority may only provide assistance in accordance with HUD subsidy layering regulations and other requirements.

A subsidy layering review will not be required to enter into an agreement or to execute a contract between the Housing Authority and the owner under the following:

1. When a project has received any form of government housing assistance, other than the PBV assistance.
2. If a subsidy layering review has been conducted to an existing structure by the applicable State or local agency.

The owner must certify in the HAP contract that the project has not received and will not receive any other form of public assistance during the life of the HAP contract other than that disclosed in the subsidy layering review.

21.3.5 Environmental Review
[24CFR983.58]

The Housing Authority is not required to undertake any environmental review before entering into a housing assistance payments contract for an existing structure, except to the extent such a review is otherwise required by law or regulation.

21.3.6 Housing Authority – Owned Units
[24CFR983.59]

Units where a direct or indirect interest is held by any officer or employee of the Housing Authority are considered Housing Authority – owned units. Project-based vouchers may not be used for public housing units.

Selection of a project owned by the Housing Authority must be consistent with the process outlined in section 21.3 of this chapter.

Rent to owner must be determined in accordance with the same requirements for other units, except that the initial contract rent must be determined by an independent entity, approved by HUD, based on an appraisal by a licensed, state-certified appraiser.

A HUD-approved, independent entity must also perform all HQS inspections as required by regulation.

21.4 HOUSING ELIGIBLE FOR ASSISTANCE **[24CFR983.52 AND 983.53]**

The Housing Authority will consider proposals for existing and newly constructed and rehabilitated housing.

The following types of housing are ineligible under the Project-Based Voucher Program:

- Shared housing;
- Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- Facilities providing continuous medical or related care, except an assisted-living facility that provides home health care services;
- Units owned by an educational institution that are designated for occupancy by students of the institution;
- Manufactured homes;
- Transitional housing;
- Units occupied by owners; and
- Units occupied by ineligible families.

21.5 LIMITS ON ASSISTANCE **[24CFR983.56]**

The Housing Authority may only provide Project-Based Voucher assistance to up to 25% of the units in a selected project.

Units excepted from this rule are:

- Units that house elderly or disabled families; and
- Families receiving qualified supportive services.

More than 25% of the units in a single-family building (a building with no more than 4 dwelling units) may be assisted with PBV.

21.5.1 Qualified Supportive Services

Units occupied by families receiving qualified supportive services are excepted from the 25% cap on PBV assistance within a single development. Examples of supportive services that qualify for an exception include, but are not limited to:

- Family Self-Sufficiency (FSS) program;
- Welfare-to-Work
- Psychological or medical services
- Drug or alcohol rehabilitative treatment
- Job training or placement services
- Education program where there is a reasonable expectation of leading to self-sufficiency

21.5.2 Qualifications for Supportive Services

It is not necessary that the supportive services be provided at or by the project.

At least one member of the family must be receiving the supportive service for the unit to remain excepted from the 25% cap.

Participation in medical- or disability-related services is not required as a condition of living in an excepted unit, other than a drug and alcohol treatment program for current abusers, although such services may be offered.

21.5.3 Supportive Services Monitoring

Participant compliance with a supportive service contract will be monitored at least annually. The Housing Authority will request a status update for the participant's supportive service contract at the anniversary of said contract. The Housing Authority may request a status update on the supportive service contract more frequently, at its discretion.

Providers of supportive services must provide the Housing Authority any changes to the program within thirty days of when those changes occur. Providers must also immediately report to the Housing Authority when a family fails to meet the supportive service contract requirements.

21.5.4 Failure to Meet Supportive Service Requirements

When a family living in an excepted unit fails to meet the requirements of a supportive service contract, and is living in the excepted unit because of the supportive services received, the Housing Authority will propose termination of the contract. The family will not be issued a voucher to move.

The owner and participant will be given a sixty-day notice of the proposed termination of the HAP contract. The owner may at that time terminate the lease and issue an order to vacate by the HAP contract termination date.

If a family fails to meet the requirements of the supportive service contract for good cause, as determined by the Housing Authority, and is qualified to become reinstated in the supportive service program within a reasonable time period, the Housing Authority may counsel the family on its obligations and allow reinstatement of the supportive service contract.

21.6 SELECTION OF PARTICIPANTS **[24CFR983.251]**

The Housing Authority will only provide PBV assistance to families determined eligible, consistent with Chapter Four of this Plan.

21.6.1 Waiting List

The Housing Authority will use a separate waiting list to administer the Project-Based Voucher program. All applicants currently on the tenant-based assistance waiting list will be given an opportunity to place their name on the PBV waiting list, with their original date and time intact. New applicants will be given the

opportunity to place their name on both the tenant-based waiting list and the PBV waiting list.

21.6.2 Protection of In-Place Families

Families already residing in units to be placed under contract will be given the opportunity to place their name on the PBV waiting list. If the family is determined eligible for the PBV program after they have been placed on the waiting list, an absolute preference will be given that family, who will then be referred to the owner for an appropriately-sized unit in the project. This protection does not apply to families who do not meet eligibility criteria on the proposal selection date.

21.6.3 Local Preferences

Applicants on the PBV waiting list are subject to the system of local preferences as outlined in Chapter Four of this Plan.

Disabled families who need the services offered at a particular project may be awarded first preference from the waiting list. This preference is limited to families or individuals who meet the following criteria:

- Has a disability that significantly interferes with the ability to obtain and maintain themselves in housing;
- Will not be able to obtain or maintain themselves in housing without appropriate supportive services;
- For whom such services cannot be provided in a nonsegregated setting.

Disabled families may not be required to accept the supportive services offered nor can a preference be granted for those with a particular disability.

21.6.4 Refusal of Assistance

If a family refuses an offer of PBV assistance, the Housing Authority may remove the family from the PBV waiting list. Such refusal will not affect the family's position on the waiting list for tenant-based assistance nor affect any admissions preference for which the family qualifies.

If an owner rejects a family for admission to the owner's PBV units, such rejection will not affect the family's position on the tenant-based waiting list and the family will be returned to their position on the PBV waiting list. If a family is rejected three times by PBV owners, the Housing Authority may remove the family from the PBV waiting list.

21.7 INFORMATION FOR ACCEPTED FAMILIES **[24CFR983.252]**

When a family accepts an offer of Project-based assistance, the Housing Authority will provide the family an oral briefing. Attendance at this briefing is mandatory. The briefing will include:

- A description of how the program works;
- Family and owner responsibilities.

A briefing packet will be provided, with information regarding:

1. How the Housing Authority determines total tenant payment;
2. Family obligations; and
3. Applicable fair housing information.

21.8 LEASING OF CONTRACT UNITS **[24CFR983.253]**

Owners must lease contract units only to eligible families, selected and referred by the Housing Authority from the waiting list, during the term of the HAP contract.

Owners must develop written tenant selection procedures consistent with the purpose of improving housing opportunities for very low-income families, related to program eligibility and an applicant's ability to perform lease obligations.

An owner must promptly notify, in writing, any rejected applicant of the grounds for rejection.

Owners must follow the Housing Authority's subsidy standards when leasing units to referred families.

21.9 VACANCIES **[24CFR983.254]**

The owner must promptly notify the Housing Authority of any current or expected vacancy in a contract unit. After owner notice, the Housing Authority will promptly refer a sufficient number of families to the owner to fill the vacancy.

If any contract unit has been vacant for at least 120 days since the owner notice of vacancy, the Housing Authority may give notice to the owner amending the HAP contract to reduce the number of contract units by the number of units that have been vacant for that period.

21.10 TENANT SCREENING **[24CFR983.255]**

The Housing Authority may take into consideration any admission criteria outlined in Chapter Two of this Plan in order to screen applicants for eligibility; however, it is the responsibility of the owner to screen applicants for behavior and suitability for tenancy.

The Housing Authority will provide the owner with the tenant's current and former address, as well as the name and address of the current and/or former landlord, if known. This policy is consistent with information provided to owners under the Housing Choice Voucher program.

21.11 HOUSING ASSISTANCE PAYMENTS CONTRACT

The Housing Authority must enter into a Housing Assistance Payments (HAP) contract with the owner in order to provide housing assistance payments for eligible families. The Housing Authority will make housing assistance payments to the owner in accordance with the HAP contract, for contract units leased and occupied by eligible families during the term of the HAP contract.

21.11.1 HAP Contract Information

The HAP contract must specify:

1. The total number of contract units by number of bedrooms;
2. Project name and full address, including the block and lot number, if known;
3. Information to identify the specific contract units, including:
 - Number of units in each building;
 - Location of each contract unit;
 - Area of each contract unit; and
 - Number of bedrooms and bathrooms in each unit.
4. Services, maintenance and equipment to be supplied by owner without additional charge;
5. Utilities available to the contract unit, specifying which utilities are paid by owner and which are paid by tenant;
6. Assurance of nondiscrimination;
7. The HAP contract term;
8. The number of excepted units (exceed the 25% per building cap) that will be set aside for occupancy by qualifying families;
9. The initial rent to owner.
10. For newly constructed or rehabilitated units, the owner's certification of the units' completion in accordance with the Agreement.

21.11.2 Execution of the HAP Contract **[24CFR983.204, 24CFR983.209]**

Before the HAP contract may be executed, the Housing Authority will inspect each contract unit in accordance with section 21.12 of this chapter and Chapter Ten of this Plan.

For existing housing, the HAP contract must be executed promptly after selection of the owner proposal and inspection.

For new construction or rehabilitated housing, the HAP contract is executed after the Housing Authority has inspected the completed units and is satisfied that said units are completed in accordance with the Agreement and the owner has furnished required evidence of completion.

By execution of the HAP contract, the owner certifies:

- The owner is and will maintain all contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and in the leases with assisted families;
- Each contract unit is leased to an eligible family and the lease complies with the HAP contract and HUD requirements;
- Members of the assisted family reside in the contract unit and it is their only residence;
- The owner is not a relative of any member of the assisted family by blood or operation of law;
- The amount of the housing assistance payment is the correct amount due under the HAP contract;
- The rent to owner for each contract unit does not exceed the rent due to owner for any comparable, unassisted unit;
- The owner will not receive any other payments beyond the tenant rent and housing assistance payments for the contract unit; and
- The family does not own or have any interest in the contract unit.

21.11.3 Term of the HAP Contract
[24CFR983.205]

The Housing Authority may enter into a HAP contract with an owner for an initial term of not less than one year and not more than fifteen years for each contract unit.

The Housing Authority and owner may agree at any time, including during the initial contract term, to extend the term of the HAP contract for up to fifteen years at each expiration.

The HAP contract may be terminated by the Housing Authority for insufficient funds. If it is determined there are insufficient funds available to continue to assist all contract units for the full term, the Housing Authority may give notice to the owner for all or any of the contract units, in accordance with HUD instructions.

21.11.4 Amendments to the HAP Contract
[24CFR983.206]

Amendment to Substitute Contract Units – The Housing Authority may amend the HAP contract to substitute a different unit with the same number of bedrooms in the same building for the previously assisted unit. Prior to the substitution, the Housing Authority will inspect the proposed substitution unit and determine reasonable rent.

Amendment to Add Contract Units – At the discretion of the Housing Authority and provided the number of PBV-assisted units in a building will not exceed the

25% cap or the 20% budget authority, a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional PBV units to a building. The anniversary and expiration date for the added units will be the same as for the existing units under the HAP contract.

21.12 INSPECTIONS
[24CFR983.103]

HQS inspections will be conducted in accordance with Chapter Ten of this Plan. The Housing Authority may not perform inspections on units where there is a direct or indirect interest by any of its employees or officers.

The Housing Authority will inspect PBV units at the following times:

1. Pre-selection – the Housing Authority will inspect the proposed site before the proposal selection date. For existing units, units must substantially comply with HQS before the proposal selection date. Units must fully comply before the HAP contract may be executed;
2. Pre-HAP contract;
3. Turnover – the Housing Authority must inspect a unit before a new family moves in. The unit must fully comply with HQS before a family may receive assistance in that unit;
4. Annual – The Housing Authority will conduct inspections on a random sample of at least 20% of contract units in a building annually. Turnover inspections are not counted toward annual inspections.

If more than 20% of the annual sample fail the HQS inspections, 100% of the contract units in the building must be inspected.

5. Other times – the Housing Authority will inspect PBV units at other times as necessary to insure the contract units are in compliance with HQS and that the owner is providing utilities, maintenance and other services in accordance with the HAP contract.

21.12.1 HQS Violation
[24CFR983.207]

The Housing Authority may make no HAP payments to the owner during any period in which the contract unit does not comply with HQS or any other HAP contract requirement.

Remedies for HQS violation include abatement or reduction in HAP payments, reduction of contract units, and termination of the HAP contract.

21.13 LEASE
[24CFR983.256]

Owners must use the same lease for contract units as for unassisted units, with the lease being in accordance with state law.

The lease must include the HUD tenancy addendum. All provisions in the tenancy addendum must be included in the lease. Provisions in the addendum shall prevail over provisions in the lease.

The initial term of the lease must be for at least one year.

The lease must specify:

- Names of the owner and tenant;
- Identifying information of the unit rented;
- Term of the lease and any provision for renewal;
- The amount of tenant rent to owner;
- Specification of services, maintenance, equipment, and utilities to be provided by the owner;
- The amount of any charges for food, furniture, or supportive services.

21.13.1 Changes in the Lease

If the tenant and owner agree to any changes in the lease, the change must be in writing and must be submitted to the Housing Authority immediately.

The owner must notify the Housing Authority of any proposed change in the lease regarding responsibility for utilities. Such changes may only be made with approval of the Housing Authority. If the Housing Authority approves a change in responsibilities for utilities, rent reasonableness must be redetermined, which will then be used in calculation of rent to owner from the effective date of the change.

21.13.2 Absence from the Unit

The Housing Authority's absence policies found in Chapter Six of this Plan will apply to the PBV program. The lease may specify a maximum period of family absence from the unit that is shorter than that specified by the Housing Authority.

The HAP contract will not be terminated if the family is absent for longer than the maximum period permitted by the Housing Authority.

21.13.3 Owner Termination of Tenancy and Eviction

Grounds for owner termination and eviction are the same as outlined in Chapter Fourteen of this Plan, except that an owner may not terminate tenancy after the initial term of the lease for business or economic reasons, or to repossess the unit for personal, family, or nonresidential use.

If an owner refuses to renew the lease without good cause, the family will be issued a tenant-based voucher and the unit will be removed from the HAP contract.

21.13.4 Security Deposits

[24CFR983.258]

The owner may collect a security deposit from the tenant. The amount may not exceed that allowed by state and local law or that charged to unassisted units in the same building.

When the tenant moves out, the owner may use the amount of the deposit, in accordance with the lease and state and local law, as reimbursement for any unpaid tenant rent, damage to the unit, or any other amount the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the balance is not sufficient to cover amounts the tenant may owe under the lease, the owner may seek the remainder from the tenant. The Housing Authority has no liability or responsibility for payment of any amount owed by the family to the owner.

21.14 FAMILY OCCUPANCY OF WRONG-SIZE OR ACCESSIBLE UNIT

[24CFR983.259]

If the Housing Authority determines that a family is occupying the wrong-size unit, or a unit with accessibility features the family does not require, and is needed by a family that requires the accessibility features, the Housing Authority will offer the family continued assistance in another unit and will notify the family and owner immediately of its offer of continued assistance and determination.

The Housing Authority may offer continued assistance either in another PBV unit or a tenant-based voucher. If appropriate, the Housing Authority may refer the family to an available public housing unit or other public or private tenant-based assistance (e.g. HOME).

If the family is given a tenant-based voucher, policies under the Housing Choice Voucher program regarding voucher issuance and expiration will apply. If a family fails to lease a unit with the tenant-based voucher, assistance will be terminated upon expiration of the voucher (and any subsequent extensions granted by the Housing Authority)

Upon determination that the family is occupying a wrong-size unit or an accessible unit that is not required, and continued assistance is offered in the form of a Project-Based voucher, the family will have ninety days in which to move to another unit. If the family fails to move or refuses the offer of continued assistance in another unit, assistance to the family will be terminated.

21.15 DETERMINING RENT TO OWNER

[24CFR983.301]

The amount of estimated rent to owner must be included in the Agreement for rehabilitated or newly constructed housing. The actual rent to owner must be determined at the beginning of the HAP contract term for all types of housing.

The amount of rent to owner is redetermined at the owner's request for a rent increase and when there is a 5% or greater decrease in the published FMR.

Except for certain tax credit units specified below, the amount of rent to owner must not exceed the lowest of:

- An amount determined by the PHA that does not exceed 110% of the FMR (or any exception payment standard approved by HUD), minus the utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

21.15.1 Rent to Owner for Certain Tax Credit Units

Rent to owner must be determined differently if the unit receives low-income housing tax credits under the Internal Revenue Code of 1986 and:

1. Is not located in a qualified census tract; and
2. Is located in the same building as comparable tax credit units of the same bedroom size that do not receive any other form of rental assistance; and
3. The tax credit rent exceeds fair market rental or any exception payment standard.

In the case that the unit meets all of the above stated criteria, rent to owner must not exceed the lowest of:

- The tax credit rent (comparable tax credit units in the same building that do not receive any other form of rental assistance), minus the utility allowance;
- The reasonable rent; or
- The rent requested by owner.

When determining the initial rent to owner, the Housing Authority will use the most recently published FMR and utility allowance in effect at the execution of the HAP contract. However, at its discretion, the Housing Authority may use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract.

21.15.2 Housing Authority – Owned Units

For any units in which any officer or employee has a direct or indirect interest, the initial determination of rent to owner and the annual redetermination of rent to owner will be made by an independent entity, approved by HUD.

21.15.3 Redetermination of Rent to Owner
[24CFR983.302]

The Housing Authority will only redetermine rent to the owner when the owner requests an increase at the annual anniversary of the HAP contract or when there is at least a 5% decrease in the published FMR. Notice of rent increase and other limitations on rent adjustments must conform to the above stated policies and section 11.3. of this Plan.

If there is a decrease in rent due to a 5% or greater decrease in the published FMR, the rent to owner must be decreased, whether or not the owner requested a rent adjustment.

The notice of rent adjustment from the Housing Authority constitutes an amendment of rent to owner specified in the HAP contract.

Rent reasonableness will be determined by a HUD-approved, independent entity for units owned by the Housing Authority. The entity will provide a copy of the determination to the Housing Authority and the HUD Los Angeles field office.

21.15.4 Rent Determination for Projects with Other Subsidies
[24CFR983.304]

Rents may not exceed rent limits as established by the applicable federal program for units subsidized under the following programs:

1. HOME;
2. Insured or non-insured Section 236 project;
3. Formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
4. Section 221(d)(3) below market interest rate (BMIR) project;
5. Section 515 project of the Rural Housing Service;
6. Any other type of federally subsidized project specified by HUD.

The Housing Authority may set reasonable rents up to 110 percent of the HUD Market Rent in projects receiving Low-Income Housing Tax Credits (LIHTC), even if the rent level exceeds the maximum rent under the LIHTC program.

The Housing Authority may, at its discretion include provisions in the HAP contract to reduce the initial amount of rent to the owner because of other governmental subsidies.

21.15.5 Rent Control and Other Rent Limitations
[24CFR983.305]

Rent control and other rent limitations under local, state or federal law will apply.

21.16 PAYMENT TO OWNER
[24CFR983.351]

The Housing Authority will make HAP payments to the owner in accordance with the HAP contract for the months in which the contracted unit is leased to and

occupied by an eligible family. Except for discretionary vacancy payments described in section 21.16.1 of this chapter, the Housing Authority will not make any payments for any month after the month in which the family moves out of the unit. In order to continue receiving HAP payments, the owner must comply with all provisions of the HAP contract, including HQS.

21.16.1 Vacancy Payments
[24CFR983.352]

If a family moves out of a contract unit, the owner may keep the payment for the full calendar month in which the family moves out. The owner may not keep the payment if the Housing Authority determines that the vacancy is the owner's fault.

The Housing Authority may provide for vacancy payments to the owner not to exceed two months following move out. The vacancy payment may not exceed the amount of monthly rent under the assisted lease, minus any rent received by the owner, including any available amount from the tenant's security deposit.

Vacancy payments may only cover periods the unit is actually vacant.

The Housing Authority will only make vacancy payments to the owner if:

- The owner gives prompt, written notice to the Housing Authority certifying that the family vacated the unit, including the date the family moved out, and certifies:
 - The vacancy is not the fault of the owner and the unit was vacant during the period claimed;
 - The owner has taken every reasonable step to minimize the likelihood and length of the vacancy.

The owner must then submit a form requesting vacancy payments and provide the amount of the tenant's security deposit with any amount available to reimburse unpaid rent. The form must be accompany receipts substantiating any damages the owner claims from the security deposit. The owner must certify on this form that no other payments were received for the unit during the period vacancy claimed.

21.16.2 Other Charges and Fees
[24CFR983.354]

The owner may not require the family to pay charges for any meals or supportive services unless the project is an assisted living development, in which case owners may charge tenants, family members, or both for meals and supportive services. These charges may not be included in the rent to owner and may not be used to calculate rent reasonableness. Nonpayment of such charges is grounds for termination under the lease only in an assisted living development.

The owner may not charge tenants or family members extra amounts for items customarily included in the rent in Los Angeles County, or provided at no additional cost for unsubsidized tenants in the premise
